How many men and women know the “**truth**” of many things of life from deep within their very soul, yet they failed to act on the truth? Since the Garden of Eden the “**Holy Spirit of the true and Great Yehovah Elohim (the true and Great God)**” of the Universe has been on this Earth, and has dealt with individuals, families, people, cities and nations throughout this Earth. The Holy Spirit of the true God has shown to individuals, families, people, cities and nations throughout this Earth the reality of the knowledge of truth of many things in many different areas of life, even to the sinners of this Earth. Even little children can properly know and judge many things in life.

Instilled-Instinct Knowledge - The animals in the forest and in the waters have been given instilled-instinct knowledge of many things of life. What about men, women and children? Are men, women and children born with a certain amount of “**instilled-instinct knowledge**,” especially to know how to discern many things of life, even to know what is good, true and righteous, and also to know what is evil, deceptive and unrighteous? The answer is yes indeed! Secondly, there is a spiritual force deep within everyone that tells men, women, and even children, that certain things are good, and that certain things are evil. Thirdly, everyone on this Earth is aware that there are “**spiritual forces - spiritual beings**” on this Earth that are not visible.

Of the estimated number of more than six billion people on this Earth, over 90% of the people claim some type of religious belief. **Why?** It is because of this “**spiritual awareness**” of the “**spiritual forces - spiritual beings**” that are on this Earth, and in knowing that there is a God in the Heaven above. Even the atheists are aware that there are spiritual forces - spiritual beings on this Earth. It is now time for the thorough and diligent examining “**of truths, and of deceptions**” of many things that have been with men and women since the Garden of Eden to this present time, and especially recognize the true God of the Universe (the true and Great Yehovah Elohim), and of his heavenly hosts of

Holy Angels of spiritual forces. It is now time to overcome and take a stand against all forms of deceptions and evils of this Earth, including against the deceptions and evil of all man-made systems of governments, and against all false religious, false cultural and false philosophical beliefs, and against the deceptive, economic system of this Earth, and also against the deception of men and women wanting to **“be as gods”** unto themselves.

Throughout history, and especially in this day and age, men and women perfectly know from deep within their very soul by the Holy Spirit of the true God of the Universe that **“all”** false religious, false cultural and false philosophical beliefs are evil, and that all man-made systems of governments on this Earth are evil and corrupt, and that the deceptive, economic system of this Earth is evil and corrupt. Yes indeed, all of these things are **“corrupt, evil, wicked, unjust, unrighteous, oppressive and sinful.”** Many men and women have said with their own mouth that their government is corrupt, and that so many of the religious establishments and sects are corrupt, and also that so many of the business establishments are corrupt. Since everyone knows these things, then why have so many individuals, families, people, cities and nations wanted to continue to live under, pray for, and support these corrupt and evil institutions, establishments, sects and groups? and to live by evil and oppressive laws, including by evil and oppressive government, and business, and religious laws? and to live under all sorts of deceptive and oppressive taxation, and the confiscation of land and various properties by man-made governments? and also to be deceived, entrapped and robbed by evil and corrupt businessmen? Truly, it is now time for all people and nations to thoroughly and diligently examine **“all”** things of life, religions, governments, economics, social things, social relationships, and also concerning one’s own personal life, and especially concerning the true God of the Universe, and of his Perfect Will for all people and nations. This thoroughly and diligent examination must be done now on an independent basis.

Knowing the Truth “Without” the Written Bible of the Hebrew-Old Testament

There have been, and there are, individuals who question the Hebrew Holy Scriptures (the Old Testament), and who wrote the Old Testament, and its Holy Laws and Holy Word, and also what is right, and what is wrong in life. Men and women must become fully aware that everyone knows a certain amount of truth of many things in life - even without the written, Hebrew Holy Scriptures (the Old Testament). Secondly, every person on this Earth knows from within their very soul, and is fully aware thereof, that there is the **“true God”** of the Universe, and that there are **“spiritual forces”** on this Earth.

Adam and Eve did not have a written Bible, yet Adam and Eve knew the true God; and they were confronted with **“spiritual forces”** - the Holy Spirit of the true God, as well as were confronted with the spiritual force of the Voice of the Serpent (the voice of

deceptions). Secondly, Adam and Eve were “**judged**” by the Holy Law of the true God, and the Serpent was also judged.

Shem, Enoch, Methuselah, and Noah, as well as the people before and after the Flood of Noah, and even Abraham, all perfectly knew of the true God of the Universe; and they knew his Holy Laws, and what is right, and what is wrong; and also they perfectly knew the Perfect Will of the true God - “**without a written Bible.**”

The masses of the people at the building of the ancient Cities and Tower of Babylon, had contact with Noah (because Noah was still alive during this time period); and they perfectly knew the true God; and they perfectly knew his Holy Laws, and what is right and what is wrong; and also they perfectly knew the Perfect Will of the true God - “**without a written Bible,**” yet so many of the masses of the people decided to disobey, and to rebel against the true God of the Universe, and against his Perfect Will.

The masses of the people at the cities of Sodom and Gomorrah, and the two other cities thereabout, perfectly knew the true God; and they perfectly knew that what they were doing were evil and wrong - in the Eyes of the true God “**without a written Bible.**” When Lot spoke to the people of Sodom about their evil ways, the people responded:

“And they said, Stand back. And they said again, This one fellow came in to sojourn, and **he will needs be a judge:** now will we deal worse with you, than with them. And they pressed sore upon the man, even Lot, and came near to break the door.” (Genesis 19:9)

Question must be asked: How did the people at Sodom perfectly knew that they were to be “**judged**” - even without the written Bible of the Hebrew Old Testament? Answer: It is because they perfectly knew the truth of the true God, and also they perfectly knew that what they were doing was wrong; yet, they were in wilful rebellion and in wilful defiance against the true God, and against his Holy Laws. They knew these things “**without the written Bible**” of the Hebrew Holy Scriptures (the Old Testament).

During the time of the Grecian Kingdom there was a man by the name of Socrates. Socrates was a famous philosopher. Socrates knew that there is the “**only One true God**” of the Universe; and he knew that the false gods, and the idol worship of the Greeks were/are evil; and he spoke against the unjust wars of the Grecian elite. Question must be asked: How could Socrates, an early Greek philosopher, know the truth that there is “**only One true God**” of the Universe, and that the false gods and idol worship of the Greeks were/are evil? Also, how could Socrates know of these important things “**without the written Bible**” of the Hebrew - Old Testament?

The Roman Empire had laws, and they knew that sexual immoralities and adultery were wrong; and they knew many other things of right and wrong. Question: How could they have known of these things, and known of these things **“without”** the knowledge of, and **“without the written Bible”** of the Hebrew Old Testament, even before the year of 200 B.C.E.?

It is truly amazing to examine, and see that **“all”** people and nations throughout this Earth, and throughout history, have known, and do know, that certain things are wrong/evil, and that certain things are right/goods, even **“before”** the writing of the Hebrew Holy Scriptures (before the time of Moses), and even **“before”** the Israelites were scattered among the nations and people throughout this Earth, starting in 609 B.C.E., and even to this present time, and even **“without a written Bible.”** Men, women and children existed on this Earth for a time period of **“2463 years”** before the true God gave his Holy Laws to Moses at Mt. Sinai. The time period from the creation of Adam and Eve in the Garden of Eden to the time of the revelation at Mt. Sinai with Moses and the Israelites was a time period of **“2463 years,”** and men and women knew the **“truth”** of many things during this entire time period - before Mt. Sinai. How could the true God judge Adam and Eve - if there were no Holy Laws to live by, and to be judged thereby? How could the people during the time of the Flood of Noah be judged, and in that the Flood of Noah washed the people away - if there were no Holy Laws to live by, and to be judged thereby? How could the people of the cities of Sodom and Gomorrah, and the other two cities thereabout be judged of the true God - if there were no Holy Laws to live by, and to be judged thereby? Secondly, it is amazing to see how that the Prophet Balaam, who was a non-Israelites, perfectly knew what **“righteousness”** consisted of, and what **“unrighteousness and iniquities”** consisted of. The Prophet Balaam did not have a copy of the Old Testament writings.

There have been those who raised questions and doubts concerning the **“written”** Hebrew, Old Testament; and there have been statements such as: **“Who wrote the Bible?”** and **“Who know whether or not something is truth, or not?”** The true God of the Universe allowed, and required that his Holy Laws be **“written”** down by Moses, in order for men and women to have written Holy Laws to live by, and in that there will be no question. Even so, even without the written Bible, men and women still know the truth of many things by spiritual enlightenment. It is amazing to see that the vast majority of people of the various religious sects and denominations have never thoroughly and diligently read and examined their own religious beliefs, and the history of their religious beliefs. Most important: 1) How many have ever thoroughly and diligently examined the written Holy Laws and Holy Scriptures of the Old Testament - on an independent basis, and without any type of commentary, and without any type of opinion of others, and without anyone telling the person what to believe, and what to do, and how to think, and thus and thus? 2) How many have ever sought the true God in Prayers to open up their eyes to the **“truth”** of things, as well as open up their eyes to the **“deceptions”** of things - including in the areas of the different religions, and of man-made systems of governments, and of businesses and

economics, and even of things in their own personal life? 3) How many have just accepted many teachings of others - by blind faith, whether in religion, and in man-made governments, and in businesses and economics? Just by taking the time to Pray and to seek the true God, and by taking the time to read, study, and examine things, and by learning **“to think independently,”** and to question **“contractions of things,”** a person can know, and know assuredly that certain things are no more than lies and deceptions - including in the areas of false religious beliefs, and in the areas of man-made systems of governments, and in the areas of businesses and economics, and also in the areas of social relationships, and also a person can know, and know assuredly that certain things are true, righteous, and just.

Regardless of what anyone may say about the written, Hebrew Old Testament, everyone on this Earth does indeed know a certain amount of truth of many things in life, including in that certain things are evil and wrong, and in that certain things are good and right, even from a spiritual awareness of things in life, and regardless what false religious beliefs may teach, and regardless what ideas, reasons, philosophy, and outlook on life here on this Earth a person, or a group, or a person, city, or nation may have. Secondly, regardless of what anyone may say about the written, Hebrew Old Testament, everyone on this Earth are fully aware of the **“spiritual forces”** that are here on this Earth, including of both good, spiritual forces, and of evil, spiritual forces.

Men and women are held fully accountable for the evil and wrong things that they do here on this Earth, and also what they do to others - even if they have never read the written, Hebrew Old Testament, and even if it takes many weeks, months, or years, the person is faced with the accountability of their actions. When the true God of the Universe (the true and Great Yehovah Elohim) judges men and women they are judged on the amount of knowledge that they do know, and also men and women are judged if they rejected to know the truth of many things. How many men and women have been destroyed because they rejected to know the true knowledge of many things when it was presented to them? Secondly, how many men and women have become aware that they were **“reaping”** for certain things that they committed in the past, whether committed against the true God of the Universe, or whether committed against others, regardless how hard-hearted the person may appear to be? How many strong, mighty men and women became alcoholics, or drug addicted, or psychotic because of being faced with spiritual forces because of their past evil deeds? A good example of this is King Saul of Israel. Read and examine, and see how King Saul was constantly faced with and vexed by an evil spirit that gave him no rest because of his evil deeds. King Saul was strong, tall, and mighty; yet, he was powerless before the evil spirit that was constantly vexing him because of his past evil deeds; and King Saul perfectly knew that the true God was sending the evil spirit against him. Thirdly, how many men and women have had emotional problems, and/or mental problems because of evil spirits constantly vexing them? Read the Holy Scriptures of Deuteronomy, Chapter 28th, and of Leviticus, Chapter 26th, and see how that the true God warns the people that they will suffer all sorts of emotional and mental vexation and

disturbances for rejecting him, and for violation of his true, Holy Laws, as well as suffer physical calamities of destruction of their livelihood, homes, land, cities and nation.

Freedom of Choice is Given to Everyone

Everyone does have a choice and is fully responsible for his/her choices of things in every area of life. Everyone has the perfect choice to repent, and to turn away from all false religious and false cultural beliefs, and to turn away from **“all”** man-made systems of governments, and to turn away from the false economic system of this Earth. Also, now in this present time, everyone has the perfect **“Freedom of Choice” to Repent, and Convert to**, and to be joined unto the true God of the Universe, and to fully accept, and live **“only”** under his righteous Government-Kingdom and Holy Laws, and to do his Perfect Will, including in having land ownership, and in being diligent, good tillers of this Earth, and in being good steward over all of the animals of this Earth.

Individuals, families, cities, people and nations throughout this Earth can today have a **“Referendum Now,”** and they can **“totally abolish”** their present man-made systems of governments, and corrupt laws and taxation, and their evil, corrupt economic system and all forms of debts and indebtedness, as well as **“totally reject”** all false religious, and false cultural, and false philosophical beliefs and ideas. Men and women can fully decide, and accept, and **“Vote into existence,”** and **“Change Over”** to the righteous, just and true religion of the true God of the Universe, and **“Change Over”** to, and live **“only”** under his righteous Government-Kingdom, Holy Laws and Holy Covenant, and **“Change Over”** to his just and righteous economic system, and also seek to do his Perfect Will starting now, including in having land ownership property, and in being diligent, good tillers (farmers, gardeners, foresters, good husbandry-persons). Individuals, families, people, cities and nations can indeed make all of these changes now - if they so desire to do so - **NOW!**

How many people and nations throughout this Earth have had a change over to a different type of government within the past 50 years? and especially within the past 500 years? In this present time, how many individuals, families, cities, people and nations of this Earth are truly willing to REPENT, and turn to, convert, and be joined unto, the true God of the Universe, and accept, and live only under his righteous Government-Kingdom and Holy Laws? How many are willing to vote into being, and accept, turn to, and to change over to the righteous and just Government-Kingdom, Holy Laws, and Perfect Will of the true God of the Universe, and turn to, and truly love, serve, obey and have perfect faith in the true God - **now and forevermore?** The Prophet Daniel and many other holy prophets of the true God prophesied of **“many”** individuals, families, people, cities and nations throughout this entire Earth coming to know thereof, and repenting, and converting, and being joined unto the true God of the Universe in this present day and age. The converting and joining to the true God is the accepting and living **“only”** under the true God of the Universe, and accepting and living **“only”** under his righteous Government-Kingdom and

Holy Laws, and in doing his Perfect Will, starting now in this present time. This is now that day and age, and this is to the Perfect Will of the true God of the Universe for “all” people and nations throughout this entire Earth.

The true God of the Universe has always judged and held men and women “**fully responsible unto him**” for their decisions and “**Choice**” of things in every of life here on this Earth. Indeed, individuals, families, people, cities and nations, are held fully responsible for their choice of things because they perfectly know from deep within their very souls by the Holy Spirit of the true God the truth of many things of life, including concerning things of religion, government, business, social relationships, and even of their personal life, and also concerning what they do to others. Throughout the Holy Scriptures it is shown that the true God was always “**patient and slow to anger in many situations,**” and that he gave to individuals, families, people, cities and nations of this Earth a certain time period of weeks, or months, or even years, to repent and to return to him - before he executed his Great Wrath of Judgment - even without the written Holy Laws. The Holy Scripture says in Ezekiel 33:11 that God “**does not desire**” the death of the sinners of this Earth, but rather that the sinners repent and turn to him. (Read: Ezekiel 33:1-33; 3:18-27; Jeremiah 18:7-10) The true God of the Universe “**does NOT desire**” the death of many individuals, families, people, cities and nation throughout this Earth in this present day and age - if they would repent and turn to him. The true God desires that every individual, family, people, city and nation throughout this Earth to come into the true knowledge of him, and of his true, righteous, and just Government-Kingdom, Holy Laws and Holy Word, and also concerning his Perfect Will, including in that the land areas of this Earth are to be “**justly divided,**” and are to be “**freely given**” to the people as a generational property with Title Deed thereto, and including in that everyone is to be “**fully self-employed**” unto him, as being a diligent, good tiller and good steward of this Earth, and in being a good steward over the animals and sea creatures of this Earth, starting now and forevermore.

No Excuses - There is absolutely “**no excuse**” for not diligently researching the Holy Scriptures of the Hebrew Old Testament of the true God of the Universe. There is absolutely “**no excuse**” for not diligently researching one’s own religious, cultural and philosophical beliefs, and of one’s man-made governmental beliefs, and of the false, oppressive, economic system of this Earth - on an independent basis. There is absolutely “**no excuse**” for not turning to, and fully loving, serving, obeying, and having perfect love, obedience, and faith in the true God of the Universe, and in obeying and living “**only**” under his righteous Government-Kingdom and Holy Laws, and in doing his Perfect Will - starting now. There is absolutely “**no excuse**” to continue to live in sins, wickedness, disobedience, sexual immoralities, crime and violence, and in defiant and rebellion against the true God of the Universe, and against his righteous Government-Kingdom and Holy Laws, and against his Perfect Will. There is absolutely “**no one to blame**” for one’s own choice of things in every area of life, especially because each person can indeed make choices for oneself, and for one’s life here on this Earth - even if the person must forsake and leave others in order to go forth, and to have perfect love, obedience, and faith in the

true God of the Universe, and to obey and live only under his righteous Government-Kingdom and Holy Laws, and to do his Perfect Will.

It is now time to make definite **“Choices of many things of life - for oneself,”** especially to return to the true God of the Universe (the true and Great Yehovah Elohim), and to return to his true, righteous Government-Kingdom and Holy Laws, and to return to doing his Perfect Will, including to having and enjoying land ownership with generational Title Deed thereto, and in being fully self-employed unto the Great Yehovah Elohim, as being diligent, good tillers and good stewards of this Earth, and as being good stewards over all of the animals and sea creatures of this Earth, which is the true God’s Perfect Will for **“all”** people and nations, especially for this Seventh Millennium of these next 1000 years here on this vast, beautiful, blessed, Good Earth that the true God of the Universe has graciously given to mortal men and women, and to all of his crreation.

In Deuteronomy 30:19 it is written: “I call Heaven and Earth to record this day against you, that I have set before you **Life and Death, blessing and cursing**; therefore, **Choose Life** that both you and your seed may live: that you may love the Yehovah your Elohim [God], and that you may obey his voice, and that you may cleave unto him, for he is your life, and the length of your days:”

What is your **“Freedom of Choice”** concerning the many different things of life here on this Earth, and that are discussed in this article - now in this present time? What is your **“Freedom of Choice”** concerning every area of your life here on this Earth - now in this present time, and for these next 1000 years here on this Earth of this Seventh Millennium? What is your **“Freedom of Choice”** concerning your own personal life, blessings, prosperity, land ownership with Title Deed thereto, your own business, home, riches and wealth, joy, happiness, peace, and well-being here on this Earth - now in this present time, and for these next 1000 years here on this Earth of this Seventh Millennium?

“Choose Life” - that both you and your children, and all of your descendants, may live, and obey, and love the true God of the Universe (the Great Yehovah Elohim), and be highly blessed and prosperous of him for doing so - now, and for these next 1000 years of this Seventh Millennium, and for throughout eternity.
