

Introduction

Throughout history, and especially among Bible students and readers, there have been great efforts made to try to calculate the age of the physical Earth, and the **“time of major events”** of many things written in the Holy Scriptures (the Old Testament). The **“time of major events”** from the creation of Adam and Eve in the Garden of Eden to this present day and age has fascinated many millions of people. Additionally, there have been times when many predictions have been made concerning **“the end of the world,”** especially from a Biblical prospective. Knowing the truth of things does indeed bring forth freedom from darkness, fears and entrapments, and also it brings enlightenment and gives hope for this day and age, and for the future.

A person can know the **“exact time of major events”** of the history of people and nations in the context of the Hebrew, Holy Scriptures (the Old Testament) since the time of Adam and Eve in the Garden of Eden to our present time, as well as know the **“exact time of major events”** of many things that are happening on this Earth in this present time. This book, *The 6000th Year and The Seventh Millennium Since the Garden of Eden, Our Physical Earth Will Last for Another 1000 Years*, gives detailed calculations from the time of Adam and Eve in the Garden of Eden (the Creation Time since Adam and Eve in the Garden of Eden) to the present time and year of April 7, 2008. These calculations are based on the time of major events outlined in the Holy Scriptures from the time of the beginning of Adam and Eve in the Garden of Eden, to the time of the fall of the City of Jerusalem to the Babylonian Kingdom in 586 B.C.E. Additionally, there are calculations of the time of major events from the time of the rise to power of the Babylonian Kingdom in 609 B.C.E. to the year of 2010 C.E. of our present time. For our present time, this Earth, our present, physical Earth, will last for another 1000 years (the world is not coming to end). This time period of these next 1000 years is the Seventh Millennium since the time of the creation of Adam and Eve in the Garden of Eden to our present day and time. The time period from Adam and Eve in the Garden of Eden to our present time has only been a time period of six millenniums. This Earth and of people and nations living on this Earth will fulfill a cycle of seven millenniums, which is a cycle of seven millenniums for completion in the history of people and nations living here on this Earth since the time of the creation of Adam and Eve in the Garden of Eden.

It is to the Perfect Will of the Yehovah Elohim for everyone to have perfect knowledge and understanding of each of the time of the major events outlined in the Holy Scriptures, as well as of the time of major events of many things of this physical Earth of our present time. This book is written with the hope to give wisdom, knowledge and understanding of the time of major events in the history of people and nation since the time of Adam and Eve in the Garden of Eden to this our present time.

I hope that this book will be very interesting, informative, inspirational and enlightening, as well as be of great blessings and value to the readers. Also, I hope that

"... Blessed be the Name of the Elohim forever and ever: for wisdom and might are his. And he changes the times and seasons. He removes kings, and sets up kings. He gives wisdom to the wise and knowledge to them that know understanding; he reveals the deep and secret things; he knows what is in the darkness, and the light dwells with him." (Daniel 2:20-22)
"Surely the Yehovah Elohim will do nothing, but he reveals his secret to his servants the prophet." (Amos 3:7) "The secret of the Yehovah is with them that fear him, and he will show them his Covenant." (Psalm 25:14)
