Men and women throughout this entire Earth perfectly know, and are aware that there is “**perfect truth**” of many things on this Earth, and in that truth has existed on this Earth since the very beginning of time to this present time. Secondly, men and women perfectly know, and are aware that there are great “**deceptions**” of many things on this Earth, and in that deceptions have also existed on this Earth since the beginning of time to this present time. Thirdly, men and women are fully aware that there is a “**great spiritual awareness**” of the spiritual enlightenment operating throughout this entire Earth, and in the lives of everyone, whether or not a person want to fully realize the spiritual enlightenment. Because of these things, men and women can know whether or not something is of truth, and can know whether or not something is of deception. Because of these things, since the beginning of time men and women are held to what they accept, and to what they believe in concerning every area of life. A person can find out and know the “**truth**” of different things if a person is willing to diligently seek to know the truth, and especially if a person is willing to diligently seek to know the truth of different things by diligent Prayers unto the true God of the Universe. A person can find out and know the “**deception**” of different things if a person diligently seek to know whether or not something is based on deceptions and lies, including in the areas of the different religions, and in the areas of the different types of man-made governments and man-made laws, and in the areas of business, economics and finances, as well as in the areas of social and personal relationships.

Most important, throughout this Earth, and throughout history, men and women know from deep within their very soul that there is a God. Men and women must now fully realize that there is only one, true God of the Universe; and that he is the only Creator, and the only Great and Supreme King, and also the only Ruler and Owner of and over this entire Earth, including in that he is the only Creator, Ruler and Owner of and over “**all**” **people and nations**. In the very beginning of the creation of this Earth, and of Adam and

Eve in the Garden of Eden, Adam and Eve, and all mortal men and women were, and are, created to live **“only”** under, and obey, serve, and love the only true God of the Universe, and are to live **“only”** under his righteous Government-Kingdom and Holy Laws, and are to obey his Perfect Will here on this Earth in every area of life. Additionally, it must be fully realized that all individuals, and people, and nations throughout this Earth have always been, and are judged **“only”** by the Government-Kingdom and Holy Laws of the true God of the Universe, and in that they have always been judged by these Holy Laws since the very beginning of the creation of this Earth until this present time, even though the Holy Laws of the true God were not written down until the time of Moses and the Israelites at Mt. Sinai.

Since the creation of Adam and Eve in the Garden of Eden, and for the past 6000 years, the masses of people and nations have lived in great deceptions, yet deceptions have always been mixed in with some elements of truth; therefore, the masses of people and nations have lived in defiance and in rebellion against the true God of the Universe, and against his system of righteous Government-Kingdom and Holy Laws, and also against his Perfect Will for all people and nations - whether knowingly, or unknowingly. It must be known that Adam and Eve turned away from the true God of the Universe because they **“blindly”** accepted and followed after the lies and deceptions of the Voice of the Serpent, and in that they ate of the Tree of Knowledge of Good and Evil - a tree with some truth (good) on it, and with some evil (deception) on it. Adam and Eve partook of something that had the elements of both good and evil on it, and thereby they were deceived because truth (good) was mixed with deception (evil). Secondly, since the time of Adam and Eve in the Garden of Eden, the masses of people and nations have also partaken of many things, consisting of good and evil, because truth (good) in so many areas has always been combined with deception (evil), including in the areas of religions, and in the areas of man-made systems of governments, and in the areas of business, economics and finances. **“All”** false religious beliefs, and **“all”** false philosophical, and false cultural beliefs, and **“all”** man-made systems of governments, and the false, corrupt business, economic and financial systems of this entire Earth have some elements of **“truth and good”** in them, as well as have some elements of **“deceptions and evil”** in them. Because of these things, the massive deception of people and nations continued from the time of Adam and Eve in the Garden of Eden to this present time, especially in that people and nations have eaten of the Tree of Knowledge of Good and Evil - on a spiritual level, and have been deceived thereby - spiritually.

Since the time of Adam and Eve in the Garden of Eden to this present time, one of the **“major element of the deception”** of so many men and women has been the deception that mortal men and women could **“be as gods”** like unto the true God of the Universe, and could **“be as gods”** unto themselves, as well as seek to try to **“be as gods”** over others, instead of allowing themselves to be subjected to, and obey the true God of the Universe, and instead of seeking to be at peace with themselves, and also instead of not trying to **“be as gods”** over others. Additionally, all false religious beliefs, and all false philosophical beliefs, and all man-made systems of governments, and the deceptive economic system, gave

the deceptions that men and women could be very great, and could obtain greatness (being as gods), and could obtain greatness of a Utopia Society, yet live in rebellion against the true God of the Universe, and live in rebellion against his Government-Kingdom and Holy Laws, as well as live in rebellion against his Perfect Will for all people and nations.

Secondly, since the time of Adam and Eve in the Garden of Eden to this present time, so many men and women have blindly followed in the footsteps of Adam and Eve, in that so many **“blindly, and willingly, and freely”** believed in, and obeyed the **“evil temptation”** of seeking to try to **“be as gods unto themselves,”** especially in that they were deceived into believing that could live without, and disobeyed the true God of the Universe, and disobeyed his righteous Government-Kingdom and Holy Laws, as well as disobeyed his Perfect Will for all people and nations, whether knowingly, or unknowingly. Because of this great temptation of deception of so many men and women wanting to **“be as gods”** unto themselves, so many men and women **“blindly, and willingly, and freely”** believed in, and fully accepted the **“lies and deceptions”** of evil, mortal men of warlords and deceivers (voices of deceptions-Serpents), which warlords and deceivers became the elite society, and who became the slave-masters over so many of the masses of the people for the past 6000 years. It is now time to thoroughly and diligently examine to see how the great lies, and the great deceptions, and the great enslavement of people and nations have existed for the past 6000 years of people living on this Earth.

The Creation of False Gods, Astrology, Paganism, and Witchcraft, and the Enslavement of the People

In the Book of Genesis, Chapter 11:1-9, the Holy Scriptures show how that after the Flood of Noah the people went forth and built their Cities and Tower of Babylon in the land of Shinar. The land of Shinar is ancient Mesopotamia, the present day area of Iraq. The land of Shinar is also called the area of Ur of the Chaldees. In Genesis, Chapter 10, there is mentioned eight cities, and these eight cities were the ancient Mesopotamia Civilization, which civilization was better known as **“ancient Babylon”** - the first man-made civilization after the Flood of Noah. This first man-made civilization of ancient Babylon was built in wilful defiance, and in wilful rebellion against the true God, and against his righteous Government-Kingdom and Holy Laws, and also against his Perfect Will for all people and nations. The people **“perfectly knew”** of the true God of the Universe, and of his righteous Government-Kingdom and Holy Laws, and also of his Perfect Will, especially because Noah and his sons were still alive during this period of time of the building and existence of these ancient Cities and the Tower of Babel. The building of these ancient Cities and the Tower of Babylon happened over 4,300 years ago; around the year 2340 B.C.E., and these ancient Cities and Tower of Babel collapsed and were destroyed around the year 2003 B.C.E. by the Great Wrath of Judgment of the true God of the Universe.

Even though so many of the masses of the people **“perfectly knew”** of the true God of the Universe, and of his righteous Government-Kingdom and Holy Laws, and also of his

Perfect Will, yet so many of the masses of the people decided to **“rebel and disobey”** the true God of the Universe, especially because they **“blindly, and willingly, and freely”** believed in, and fully accepted the **“lies and deceptions”** of evil, mortal men of warlords and deceivers, which warlords and deceivers created all sorts of false religious beliefs based on their created false gods, and on their practices and predictions of astrology, paganism, and witchcraft beliefs and practices. Because so many of the people believed in and fully accepted the lies and deceptions of false gods, astrology, paganism, and witchcraft beliefs and practices of evil men, the people went forth and built the ancient Cities and Tower of Babylon in rebellion against the true God of the Universe. The Tower of Babel, that is spoken of in Genesis, Chapter 11, verses 1 to 9, was an astrological, pyramid shaped structure for the worship of the created, false gods of the Sun, and of the Moon, and of the various heavenly planets, as well as in that there were all sorts of other created false gods for the masses of the people to believe and to worship.

It is so very important for **“everyone”** to thoroughly and diligently examine, know, and see exactly what happened shortly after the Flood of Noah, and at the building of the ancient Cities and Tower of Babylon, especially because **“all”** nations and people throughout this entire Earth in this present time have been deceived by all sorts of false religious beliefs, which **“all”** major religious beliefs, even of this present time, originated from the ancient, false beliefs of **“false gods, astrology, paganism, and witchcraft”** beliefs and practices of ancient Babylon - the ancient Cities and Tower of Babylon.

The creation of false gods, astrology, paganism and witchcraft beliefs, practices, and systems started with the fascination with the movements of the Sun, and the Moon, and of the various heavenly planets. Since the very beginning of time there has always been the fascination with the movement and beauty of the Sun, and of the Moon, and of the various heavenly planets. The Heaven above is indeed very beautiful and fascinating, whether looking at the beautiful, blue sky on a bright, sunny day; or whether looking at the beautiful, night sky on a bright, clear night; or whether seeing the Sun rise on the horizon in the early morning; or whether looking at the setting Sun lowering on the horizon. The Sun, and the Moon, and the various, heavenly planets were created of the true God of the Universe in the beginning of the creation of this Earth, yet these things are not created to be worshiped by mortal men and women in any form, especially because to do so is idolatry (it is the worship of false gods).

After the Flood of Noah, there were certain individuals of the people who were knowledgeable of the movements of the Sun, and of the Moon, and of the various heavenly planets; and they could predict the precise time when certain movements of the heavenly planets would take place, including in the prediction of eclipses. Because so many of the people were fascinated with, yet had a lack of knowledge of the movements of the Sun, and of the Moon, and of the various heavenly planets, and since so many of the people in the ancient world did not understand, or they refused to understand, the created things of the true God, the certain few knowledgeable individuals who had skills of knowledge of the movements of the heavenly bodies used their knowledge to create all sorts of false religious

beliefs of lies and deceptions concerning the Sun, and the Moon, and the heavenly planets. They created the false religious belief of **“false gods, especially by astrology,”** and in that they created the false beliefs that the Sun, and the Moon, and the various heavenly planets were allegedly ruled by gods and goddesses, such as the Sun-god, and the Moon-god, and the various alleged gods and goddesses of the different heavenly planets, as well as in that they created all sorts of false gods of various things - for the masses of the people to believe in, and to worship, and for the people to be controlled thereby.

Astrology is a religion; it is a false religious belief, consisting of the belief in, and for the false worship of the created, alleged, false gods for the worship of the Sun, and for the Moon, and for the various heavenly planets, such as: the Sun-god, and the Moon-god, and the gods of Mercury, Mar, Saturn, Neptune and Pluto, and also of the created, false goddess for the worship of the planet Venus. False gods, astrology, paganism and witchcraft beliefs and practices were created to teach the masses of the people to believe things by **“blind faith,”** especially in order to go up to an illusionary Heaven. Also, it was created to teach the masses of the people to worship the created, alleged, false gods and goddesses of the Heaven above, and also all sorts of other false gods were created, including all sorts of false gods of earthly animals, plants, trees, and all sorts of false worship.

Secondly, the certain few knowledgeable individuals who created the lies and deceptions of astrology, also created the lies and deceptions that the various gods and goddesses of the heavenly planets came down to this Earth, and co-habited with mortal men and women, and in that the children from these alleged relationships were **“born of the gods and the goddesses”** of the Heaven above, and in that these children were to be accepted **“as gods and goddesses”** of the Heaven above, and also in that the masses of the people were to serve them - **“as an elite society.”** The false religious belief of **“virgin births”** started over 4000 years ago at the ancient Cities and Tower of Babel. The false religious belief in virgin births was based on the false belief that the gods co-habited with earthly women, and in that the alleged virgin women conceived children without the help of mortal men, and in that their children were to be as gods and goddesses for the masses of the people to worship.

Thirdly, the few knowledgeable individuals who created and established these false beliefs taught that the masses of the people were to be **“continually enslaved”** - to be as **“slaves, peasants, serfs”** - by and to the elite society, and in that the slaves, peasants, serfs were to worship and to serve the elite society - without question, especially because they established the lies and deceptions among the masses of the people that the elite society were born of the **“heavenly gods”** of the various heavenly planets, and in that they were allegedly to **“rule with heavenly authority of the false gods.”** Sadly to say, the lies and deceptions of the few knowledgeable men, who created the lies and deceptions of false gods, astrology, paganism, and witchcraft beliefs and systems, were **“blindly, and willingly, and freely”** accepted by the masses of the people; and thereby, the masses of the people sought to obey these false gods; and thereby, they allowed themselves to become **“slaves, peasants, serfs”** to the elite society; and they went forth to build their Cities and Tower of Babel.

The knowledge of the movements and predictions of the heavenly planets, and the lies and deceptions that were created thereby, were the major tools used to enslave the masses of the people as **“slaves, peasants and serfs”** for the elite society, especially by using the Name of God (rather by using the names of false gods). Throughout history, many **“new religious beliefs”** sprung up, yet astrological, paganism, and witchcraft beliefs and practices have always remained the major elements of **“all”** of the major religious beliefs of this Earth, even in this present time. For over the past 4000 years, the vast majority of people have continued to be enslaved (willingly) by the elite society of nations, especially because these evil beliefs and practices continued to exist, especially in that these evil beliefs were **“modified”** into all sorts of newer religious beliefs and practices, and of newer types of governments and economic system systems throughout the past history of people and nations. Also, these major tools of lies and deceptions were used in order to gain tremendous amount of riches and wealth by the deceptions, exploitation, oppression, enslavement, robbery, and even murder of the masses of the people, who **“willingly became enslaved;”** and these major tools were used to keep the masses of the people under the perfect power and control, and in perfect obedience to the elite society of nations.

Astrology is a false religious belief, and it has been the major part of **“all”** of the major religious beliefs throughout this entire Earth, even of this present time, and has been the major element of **“all”** man-made systems of governments, as well as has been the major element of the false, deceptive business, economic and financial system of this Earth to this present time. False gods, astrology, paganism and witchcraft beliefs, practices and systems involve the full control of the religious, and governmental, and economical affairs of the masses of the people from the time of the people’s birth, to the time of their death; and all nations and people have continued to be deceived, exploited, oppressed, enslaved, robbed, and even murdered by the elite society of nations because of these ancient, Babylonian’s astrological, paganism, and witchcraft beliefs, practices, and systems. Throughout history, the elite society of all nations and people have always been involved in false gods, astrology, paganism, and witchcraft beliefs, practices, and systems; and they have used these evil beliefs to try to keep the masses of the people in a state of continual cycle of enslavement.

It is now time to thoroughly and diligently examined, and see how and why so many of the masses of the people have for the past 6000 years **“freely allowed”** themselves to be continually enslaved, and to be looked down upon as being no more than **“slaves, peasants, and serfs”** by the elite society of **“all”** nations because the people **“blindly, and willingly, and freely”** accepting and believing in the **“lies and deceptions”** of evil, mortal men of warlords and deceivers (spiritual Serpents) - of false religious establishments, and of man-made systems of governments, and of the corrupt, economic system of this Earth. Secondly, it is very important to see and understand how that men, women and children was **“degraded by the creation of alleged false gods, astrology, paganism, and witchcraft”** beliefs and practices of ancient Babylon.

Witchcraft, and Astrology, and Predictions of the Future, and of Fortune

Astrology is not only an astrological practice of the worship of the created, false gods and goddesses of the heavenly planets, astrology is also a form of witchcraft; and it is an evil, spiritual force that **“spiritually entrapped”** many men and women who became involved in the practice of false gods and astrology and seeking predictions. The astrological **“horoscope,”** and its predictions, are based on element of false gods, and witchcraft of evil spirits.

The horoscope chart is divided into 12 segments, and the various segments are called houses, and the various houses were allegedly to be ruled by one of the false, astrological planet-gods, or planet-goddesses. The various astrological symbols of the planet-gods were placed in the different houses of the horoscope. The position of the different astrological symbol of the planet-god, or planet-goddess, in the horoscope chart was used to allegedly see whether or not the various astrological planet-god, or planet-goddess, were in agreement or favorable position to one another, or at war with one another, and thereby reading of the horoscope was done.

There are those who swear by the evil practice of reading of horoscopes, and of fortune tellers, and of seeking to know the future, past, or fortune of an individual, or themselves; and there are those who fully believed in the words of astrologers, and of fortune tellers, and of evil counselors. It must be noted that throughout history there have always been men and women who could predict certain things, even sinners, and even witches and warlocks - even without the use of any type of astrological horoscope. Also, it must be noted that **“most”** of the predictions and readings of astrologers, witches and warlocks, and of fortune tellers, palm readers, and evil counselors, have always been proven to be wrong, deceptive, and misleading, and have always resulted in **“confusion of mind”** for the person seeking the reading by these evil things. The true God promises to put confusion (of mind, spirit and life) upon all those who follow after false gods, astrology, paganism, and witchcraft beliefs and practices, and who seek advice of evil individuals; and the true God destroyed billions of people throughout this Earth, and throughout history, because of these evil things. Read Genesis 11:1-9, and see how the true God caused the masses of the people to have **“confusion”** of mind, and in that they started to fight against one another because of their false beliefs in false gods, astrology, paganism, and witchcraft, and also see how that the true God caused the masses of the people to be cursed and to be scattered from their Cities and Tower of Babel. All throughout the Holy Scriptures it is shown how that individuals, and even entire nations, were driven to confusion, and to wars, suffering, and scattering because of their false beliefs. How many men and women made wrong decisions in their life because of following the advice of evil counselors in all segments of society, including in the areas of religions, governments, businesses, investments, and finance - instead of seeking the true God of the Universe, and in looking to him for his perfect leading in every area of life?

The reading of the horoscope and seeking after fortune tellers are not harmless practice; rather, these evil things are evil practices; and these evil things involve witchcraft, especially because **“evil spirits and evil influence”** are involved in the reading of the horoscopes, and in the fortune telling by evil individuals. Everyone should become fully aware that there are **“evil spirits”** on this Earth, and that there have been **“evil spirits”** on this Earth since the time of Adam and Eve in the Garden of Eden to this present time. Adam and Eve were confronted, and tempted, and deceived by an **“evil spirit”** that manifested itself in the form of the Serpent. When men and women become involved in the evil practice of horoscope and fortune tellers they become involved in the worship of false gods, astrology, paganism, and witchcraft beliefs and practices, as well as in that they become involved with evil spirits and evil spiritual influence. There have been individuals who were able to tell the future of some individuals; yet, when these individuals are men and women who are involved in the worship and beliefs in false gods, astrology, paganism and witchcraft beliefs and practices, or in any type of false worship, they are all influenced by evil spirits, especially because evil, spiritual forces are involved in all of these things.

Throughout the Holy Scriptures there were witches, and there were those who had familiar spirits, and even there were false prophets who made predictions. Seeking advice and wanting to know one’s fortune by going to witches, wizards, fortune tellers, astrologers, and false prophets have always brought forth confusion of mind and of spirit, and eventually has brought forth destruction and death to many individuals, people and nations throughout history. The Holy Scriptures command **“to put to death”** all witches and wizards, as well as to put to death all those who become involved in the practice of false worship (false gods) and astrology. Read and see how that King Saul of Israel were cursed and destroyed because of going to an individual who was involved in witchcraft (the occult).

In I Chronicles 10:13-14 it is written: “So Saul died for his transgression which he committed against the Yehovah, even against the Word of the Elohim, which he kept not, **and also for asking counsel of one that had a familiar spirit, to inquire of it;** And inquired not of the Yehovah: therefore he slew him, and turned the kingdom unto David, the son of Jesse.”

During the time of the reign of the kings of Israel, there was a king by the name of Ahaziah who sought the advice of a false god (seeking after false religious belief). Read and see what true God told the king, and see how that this king of Israel was cursed and died by the Hand of true God because of seeking the advice of a **“false god.”**

In II Kings 1:1-6 it is written: “Then Moab rebelled against Israel after the death of Ahab. And Ahaziah fell down through a lattice in his upper chamber that was in Samaria, and was sick: and he sent messengers, and said unto them, Go, inquire of Baal-zebub the god of Ekron whether I shall recover of this disease. But the angel of the Yehovah said to Elijah the Tishbite, Arise, go up to

meet the messengers of the king of Samaria, and say unto them, Is it not because there is not a Elohim in Israel, that you go to inquire of Baal-zebub the god of Ekron? Now therefore thus says the Yehovah, you shall not come down from that bed on which you are gone up, **but shall surely die.** And Elijah departed. And when the messengers turned back unto him, he said unto them, Why are you now turned back? And they said unto him, There came a man up to meet us, and said unto us, Go, turn again unto the king that sent you, and say unto him, Thus says the Yehovah, Is it not because there is not a Elohim in Israel, that you send to inquire of Baal-zebub the god of Ekron? Therefore you shall not come down from that bed on which you are gone up, **but shall surely die.**”

(Also read: I Samuel 28:1-25; I Kings 13:1-32)

All throughout the true, Holy Scriptures, the true God warns against, and strictly forbid the belief in, and the practice of the worship of the Sun, and of the Moon, and of the heavenly host (the planets), as well as strictly forbid the belief in and the practice of paganism and witchcraft, and of any type of false god and false worship (of any type of false religious belief). The true God commands to put to “**death**” all those who follow after false gods, astrology, paganism and witchcraft. Read some of the Holy Scriptures of the Old Testament where the true God strictly forbid the worship of false gods. It must be noted that so many of the false gods that are listed in the Old Testament were false gods of the astrological, pagan and witchcraft beliefs, practices and worship.

In Deuteronomy 17:1-6 it is written: “You shall not sacrifice unto the Yehovah your Elohim any bullock, or sheep, wherein is blemish, or any evil-favouredness: for that is an abomination unto the Yehovah your Elohim. If there be found among you, within any of your gates which the Yehovah your Elohim gives you, man or woman, that has wrought wickedness in the sight of the Yehovah your Elohim, in transgressing his Covenant, and has gone and **served other gods,** and worshiped them, **either the Sun, or Moon, or any of the host of Heaven,** which I have not commanded; And it be told you, and you have heard of it, and inquired diligently; and, behold, it be true, and the thing certain, that **such abomination** is wrought in Israel: Then shall you bring forth that man or that woman, which have committed that wicked thing, unto your gates, even that man or that woman, and **shall stone them with stones, until they die.** At the mouth of two witnesses, or three witnesses, shall he that is worthy of death be put to death; but at the mouth of one witness he shall not be put to death.”

“You shall have no other gods before me. You shall not make unto you any graven image, or any likeness of any thing that is in Heaven above, or that is in the Earth beneath, or that is in the water under the earth. You shall not bow down yourself to them, nor serve them: for I the Yehovah your Elohim am a jealous Elohim, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me;” (Exodus 20:3-5)

“You shall not make with me gods of silver, neither shall you make unto you gods of gold.” (Exodus 20:23) “You shall not bow down to their gods, nor serve them, nor do after their works: but you shall utterly overthrow them, and quite break down their images. (Exodus 23:24) “You shall make no covenant with them, nor with their gods. They shall not dwell in your land, lest they make you sin against me: for if you serve their gods, it will surely be a snare unto you.” (Exodus 23:32-33)

“For I will pass through the land of Egypt this night, and will smite all the firstborn in the land of Egypt, both man and beast; and **against all the gods of Egypt I will execute judgment: I am the Yehovah.**” (Exodus 12:12) “For the Egyptians buried all their firstborn, which the Yehovah had smitten among them: upon their gods also the Yehovah executed judgments.” (Numbers 33:4) “And it shall be, if you do at all forget the Yehovah your Elohim, and walk after other gods, and serve them, and worship them, I testify against you this day that you shall surely perish. As the nations which the Yehovah destroyed before your face, so shall you perish; because you would not be obedient unto the voice of the Yehovah your Elohim. (Deuteronomy 8:19-20)

“These are the statutes and judgments, which you shall observe to do in the land, which the Yehovah Elohim of your fathers gives you to possess it, all the days that you live upon the Earth. You shall utterly destroy all the places, wherein the nations which you shall possess served their gods, upon the high mountains, and upon the hills, and under every green tree: And you shall overthrow their altars, and break their pillars, and burn their groves with fire; and you shall hew down the graven images of their gods, and destroy the names of them out of that place.” (Deuteronomy 12:1-3)

Holy Scriptures Condemning Astrology: Deuteronomy 4:19; 13:2-7; 13:13; 17:3-6; Isaiah 44:9-20; Isaiah 44:24-26; Isaiah 47:3-15; Jeremiah 7:6; 7:9; 7:18; 8:2; 10:2; 19:13; 32:29; 44:17-25; Amos 5:26-27; Daniel 3:12, 14, 18.

Holy Scriptures Condemning False Gods: Exodus 20:3; 20:23; 23:13; 23:24; 23:32-33; Numbers 25:2; 33:4; Deuteronomy 8:19; 12:2-3; 12:30-31; Ezekiel 20:7-9.

Examining in Detail Some of the Major Beliefs of the Mass Deceptions, and Entrapment of the False Beliefs of Ancient Babylon

As mentioned previously, the beliefs in false gods, and in astrology, paganism, and witchcraft beliefs and practices have been used to deceive and entrap **“all”** nations and people throughout this entire Earth into a cycle of continual enslavement as **“slaves, peasants and serfs”** by and for the elite society since the time of the establishment of the ancient Cities and Tower of Babylon, until this present time of modern, hi-tech society. It is very important, and it is now time, to thoroughly and diligently examine, know, understand, and see exactly how these ancient, false beliefs of the ancient Cities and Tower of Babel were incorporated into the religious, and political, and economic structures of **“all”** nations and people. Some of these major beliefs and practices are:

#1 Created Hatred for, and Rebellion Against the True God, and Against his Righteous Government-Kingdom and Holy Laws

Hatred for, and rebellion against the true God of the Universe, and against his righteous Government and Holy Laws, and against his Perfect Will, started in the Garden of Eden, and were manifested before the Flood of Noah, and after the Flood of Noah at the ancient Cities and Tower of Babylon (ancient Mesopotamia). The people at the ancient Cities and Tower of Babylon deliberately created their Cities and Tower of Babel, with their newly created false religious beliefs in wilful defiance and rebellion against the true God of the Universe. All of the major religious beliefs of **“all”** nations of this present time go against the true God of the Universe, and go against his righteous Government-Kingdom and Holy Laws, and also go against his Perfect Will, including in the area that the people are to have land ownership, and are to be **“tillers-farmers”** of this Earth. False religious writings, and false religious texts, and false beliefs and practices were established to have great hatred for, and to go against the true God of the Universe, especially for the benefit of the elite society. As mentioned previously, one of the most effective ways that has been used to deceive so many of the masses of the people throughout history was to take a certain amount of **“truth, and mix the truth with all sorts of deceptions.”** The elite society of all nations have always used the Name of God (rather, the name of false gods) in order to created **“slave religions”** for the masses of the people, and in order to try to keep the masses of the people in perfect obedience and control under them, and for to be continually exploited.

All false religious beliefs, and all man-made systems of governments, and the man-made economic system, have some elements of **“truth,”** and have some elements of economic growth, prosperity, goodness, freedom, and promises of great joy and happiness within them. Yet, all false religious beliefs, and all man-made systems of governments, and the corrupt economic system are all in rebellion against the true God; and these things

teach the masses of the people to live in wilful defiance and in rebellion against the true God of the Universe, and against his Government-Kingdom and Holy Laws, and also against his Perfect Will. When men and women pray to, or sacrifice to, or worship, or honor any false god (any false religious belief), they are doing so to devils - to evil spirits, especially because **“all false gods (all false religious beliefs),”** come from evil spirits. It must be reminded that Adam and Eve rejected the righteous and true God; and they rejected the Holy Law of the true God; and they believed in, and bowed to the evil spirit the Serpent in the Garden of Eden (they bowed to a false god). (Read: Leviticus 17:7; Genesis, Chapter 3) The cunning deception of mixing **“truth with deceptions,”** and of mixing **“promises of goodness with evil”** have deceived billions of people throughout the history of all nations and people throughout this Earth. Because of these evil things, the true God of the Universe has **“laid aside, and abolished, and done away with,”** billions of people by his Great Wrath of Judgment. Since the Garden of Eden to this present time the true God of the Universe has always had, and has, **“zero tolerance”** for the acceptance thereof, and belief in, and the worship of false gods, astrology, paganism, witchcraft, and for all false beliefs, and for the laying aside, modifying, and trying to abolish his Holy Laws and his Perfect Will by any individual, people, or nation. The righteous Government-Kingdom and Holy Laws, and the Perfect Will of the true God of the Universe, are **“not”** abolished, nor done away with; and absolutely **“no one”** can lay aside, nor modify any of the Holy Laws of the true God of the Universe, not even for new conditions.

Evil Men Infiltrating the True Ministry and True Worship of the true God of the Universe - Since the Garden of Eden to this present time, evil men and evil women have always infiltrated the true ministry, and the true worship, and the true, righteous Houses of Worship of the true God with well-planned, cunning intentions to pervert the Holy Laws of the true God of the Universe, and to deliberately misled those who try to serve the true God. Can men and women trust men and women who portray an image of piety, and ultra-piety, and of being religious, yet at the same time they go against the true God, and against his Holy Laws? Sadly to say, throughout history because so many men and women did not thoroughly know, and understand the Holy Laws of the true God on an independent basis, and because they did not thoroughly question many things, and also because of just following after false religious authorities, and false religious teachings, and just following orders, multi-billions of innocent men, women and children were deliberately misled into going into wrong directions, and to committing great sins and evil deeds, and even in being misled to their death by evil individuals who infiltrated religious Houses of Worship that were trying to do that which was right. In addition to the infiltrating of the true ministry and true worship of the true God, there has always been the infiltration of evil and wicked men and women into good organizations, schools, universities, good sciences and technologies, the media, businesses, and in the encouragement of the destruction of marriages, families, and social relationships. All of these things must be confronted and destroyed from this Earth **NOW!**

Seeking Security in Mortal Beings - Mortal beings' first civilization after the Flood of Noah was established because of the people seeking for **“man-made”** security, and because they were fearful, and thereby they built their illusionary, golden City of Babel. Secondly, it is shown how that the Israelites wanted their evil, elite society because of seeking for **“man-made”** security, and because they were fearful, and thereby they wanted their monarch system of government of evil, elite society of tyranny to rule over them, which system of government led them to their suffering, poverty, suffering, scattering and all sorts of hardship. Read the Holy Scriptures concerning men and women desiring to live under tyranny of elite societies because of seeking for **“man-made”** security and fear. Read: Genesis 11:1-9; I Samuel 8:1-22; I Samuel 12:1-25; Hosea 13:9-11; Judges 8:23; I Kings 6:11-14; I Kings 9:1-9; II Kings 17:1-23; 21:1-16; 22:15-17; 25:1-10. Also read: Deuteronomy 28:1-68; Leviticus 26:1-41.

#2 Kings, and Queens, and the Creation of the Elite Society - By the Blind Acceptance of So Many of the Masses of the People

The belief in, and the setting up of kings and queens ~ the setting up of the elite society, and of the evil beliefs of kings and queens having divine authority to rule over the masses of the people, and of the masses of the people submitting and bowing down to, and of being submissive, and fully obeying man-made kings and queens of this Earth, came from the ancient Cities and Tower of Babylon, and from its evil beliefs in false gods, astrology, pagan and witchcraft beliefs and practices. The establishment of an elite society **“is in wilful rebellion,”** and **“is in wilful defiance”** against the true God of the Universe, and is against his righteous Government-Kingdom and Holy Laws, and also is against his Perfect Will for all people and nations.

Powerlessness of the Elite Societies, and of Kings and Queens - The elite society of all nations, and of kings and queens, and of **“all”** man-made governments, and of the false religious establishments, and also of the organized, financial, economic criminals of this Earth, are all **“powerless”** in every area, and in the fullness thereof - without the **“blind acceptance, and prayers for, and full support, and perfect obedience thereto,”** of the masses of the people, even in this present time. It is by the power of continual, massive lies and deceptions, and by the full acceptance of all sorts of lies and deceptions that were created by the elite society of nations that so many of the masses of the people, even in this present time, have been **“degraded,”** enslaved, exploited, oppressed, robbed, and even murdered by the elite society of nations. Even all evil, cruel dictators are all **“powerless”** without the support, and silent majority of the masses of the people. False religious beliefs, and mis-using the Name of God have always been the main tools that have been used to continue to deceive, and to degraded, enslaved, exploit, oppress, rob, and even to murder masses of the people. How many men and women today have **“blindly accepted”** all sorts of false religious beliefs, and have never **“thoroughly and diligently”** examined their religious beliefs, and also their man-made system of government, and the false economic system of this Earth? It is alleged that over 250 million people died needlessly, rather were

slaughtered needlessly (including many religious men and women) in the last century, especially because of the people **“blindly believing in,”** and accepting all sorts of false religious beliefs, and false ideologies, and man-made systems of governments, and also because of **“not thoroughly and diligently”** examining the various beliefs of this Earth, and especially for failing to seek the true God of the Universe, and of his true, Holy Word and Holy Laws. Even in this present time, how many men and women would like to know the truth of their religious beliefs, and of the true history of their religious beliefs? The true God of the Universe will never accept, nor tolerate the false religious belief of any individual, family, people, city, nor nation on this Earth, regardless how diligent and sincere a person may be in their religious belief. Since the time of the ancient Cities and Tower of Babylon unto this present time all man-made systems of governments have collapsed and have been destroyed by the Great Wrath of Judgment of the true God of the Universe because they have all been, and are all in total rebellion and in defiance against the true God of the Universe, and are against his righteous Government-Kingdom and Holy Laws, and also are against his Perfect Will, and in that the **“elite society”** is also brought down and destroyed, along with so many of the masses of the people, because of the people **“blindly, and freely, and willingly”** accepting and believing the lies and deceptions of evil individuals in religion, and in man-made governments, and in the corrupt, economic system.

Powerlessness and Hopelessness of the People - So many men and women have felt a sense of powerlessness and hopelessness in the face of powerful, elite societies, and of their warlords. The elite societies are **“all powerlessness”** in every area and way, even the military; yet, the elite societies are **“powerful”** when so many of the masses of the people **“blindly follow after them,”** and seek them for all sorts of false securities, and in that so many of the masses of the people blindly accept their lies and deceptions in every area of life. **Most important,** men and women must understand that it has always been because so many of the masses of the people rejected and rebelled against the true God, and against his Government-Kingdom and Holy Laws, and also against his Perfect Will, that they allowed themselves to be reduced to a state of powerlessness, and of hopelessness, as well as to constant state of deception, enslavement, exploitation, oppression, robbery, and even murder, by the elite societies of this Earth. When men and women reject and rebel against the true God of the Universe, and they reject and disobey his righteous Government-Kingdom and Holy Laws, and also his Perfect Will, then they become **“powerless”** in every area, especially in the face of warlords and the evil, elite societies of this Earth. Since the Garden of Eden, and of Adam and Eve, and to this present time, the true God of the Universe has always had, and has even today, **“zero tolerance”** for rebellion against him, and against his Government-Kingdom and Holy Laws, and against his Perfect Will. Open up one’s eyes and see how that the true God of the Universe brought down and destroyed **“all”** of previous man-made civilizations with their cities and governments, and also in that the elite societies were also destroyed, along with so many of the masses of the people. It is now time for **“all”** people and nations to open up their eyes and see exactly why so many of the masses of the people of all nations were made powerless against the evil, elite societies. Adam and Eve were made naked - they were made powerless - when they rejected and

rebelled against the true God of the Universe. Throughout the history of the Israelites they were always made powerless, and they were cursed and scattered, and continued to suffer all sorts of evil because of turning to and accepting of all sorts of “false gods” (false religious beliefs, false religious sages, false elders, and false man-made governmental beliefs), even to this present time. Whenever the Israelites repented and turned back to the true God of the Universe, and they returned back to his Holy Laws and Government, it was only then that the true God delivered them, and in that they regained sovereignty and blessings. In this present time, it is to the Perfect Will of the true God of the Universe for “all” people and nations to repent, and to return back to the true God of the Universe, and in that “all” people and nations learn, understand, know, accept, and live “only” under him, and live “only” under his Government-Kingdom and Holy Laws, and also do his Perfect Will, including in having land ownership, and in being diligent, good tillers of this Earth.

Bloodline of the Elite Societies Since Ancient Babylon? - It is alleged in this present time that there is a “bloodline” of the elite society since the time of ancient Babylon, and that allegedly continued to exist to this present time. It must be known and understood that throughout history, the true God of the Universe always had the “entire elite society” of all people and nations throughout this entire Earth to be totally destroyed because they were all in defiance and in rebellion against him, and in that their cities and nations were also destroyed and totally abandoned. Read the Old Testament, and see how that the true God totally eliminated the entire “bloodline” of many of the kings of Israel (entire families were destroyed), and also of the many nations that surrounded the Israelites. There are no historic records that can prove the alleged bloodline of kings and queens of the elite society of ancient Babylon, nor of ancient Egypt, and not even of the Israelites to this present time. Instead there are only fabricated records, and fabricated, alleged histories of lies of alleged bloodlines. It is very important for everyone to know and understand that there have always been “fabricated” historic records and documents, and also “true” historic records and documents. A person must thoroughly examine, and see whatever deceptions that may be in any history book, and of alleged historic documents. Also, it must be remembered that for the past 6000 years, all people and nations have always been constantly lied to by the evil, elite society of all nations throughout this Earth.

#3 The Creation of the Illusionary Belief of a Utopia-Golden Age Society - by the Well-Planned Deceptions of the Elite Societies

The creation of the illusionary beliefs in a “Utopia Society” started at the ancient Cities and Tower of Babylon with the beliefs in false gods, astrology, paganism, and witchcraft, including with the illusionary belief of constantly waiting to go up to the Heavens above, or of waiting to go up to Paradise, and of constantly waiting for a deliverer, prince, meshiach to come forth to save the people, and also of constantly waiting for the illusionary, Utopia-Golden Age. Throughout history, the creation of an illusionary beliefs in a Utopia Society took on different forms, including in the development of all sorts of newer beliefs that promised an illusionary Utopia society, and/or constantly waiting for a greater

society, or greater economic growth and prosperity by the elite society. Additionally, the belief in democracy, and of great freedom and financial wealth and securities, and also the belief in communism, and all other types of beliefs of grandeur, for the masses of the people, and in that men and women can live without, and live in rebellion against the true God, and against his righteous Government-Kingdom and Holy Laws, are all deceptive beliefs in an illusionary, Utopia Society for the masses of the people.

#4 **Man-made Systems of Governments, and Man-made Laws and Bylaws, of Corruption for the Masses of the People to be Exploited Thereby**

The creation and the establishment of all sorts of man-made systems of governments, and man-made courts and judges, and man-made laws, bylaws, ordinances, statutes, bills, licensing, permits, zoning, regulations, and all sorts of laws of oppression started at the ancient Cities and Tower Babylon. All man-made systems of governments, with their courts and judges, and with their corrupt and deceptive laws and bylaws were specifically well-planned, and perfectly designed by the **“elite society”** to benefit the **“elite society,”** and also were specifically well-planned, and perfectly designed by the **“elite society”** in order to **“deceive, enslave, exploit, oppress, rob, and even murder”** so many of the masses of the people, and in that the masses of the people always live in, and always be entrapped to a constant state of being as no more than as **“slaves, peasants, serfs”** for the elite society. All man-made systems of governments, courts, judges, and laws are no more than well-planned, **“organized, criminal systems.”** Most important, **“all”** man-made systems of governments, courts, judges, and laws and bylaws throughout this entire Earth are against, and are in wilful rebellion, and are in wilful defiance against the true God of the Universe, and are against his righteous Government-Kingdom and Holy Laws, and also are against his Perfect Will, including all democratic, and communist, and socialist systems of governments.

Can mortal men and women go forth and accept the lies and deceptions of their warlords-government men, and evil bankers, and evil merchantmen, and establish their own man-made systems of governments, and man-made laws and bylaws throughout this entire Earth, which **“all”** man-made governments, and man-made laws and bylaws are in rebellion against the true God of the Universe, and are against his righteous Government-Kingdom and Holy Laws, including **“all”** forms of taxation, and debts of enslavement? Can frail, mortal men and women have their **“illusionary freedoms, sins, iniquities, and wickedness,”** and their **“illusionary Civil Liberties,”** and their **“illusionary Bills of Rights,”** and also their various types of man-made governments, and man-made laws, and live in rebellion and in defiance against the true God of the Universe, and not be punished? Open up the Old Testament, and see how that the true God dealt with all people and nations since the Garden of Eden to this present time. Open up the Old Testament, and see how the true God executed his Great Wrath of Judgment against Adam and Eve, and against the people in the Flood of Noah, and against Sodom and Gomorrah, and against the Egyptians, and against the Israelites. Open up the Old Testament, and see how that it was the true God who gave the Israelites into the hands of their enemies for over the past

2800 years, from the time of 760 B.C.E. to 1948 C.E., because of their rebellion against the true God, and against his Holy Laws. Open up the history books, and see how that **“all”** people and nations throughout this entire Earth have also suffered by the Great Wrath of Judgment of the true God going forth against them. Open up one’s eyes today, and see how that **“all”** nations of man-made systems of governments are now collapsing into total destruction with absolutely **“NO recovery”** because of the Great Wrath of Judgment of the true God is now going forth in order to bring down, and to totally destroy **“all”** man-made systems of governments throughout this entire Earth - along with the total destruction of **“all”** elite societies, and the attempt of a New World Order throughout this entire Earth.

Man-made Governments of Tyranny, and Man-made Laws of Tyranny - When mortal men and women rebel against, and defy the true God of the Universe, and in that they reject and rebel against his righteous Government-Kingdom and Holy Laws, and also rebel against his Perfect Will, **“then they automatically”** turn to, and blindly, and willingly, and fully accept man-made governments of tyranny and of warlords, demagogues, and madmen, as well as fully accept to live under all sorts of man-made laws of tyranny, including of oppressive taxation, land and property confiscations, enslavement, exploitation, robbery, and of being destroyed - by their own freewill. In this present time, open up one’s eyes and see how so many men and women have rejected the true God, and have been taught to hate the true God, and to hate his Ten Commandments and Holy Laws, and righteous Government-Kingdom. On the other hand, open up one’s eyes, and see how that all sorts of man-made laws and bylaws, taxation, land and property confiscations, enslavement to creditors/bankers, deceptive investments, and all sorts of evil programs, have been, and are even now being introduced, to try to reduce men and women to being jobless and homeless, and to an attempt of **“global enslavement and tyranny,”** and also of an attempt of some sort of **“New World Order”** - by the people’s own governments. Truly, it is, and it has always been, by the **“free-will”** of the people that they **“fully allowed”** themselves to become deceived, oppressed, enslaved, robbed, and even murdered by the hands of their own government. **WHY?** It is because they have rejected and rebelled against the true God of the Universe, and have rejected and rebelled against his Government-Kingdom and Holy Laws, as well as rejected and rebelled against his Perfect Will. For the past 6000 years, since the time of Adam and Eve to this present time, the vast majority of the masses of the people of nations have constantly listened to, accepted, and fully obeyed the Voices of the Serpent being manifested in evil men and women, and in many forms, and in that mortal men and women have always wanted **“to be gods”** unto themselves, and have wanted to live without the true God of the Universe, and without his Government-Kingdom and Holy Laws. **WAKE up all people and nations!** You cannot, and will not ever, **“be as gods”** unto yourself, nor over others, and especially not **“be as gods”** like unto the Most, High God of the Universe. You, and everyone on this Earth, are created to fully love, serve, obey, have faith in, and serve **“only”** the true God of the Universe, and to live **“only”** under his Government-Kingdom and Holy Laws, and are created to do his Perfect Will here on this Earth. Everyone must know and understand that when men and women turn away from the true God of the Universe they automatically become deceived and enslaved by their own free-will, even unknowingly. It is now time for

“repentance,” and for returning back to the true God of the Universe in every area of life, and in the fullness thereof.

#5 The Deceptive System of Forming of Corporations With Their Bureaucracies of Organized Labor

The system of organized labor with its networks of bureaucracies in order to have “**mass production**” of farm labor for foods, and in order to have “**mass production**” of all sorts of goods and products, and in order to build large building structures, and also in order to have the “**pooling of money and resources**” for the sole benefit of the elite society started at “**ancient Babylon**” (ancient Mesopotamia) - over 4000 years ago.

The entire corporate system was created in defiance against the true God of the Universe, and is against the Government-Kingdom and Holy Laws of the true God of the Universe. The corporate system strives upon the deceptions, enslavement, exploitation, and robbery of the masses of the people by various means. Throughout history, and throughout this entire Earth, the true God of the Universe brought down, and is now bringing down, all forms of corporate entities because the corporate system, and all corporations are in defiance against him, and are against his righteous Government-Kingdom and Holy Laws, and are against his Perfect Will.

#6 Interest Rates and Late Fees (the Practice of Usury and Unjust Gains) Being Charged Upon the Masses of the People

The evil and robbery system and practice of “**charging of interest rates**” upon the masses of the people started over 4000 years at the ancient Cities and Tower of Babel. At ancient Babylon (ancient Mesopotamia), the people knew how to take gold, silver, and copper, and to mint coins from these mineral wealth, and to use these minted coins in business and commerce. Since it was much easier to deal with minted coins in business instead of in large commodity items of barter, the evil and robbery practice of “**charging interest rates**” upon the people for the using of the minted coins came into practice. The charging of “**interest rates and late fees**” upon the people is the system of “**usury and unjust gains;**” and these things are totally against the true God of the Universe; and these evil things are against his Government-Kingdom and Holy Laws.

The evil practices of “**charging of interest rates**” in order to receive interest rates - is to receive “**unjust gains.**” The evil practice of putting out one’s money to usury (to be used) in order to receive interest rates - is to receive “**unjust gains.**” Secondly, the evil practice of charging of late fees on any type of debt the people - is to receive “**unjust gains.**” Thirdly, the evil practices of setting up of any type of corporation, mortgage and finance companies, college student loans, and the investing of (putting out one’s money into corporations) of any type of investment programs (because all corporations involved “**usury and unjust**

gains”) - is to receive **“unjust gains.”** The evil practice of usury and unjust gains of the charging, and the receiving, of interest rates and late fees are no more than the well-planned theft and oppression of the masses of the people. All of these evil business practices and systems are in rebellion, and are in defiance against the righteous Government-Kingdom and Holy Laws of the true God for all people and nations. The Holy Laws of the true God **“strictly forbids”** the practice of usury and unjust gains either way (the charging, and also the receiving of interest rates), including by investments of stocks and bonds, and any type of investment that gives interest rates, and that receive interest rates. There was **“never a need”** to charge interest rates and late fees at any time in the history for any reason whatsoever, and also there was **“never a need”** to establish, nor to invest into any type of corporation, including by means of buying of stocks, bonds, mutual funds, pension funds, and all sorts of deceptive investments, especially because **“all”** of them. If the masses of the people would have fully accepted, served, loved, and obeyed the true God, and obeyed and lived **“only”** under his Government-Kingdom and Holy Laws, and if the people would have had land ownership (land freely given to them) and also had their own small businesses, there would never have been the evil economic system of this Earth, nor the need for renting of real estate properties, nor for any type of mortgage on this Earth.

Read the Holy Scriptures Against the Charging of Interest Rates (Usury and Unjust Gain): Exodus 18:13-23; Exodus 22:25-26; Leviticus 19:14; Leviticus 25:36-37; Deuteronomy 23:19-21; Psalm 15:1-5; Proverbs 28:8; Isaiah 24:1-5; Isaiah 33:15; Isaiah 58:1-14; Jeremiah 15:10; Jeremiah 22:18-20; Jeremiah 34:1-22; Ezekiel 18:1-32; Ezekiel 22:1-27; Zechariah 5:1-4; Zechariah 8:16-17; Habakkuk 2:1-13; Nehemiah 5:1-18.
Read the Holy Scriptures Against Greed - Obtaining Greed by Evil Deeds: Proverbs 1:19; Proverbs 13:11; Proverbs 15:27; Isaiah 33:15.

Question: How many **“evil banking systems, and mortgage companies, and finance companies, and all sorts of corporations”** came into being because the people were deceived into investing their hard-earned money into all sorts of deceptive investment programs in the Cities of Babel of this Earth? In this present time, how many tens of millions of people have been deceived and robbed by evil individuals in the banking and investment systems, and by mortgage companies, and by finance companies, and also by corporations, even of their entire life savings? How many men and women were deceived by all sorts of deceptive corporate jobs and careers? How many banking and investment systems, and mortgage companies, and finance companies, and all sorts of corporations - all with their investment programs - have collapsed, and are now collapsing, into total destruction with absolutely no recovery, and in that multi-millions of people have lost their entire life savings of investments, as well as of there being the destruction of multi-millions of jobs? There is absolutely no job, nor financial security in deceptive, illusionary Cities and Towers of Babel of this Earth, especially because all of these evil things are in rebellion, and are in defiance against the true God of the Universe. Instead of financial securities, today there is massive confusion and fears among the masses of the people throughout this Earth.

Throughout history, because the elite society of nations confiscated land property from the people (and by not freely giving of land property to the people), and by forcing the masses of the people to live in cities, and in order to pay for needless rent, and for needless mortgages (because of not having land property), and also by forcibly levying all sorts of deceptive laws and bylaws, taxation, tolls, tributes and customs upon the masses of the people, the people were left with very little of their hard earned income; therefore, there was the **“created needs to borrow.”** Because of borrowing, there was the interest rates (usury and unjust gains) placed upon the masses of the people. By constant borrowing, there was the created continually enslavement to creditors, and bankers, and government men of the elite society. Taxation, mortgages, needless renting of properties, needless mortgaging of properties, and the needless charging of interest rates and late fees upon the masses of the people, have all been perfectly well-designed and used by the elite society of government men, and by bankers, and by evil businessperson, in order to deceive, entrap, continually enslave, and rob the masses of the people out of their hard earned incomes, and in that the masses of the people have always been left with very little, and have always been kept in a state of continual enslavements, and of being viewed as being no more than **“slaves, peasants, serfs”** for the sole benefits of the elite society of nations. How many multi-trillions of dollars have been made each year by the well-planned enslavement of the masses of the people throughout this entire Earth by the elite society of nations?

In this present time, there would **“not”** be the taxation, and the debt and mortgage crisis, and the collapsing of corporations of today; nor the deception and massive theft therein; nor the collapsing thereof, of the entire economic structure of nations; nor the loss of homes, farms and businesses; nor the deceptive national and city debts, and international debts - if all nations and people would have fully knew of, and fully obeyed the righteous Government-Kingdom and Holy Laws of the true God of the Universe, and also obeyed his Perfect Will. Secondly, there would **“not”** be the **“joblessness,”** nor the **“homelessness,”** nor the emotional and spiritual turmoil, stress and anxiety of the masses of the people throughout this entire Earth now in this present time - if all nations and people knew of, and obeyed the true God, and obeyed his righteous, Holy Laws. Also, in this present time, there would **“not”** the massive destruction of areas, cities and nations by the **“Winds, and the Whirlwinds, nor the deadly, geographical disasters and earthquakes”** of the Great Wrath of Judgment of the true God of the Universe being manifested in this present time throughout this entire Earth - if people, cities and nations would have fully accepted, loved, served, and obeyed the true God of the Universe, and would have lived **“only”** under, and obeyed his Government-Kingdom and Holy Laws in every area, and if all of the people would have **“justly divided”** the land areas of this Earth, and would have **“freely given”** the allotments of land property to the people as a generational property with Title Deed thereto, and also if the people went forth to do the Perfect Will of the true God of the Universe in being diligent, good tillers of this Earth on their own land property, as well as had local, small and mid-sized businesses and industries.

When will mortal men and women **“WAKE-up,”** and see how important it is to always perfectly know, understand, and obey the true God of the Universe, and know, understand, obey, and live **“only”** under his righteous Government-Kingdom and Holy Laws? When will mortal men and women **“wake-up,”** and see how that all people and nations have been, and were deceived, since the time of Adam and Eve in the Garden of Eden unto this present time because of accepting and believing of so many things by **“blind faith”** of others, including of false religious beliefs, and of man-made systems of the governments, and of the false, deceptive, slavery economic systems of this Earth, and also of mortal men and women constant desire in wanting to **“be as gods”** unto themselves, instead of perfectly knowing and obeying the true God of the Universe, and in perfectly knowing, accepting, obeying, and living **“only”** under his righteous Government-Kingdom and Holy Laws, and in seeking to do his Perfect Will for mortal men and women here on this present Earth, and to do so for these next 1000 years, and also to do so forevermore throughout eternity.

#7 Taxation, Tributes, Tolls, and Customs - and Well-Planned, Continual Theft, and Enslavement of the Masses of the People

The evil practice of levying thereof, and the forcible theft of the masses of the people thereby, by the creation of all sorts of **“taxation, tolls, tributes, and customs”** upon the masses of the people started over 4000 years ago at the ancient Cities and Tower of Babylon (ancient Mesopotamia). The **“elite society of the warlords, deceivers, demagogues, evil men in businesses, and of the false religious leaders”** of the ancient Cities and Tower of Babel, fully believed that the masses of the people were to serve them (to be enslaved to them as being no more than **“slaves, peasants, serfs”**), and in that a large percentage of the people’s labor and incomes fully belonged to them, especially because they believed that they were allegedly to have been born of the astrological gods and goddesses, and were allegedly to have had divine authority, and were allegedly to be taken care of by the masses of the people. The evil practice of levying thereof, and the forcible theft of the masses of the people thereby, by the creation of all sorts of **“taxation, tolls, tributes, and customs”** upon the masses of the people, especially in order to forcibly steal from the masses of the people, and in that the masses of the people be kept in a continual state as being no more than **“slaves, peasants, serfs”** to the elite society, is totally against the true God of the Universe, and is against his righteous Government-Kingdom and Holy Laws, and also is against his Perfect Will. Secondly, how has taxation been used to finance continual, unjust wars throughout this Earth, and to finance all sorts of deceptive, government departments and bureaucracies, and especially to finance the evil, luxurious lifestyle of the elite society in the Cities and Towers of Babylon throughout this Earth, even in this present time.

There was **“never a need for any type”** of taxation, tolls, tributes and customs to be placed upon the masses of the people of any nation at any time in the history since the time of Adam and Eve in the Garden of Eden to this present time. Throughout history, the true God of the Universe destroyed **“all”** man-made civilizations of cities and nations of Babylon

by his Great Wrath of Judgment because evil men in the various governments lived in great luxury by the evil system of **“taxation, tolls, tributes, and customs”** of the masses of the people, and by the continual theft, enslavement, and oppression of the masses of the people, and also because evil men in man-made governments sought to confiscate the incomes, homes, farms, land, businesses, and various properties of the masses of the people, especially by brut, military force, and also by all sorts of evil laws and bylaws, including by the evil laws of **“eminent domain.”** The true God of the Universe has never allowed, nor will ever tolerate, the **“theft”** of another person, nor of the masses of the people, not even by man-made government, nor by any elite society, nor by anyone whatsoever. Absolutely, no one can build their income and wealth, and their home and security, nor their cities and nation by the theft, enslavement, oppression, and even murder of another person, nor of other people of this Earth. In this present time, all cities and nations throughout this Earth have accumulated great riches and wealth, and have built all sorts of grand buildings of massive structural, yet how many cities and nations today are now collapsing, and are even being destroyed by the **“Winds and Whirlwinds”** of continual, destructive, weather conditions, and by all sorts of geographical disasters and earthquakes, as well as by great **“massive confusion”** in the business, economic, banking and financial systems of this Earth - all by the **“righteous Hands”** of the true God of the Universe, and in that they **“do not ever recover”**? The true God of the Universe is truly **“just and righteous”** in the execution of his Great Wrath of Judgment throughout this Earth in this present time.

#8 Land Confiscation, and Hatred for the Land, and the Establishment Renting and Mortgaging of Real Estate Properties

The evil practice of government men, and of kings and queens, and of the elite society of nations, having full rights and control of, and over **“all”** land properties, started at the ancient Cities and Tower of Babel - over 4000 years ago, and of the deceptive beliefs in false gods, astrology, paganism, and witchcraft. The false beliefs of ancient Babylon promoted the belief that the elite society was to have all rights and control over all land properties. Secondly, the **forcible taking (stealing/confiscation)”** of money, homes, farms, land properties, and various other properties away from the masses of the people by evil men in the man-made systems of governments, and by the establishment of all sorts of evil laws and bylaws, in order to do so, also came from these evil beliefs and practices of false gods, astrology, paganism and witchcraft of ancient Babylon. Thirdly, the false religious establishments, and all false religious beliefs, have taught great hatred for land ownership, and for various types of properties, as well as for having blessings, prosperities, materialism, riches and wealth. It must be perfectly known and understood that land ownership, and in having and fully enjoying various types of properties, blessings, prosperity, materialism, riches and wealth are **“all”** to the Perfect Will of the true God of the Universe for **“all”** those who will serve, love, obey, and have faith in him. The wealth of this Earth is not for the liars, deceivers, murderers, and thieves of any type of elite society, especially because the elite society of all nations is totally against the true God of the Universe.

It was, and it is especially so even today, to the Perfect Will of the true God of the Universe for the masses of the people to always have land ownership property, as a generational property, and with Title Deed thereto, especially in order to do **“his Perfect Will”** here on this Earth in being diligent, tillers (farmers, gardeners, foresters, husbandry-persons) of this Earth - **unto him**. The true God of the Universe never established, nor commanded for there to be the setup of kings and queens, nor for the establishment of any type of man-made system of government on this Earth, nor for the false economic system to be on this Earth, nor the setup of any type of false religious belief on this Earth. It is to the Perfect Will of the true God of the Universe for the land areas of this Earth to be **“justly divided”** into righteous allotments, and for these allotments of land properties to be **“freely given”** to the masses of the people as a generational property with Title Deed thereto, especially because **“only”** the true God of the Universe fully own this entire Earth, including all land areas, and the oceans, seas, lakes, rivers and streams, as well as all mountains, hills, and valleys, and **“not”** frail, mortal men and women of any elite society, and **“not”** environmentalists. Throughout history, the true God of the Universe destroyed and laid waste **“all”** man-made civilizations of Cities and Towers of Babel, especially because they have been, and are even today, in total defiance and in rebellion against him, and against his righteous Government-Kingdom and Holy Laws, and are against his Perfect Will, including concerning land property, and also concerning this entire Earth.

#9 Created False Dependencies, and Seeking Securities in Mortal Men of Man-made Governments, and of Bankers, and of the Elite Societies

Since the time of the ancient Cities and Tower of Babel, to this present time, the elite society of nations **“created the false dependencies”** of the masses of the people to depend upon them in every area of life, including for their jobs and incomes, homes, and various needs. There was never, and there is absolutely no need, for anyone to depend upon the elite society for any reason whatsoever, especially because the elite society is totally against the true God of the Universe. Also, there was never, and there is absolutely no need, for anyone to depend upon another person on this Earth for their livelihood, nor upon any government forcibly stealing from the masses of the working people by all sorts of taxation in order to support anyone in need. If the masses of the people would have fully obeyed the true God of the Universe, and fully obeyed and lived **“only”** under his Government-Kingdom and Holy Laws, and if the people would have **“justly divided”** the land areas, and **“freely given”** the allotments of land properties to the masses of the people, and also if the people would gone forth, and have been **“diligent, good tillers”** (farmers, gardeners, foresters, husbandry-persons) on their own land property, and in having their own **local**, independently-owned, small and mid-sized businesses and industries, the masses of the people would have always been **“self-sufficient, and fully independent;”** and in that they could have obtained and lived in the great blessings and prosperity, and in the great, accumulated riches and wealth, and of financial stability, of the true God of the Universe - year-by-year, even for the past 6000 years here on this Earth. The elite society of nations created the evil, man-made systems of government, and all sorts of false religious beliefs,

and the evil, economic system in order to “**reduce**” the masses of the people to a state of constant poverty, and in order to try to cause the masses of the people to always be fully dependent upon them for their every need, especially by confiscating land property from the masses of the people, as well as by forcible taxation, and well-planned, created indebtedness of constant enslavement to creditors. Secondly, the elite society of nations created the evil, “**corporate system,**” and all sorts of corporate jobs so that the masses of the people would always be fully dependent upon them for jobs, foods, housing, and for all needs in every area of life.

The elite society has always created the “**false dependencies**” of the masses of the people to be dependent upon them, including by enacting all sorts of deceptive “**social programs,**” in order to keep the masses of the people in a state of “**continual, psychological dependencies**” upon them, and in a state of “**continual, economic and financial enslavement in order to always perfectly control them,**” especially in order to always deceive, enslave, exploit, oppress, rob, and even murder (including by constant taxation and indebtedness) so many of the masses of the people, and in order to try to always have perfect power and control over the masses of the people, especially for their own great riches and wealth, and for their luxurious lifestyle, and in that the masses of the people always be “**loyal**” to them.

The created, false dependencies of the masses of the people upon the elite society of the various areas of governments, and of banking and economics, and of false religious establishments, and also of false religious beliefs, are now collapsing, and are now being totally destroyed in this present time by the Great Wrath of Judgment of the true God of the Universe, especially because “**all**” of these “**false dependencies, and false securities**” are all against the true God of the Universe, and are against his righteous Government-Kingdom and Holy Laws, and also are against his Perfect Will. It is to the Perfect Will of the true God of the Universe for all people and nations to always depend “**only upon him,**” and for everyone to live “**only**” under, and obey his righteous Government and Holy Laws, and also for the people to be “**freely given,**” and to always have full ownership of land property as a generational property with Title Deed thereto, and for the people to always be diligent, good tillers and good stewards unto the true God of the Universe their own land property, and also for the people to have their very own local, independently-owned, small and mid-sized businesses and industries.

In addition to creating all sorts of false dependencies upon man-made governments, the elite society has always been the “**greatest of philanthropists,**” especially in giving out all sorts of assistance and charitable deeds to the very people that they deceived, exploited, oppressed, robbed, and even murdered. The greatest forms of deception has always been to mix truth with deception, and also it has always been to show forth all sorts of “**false love,**” and of preaching peace to the people, and of having all sorts of deceptive, good deeds for the masses of the people, especially in order to try to win the hearts and trust of the people that they continually deceive, enslave, exploit, oppress, and even murder. Even today, a person can see how that various governments target to help the super-rich, and also to help

the very poor with all sorts of stimulus aide and good deeds. There is absolutely **“no atonement”** by the giving of any type of charity and good deed to another person. There is absolutely **“no atonement”** by the giving of **“humanitarian aide,”** especially after waging of all sorts of wars and military coups against innocent men, women, children, cities and nations. Additionally, there is absolutely no atonement in **“socialism, nor in communism,”** nor of government men and rich and super-rich philanthropists providing all sorts of government, social programs, and in giving to all sorts of charities, nor of asking the people to do all sorts of volunteering deeds, especially after having deceived, degraded, enslaved, exploited, oppressed, robbed, and even murdered so many of the masses of the people. The idea of seeking atonement by giving of charities, and in having all sorts of social programs comes from abominable, false religious beliefs, which false beliefs have brought forth all sorts of needless suffering to people and nations, and in that multi-hundreds of millions of innocent men, women and children have been slaughtered by the very governments that have tried to promote all sorts of social and communism programs because of their abominable beliefs. When men and women live in rebellion against the true God, and against his Government-Kingdom and Holy Laws, they are always brought down by the Great Wrath of Judgment of the true God of the Universe, regardless of the charitable deeds that they may have done. Are charitable deeds saving people, cities and nations in this present time? How many charitable organizations are now being brought down to collapse and to total destruction by the Great Wrath of Judgment of the true God of the Universe now in this present time - with absolutely no recovery? Where is the atonement? Instead of atonement there is massive destruction, scattering, and even death.

Food Stamps, and Feed and Help the Hungry, and Looking to the Government of Warlords and Bankers to Take Care of You? - Do men and women need food stamps and government assistance, and unemployment compensation, and government health care, and social security, government pension, and all sorts of government assistance - especially by the theft of the working men and women of this Earth by taxation? Do men and women need all sorts of programs and charitable groups to assist and feed the poor and the hungry? Also, do men and women need homeless shelters in the present Cities and Towers of Babel of this Earth? Go forth and travel outside of the many Cities of Babel of this Earth, and notice, and see the many millions of square miles of acreage of **“vacant land”** just laying desolate. If men and women lived **“only”** under, and obey the Government-Kingdom and Holy Laws of the true God of this Universe, and had **“land property, and of being diligent in farming and gardening,”** there would absolutely be no need for food stamps, nor for unemployment compensation, nor for any type of government assistance, nor for all sorts of programs to assist and feed the poor and the hungry, nor for homeless shelters; nor would there be the Great Wrath of Judgment of the true God of the Universe going forth throughout this entire Earth **now in this present time** to cause to collapse and to be totally destroyed **“all”** man-made systems of governments (man-made civilizations), and the false, deceptive, robbery, economic system, as well as **“all”** false religious beliefs, and in that they **“do not ever recover.”**

Because so many of the people greatly relied upon their elite society to **“take care of them,”** the people have always sought **“securities”** in their corrupt, man-made system of government, and in the corrupt, economic system, and in their false religious beliefs and false religious establishments. **Wake up all people and nations!** It is a great evil to depend upon any type of man-made system of government to take care of you for any reason whatsoever. Everyone must open up their eyes, and see, know, and understand how that there is absolutely **“no security”** in frail, mortal men in any man-made system of government on this entire Earth, nor in any of the government departments, nor in the various government agencies. It is the government men who greatly rely upon, and who try to keep the masses of the people in deceptions and darkness because of seeking their own personal securities by the continual deception, enslavement, exploitation, oppression, and theft of the masses of the people. Also, there is no financial security, nor health security, nor any type of **“security”** in mortal men in man-made system of governments, not even in the military, nor in the alleged national security. In past years, and in past centuries, **“all”** man-made civilizations collapsed, and were destroyed; and the elite society of mortal men and women fled with whatever they could carry with them (if they could do so), especially in times of revolutions, wars and mayhem. When will mortal men and women **“stop looking to”** frail, mortal men and women in man-made governments to **“take care of them,”** and to provide all sorts of **“illusionary securities”** for them? When will mortal men and women **“repent, and turn to, and convert, and be joined”** to the true God of the Universe, and seek him for all their dependencies and securities? When will mortal men and women decide to **“totally abolish, and do away with”** their man-made system of government, and their false economic system, and also their false religious beliefs? When will mortal men and women **“turn to, and accept, and live only”** under, and obey the true God’s righteous Government-Kingdom and Holy Laws, and also seek to, and do indeed do, his Perfect Will, including in having and fully owning land property with generational, Title Deed thereto, and in being greatly **“financially secured”** in and by the true God of the Universe, including in being greatly blessed and prosperous as tillers (farmers), and in receiving great financial wealth as farmers, as well as in receiving great financial riches and wealth by having their local, independently-owned, small, and mid-sized businesses and industries?

Since the Garden of Eden to this present time, the true God of the Universe has always had, and has in this present time, **“zero tolerance”** for frail, mortal men and women rising up, and in living in rebellion against him, and against his righteous Government-Kingdom and Holy Laws. In this present time, **“all”** man-made systems of governments, and their elite societies, and their attempt of a New World Order, are now collapsing into total destruction with absolutely **“NO recovery”** by the Great Wrath of Judgment of the true God of the Universe, along with all of the illusionary, man-made governmental, social programs, and false dependencies of man-made governments in every area, and also in that there will be no more taxation, tolls, tributes, and customs on this Earth, and in that there will be no more warlords, nor evil bankers, nor evil merchantmen on this Earth, nor debts of enslavement to bankers, nor any elite society. The true God of the Universe will rule and reign on this Earth as the only King, and Ruler, and Creator, and Supreme Judge, and in that **“only”** his righteous Government-Kingdom and Holy Laws will be in full rule, power,

authority and dominion throughout this entire Earth for these next 1000 years, and forevermore, starting **NOW!**

Destruction of “All” False Securities in this Present Time - When the true God executed his Great Wrath of Judgment against Pharaoh, and against all of Egypt, during the time of Moses and of the deliverance of the Israelites from Egypt, he totally destroyed all of the false securities of the Egyptians, as well as of the Israelites. The true God totally destroyed the economy of Egypt, and of the people’s dependence upon the government of Egypt, and of the people’s dependence upon the corporate jobs of Egypt, as well as of the people’s dependence upon the false gods and false religious establishment of Egypt. It is very important to know and understand that all man-made civilizations have been, and are now, in rebellion and in defiance against the true God, and against his Holy Laws and Government-Kingdom. Also, it is very important to know and understand how that all man-made civilizations have always been built because of mortal men and women **“seeking securities”** in frail, mortal men, and in mortal men’s governments, and in wanting government **“to take care of them,”** as well as the people **“seeking securities”** in man-made corporations, and in their corporate financial investments, and financial securities. Additionally, it is very important to know and understand how all man-made civilizations have always been built because of mortal men and women **“seeking securities”** in false gods, and in false religious authorities, and in all sorts of false beliefs. Therefore, since the beginning of time, and in this present time, the true God has always gone forth to tear down, and to throw down, and to totally destroy **“all”** of mortal men’s and women’s false securities in every area, and in the fullness thereof, and in that the false securities do not recover. In this present time, this is exactly what is happening - even on a worldwide basis. All of the many things that mortal men and women have put their blind faith and securities in are now collapsing into total destruction with absolutely no recovery, including all corporations, and all stock markets, as well as all man-made governments, and all false religious establishments, and the corrupt, economic system of this Earth. In the Holy Scriptures it is shown how that the true God of the Universe **“fully allowed”** for the entire Nation and people of Israel to lose their **“securities”** of dependence upon Egypt, and upon Pharaoh and his government men, and in that the entire nation was made **“jobless and homeless,”** and in that they were led out into the desert to meet with the true God of the Universe.

In Deuteronomy, Chapter 8, it is shown why the true God allowed these things to happen to the people. The entire Nation and people of Israel were brought down to humbleness, and were caused to suffer hunger to teach them that mortal men and women do not live by bread alone of material substance: they are not put their faith in mortal beings, nor upon frail, mortal beings’ securities, nor upon earthly things. Additionally, throughout history all nations and people were brought down to humbleness, and were caused to suffer hunger for these same reasons. Food, homes, jobs, and material things are needed, yet mortal beings cannot, and do not, live by these alone; rather, everyone is to live by perfect love, faith, and obedience to the true God of the Universe, and in that everyone always fully recognized that he - the true God of the Universe - is the **“only”** one who allows

mortal men and women to obtain food, homes, jobs, and material things, and in that we cannot exist without the true God's love and care for us. Food, homes, jobs, and material things are things that are needed, yet the first priority is the true God, and his Holy Laws and his Government-Kingdom. When frail, mortal beings reject and rebel against the true God, then individuals, people, cities and nations are brought down by the Great Wrath of Judgment of the true God. Remember how that Adam and Eve were made homeless when they rebelled against the true God, and rebelled against his Holy Laws. These things have been happening for the past 6000 years. Now is the time for all people, cities and nations to WAKE up, and to see how that it is the true God who control whether or not we are blessed, or cursed in every area of life, and in that the great blessings and goodness of the true God fully depend upon our love, obedience, and faith in him at all time.

Mortal men's and women's securities and self-worth, and all and all, are not to be ever based on frail, mortal men of governments, warlords, bankers and businessmen, nor upon corporations, nor upon mortal men's false securities of investments, nor upon our own securities; nor upon false religious establishments. Instead, everyone securities, self-worth, and all and all, are to always be only upon the true God, and upon knowing and obeying his righteous Government-Kingdom and Holy Laws, and also upon always doing his Perfect Will at all times.

#10 The Establishment of the Military, and the Forcible Conscription of Young Men into the Military, and the Waging of Continual, Unjust Wars

The establishment of a military, and the forcible conscription of many young men into the military, and the great evil of waging of continual, unjust wars against other people, cities and nations started at the ancient Cities and Tower of Babel (ancient Mesopotamia) over 4000 years ago. The forcing of young men into the military, and the forcing of young men to go forth to fight all sorts of continual, unjust wars are totally against the true God of the Universe. The true God **"never"** commanded anyone to force, nor to encourage any man, nor woman, to join the military, nor to force, nor encourage anyone to go forth and to fight in military wars - for any type of man-made system of government on this Earth, nor to protect man-made government's economic interest in foreign lands, especially because **"all"** man-made systems of governments are totally against the true God of the Universe.

The glory of warfare (the glory of the military industrial complex) was promoted and fully encouraged by the false beliefs of the created, alleged, false, astrological god of warfare - the astrological, false god Mars, and of its beliefs and practices in astrology, paganism, and witchcraft. The **"glory of torture"** of captive victims in warfare also started at the ancient Cities and Tower of Babel. The warlords in ancient Mesopotamia expressed glory and pleasure in the enslavement and in the torturing of their captive victims, including in offering up captive victims as sacrifices to their false, astrological gods - the alleged war-god Mars. It is very important to fully realize that **"all"** man-made wars have been based on created **"lies and deceptions, and upon false flags,"** including by using religious deceptions,

and by using the Name of God (rather the names of false gods), and even by using all sorts of “**false prophecies,**” in order to promote and to justify going forth to wage continual, unjust wars throughout this Earth. How many “**thousands of unjust wars**” have been waged throughout this Earth because of all sorts of false religious beliefs and false prophecies? How many innocent men, women and children have been slaughtered because of all sorts of unjust wars, and wars of continual conquests? False religious wars “**do not**” go unpunished. Do men and women dare question the Great Wrath of Judgment of the true God of the Universe going forth against their very own cities and nations - when their own government, and their merchantmen and evil bankers, go forth throughout this Earth to wage all sorts of unjust wars against other nations and people, even in this present time?

Economic Wars to Stimulate the Economy? - How many men and women have prayed for, and fully support their man-made system of government, and the warlords of their government, and merchantmen, and evil bankers, in the waging of many “**unjust wars,**” especially for “**economic interests, and economic gains**” in foreign lands? Even today, how many man-made governments, and how many of the masses of the people are calling for a “**World War III**” in order to “**stimulate the economy**”? Can man-made governments, and can individuals, families, people, cities and nations, justify going forth to fight all sorts of “**unjust wars**” against innocent people, cities and nations of this Earth in order to stimulate the economy, and to create jobs, especially when the true God has always had (and even today has) plenty of jobs/incomes, and even great riches and wealth for the people, especially by the people having land ownership, and by being tillers/farmers, and by having their local, independently-owned, small and mid-sized businesses and industries? Can the nations and people of this Earth pray for, and support their evil man-made governments, and build their businesses, homes, cities, and entire nation with the “**blood-money**” that was obtained by all sorts of businesses and industries involved in the Military Industrial Complex by the continual waging of all sorts of “**unjust wars,**” and by shedding innocent bloods of other people, cities and nations of this Earth, whether for economic gains and jobs, or whether for false, religious beliefs?

All throughout the Holy Scriptures (the Old Testament) the true God of the Universe warns against the shedding of innocent blood, and he warns against the building of cities by the shedding of innocent blood (economics based on unjust warfare and murder), and also he warns that he will destroy, and cause entire cities to become vacant because of their shedding of innocent blood. Open up your eyes today, and see, know, and understand how that the Great Wrath of the Judgment of the true God of the Universe is now being continually expressed throughout this entire Earth, including by his “**Stone of Judgment,**” and by his “**Winds, and Whirlwinds**” of the continual, destructive, weather conditions of severe tornadoes, hurricanes, typhoons, cyclones, severe snow storms with hurricane force winds, windstorms, sandstorms, drought, destructive floods, and by all sorts of climatic catastrophes and geographical disasters, including by deadly earthquakes (including global earthquakes) - in order to bring down, and to destroy “**all**” man-made civilizations in this present time, especially because “**all**” of them have been built upon the shedding of innocent blood by continual, unjust wars, and by the corrupt, economic system

of this Earth, as well as by all sorts of false religious and false philosophical beliefs and practices.

Everyone should look up to the Heavens above, and say to the true God of the Universe that he is truly **“just and righteous”** in the full execution of his Great Wrath of Judgment throughout this entire Earth now in this present time, and throughout history, including in his going forth to bring down, and to totally destroy **“all”** man-made systems of governments in this present time, especially because they have all been built by the shedding of innocent blood, as well as having been built by deception, exploitation, oppression, and robbery of the masses of the people throughout this Earth.

#11 Crime and Violence, Evil and Wickedness, and All Forms of Sexual Immoralities in Society - Fully Encouraged and Fully Promoted by the Elite Society

The encouragement and full promotion of all sorts of crime and violence, and all forms of evil and wickedness into society started at the ancient Cities and Tower of Babylon. It has always been the elite society of nations who fully encouraged and promoted all sorts of crime and violence, and the continual, unjust wars and torture of others, and the senseless hatred, racism, reverse racism, and division among the masses of the people, and also the degrading of other people, and of other cities, and of other nations. The Holy Scriptures speak of how the **“earth was filled with violence.”** (Read: Genesis 6:11-13; Ezekiel 8:17-18; Ezekiel 9:9; Ezekiel 11:12)

Sexual Immoralities - At the ancient Cities and Tower of Babylon all forms of sexual immoralities and abominable sexual practices were created, encouraged and promoted, especially by the created, false belief in astrology, and of the created, false belief in the astrological, false goddesses of Venus. The false goddess Venus was alleged to be the goddess of love. Both men and women were fully encouraged to engage in all sorts of sexual immoralities, especially because of blindly believing that their God (rather than their false goddess) fully encouraged and permitted them to do so. Open up the Hebrew Old Testament, and read, study, examine, know, and understand that **“all”** forms of sexual immoralities are acts of profaning the Holy Name of the true God of the Universe. Throughout history, the true God of the Universe destroyed individuals, families, people, cities and nations because of the sexual immoralities and sexual perversion that were practiced among them. Throughout history, multi-billions of **“religious, and non-religious”** men, women and children were destroyed from this Earth by the Great Wrath of Judgment of the true God of the Universe for various reasons, including because of the abominable and great sexual immoralities that existed among the people, and even in many religious communities which claim to be holy and ultra-pious. To live like Sodom and Gomorrah, is to be destroyed like Sodom and Gomorrah, regardless of the false appearance of being religious, and pious, and ultra-pious, or of being a sinner.

Throughout history, when the Earth, and when cities and nations are filled with crime and violence, and with continual, unjust wars and torture, and with all forms of sexual immoralities, as well as with all sorts of evil and wickedness - then the true God of the Universe always brings forth his Great Wrath of Judgment against individuals, families, people, cities, and nations in order to eliminate so many of the masses of the people, along with their elite society. Open up the Holy Scriptures of the Old Testament, and also read the various history books, and see how **“all”** previous cities and nations of all man-made civilizations collapsed, and were destroyed by the Mighty Power of the true God of the Universe. Now in this present time, **“all”** man-made systems of governments, and all false religious beliefs, and the corrupt, economic system of this Earth, are collapsing into total destruction with absolutely **“no recovery”** by the Great Wrath of Judgment of the true God of the Universe, including because of the crime and violence, and the evil and wickedness, and the sexual immoralities that exist in cities and nations throughout this Earth.

#12 **Wearing All Black Attire, and Doing Evil Deeds Against Others**

Do many men and women, especially religious men and women, and the global elite, truly believe that they can get dressed in **“all black attire,”** and go forth and do all sorts of evil deeds, especially against others, and against other people and other nations of this Earth, and have **“protection”**? The wearing of all black attire in order to go forth to do all sorts of evil deeds to others comes from **“witchcraft”** beliefs and practices!!! Notice the image of **“witches,”** and in that they are dressed in **“all black attire,”** including with their black boots, and with a black, pyramid-triangle-shaped hat, and also in that they go forth to ride their broom in seeking to do all sorts of evil deeds against others. It is alleged in witchcraft beliefs that a person can go forth and do all sorts of evil deeds when a person is dressed in all black attire. Do religious men and women, especially those who claim that they are of true God, and also the global elite, truly believe that they are to pattern themselves after witches and warlocks? and do they truly believe that they can do all sorts of evil deeds, and not be **“punished and destroyed by the Great Wrath of Judgment of the true God”** of the Universe? Also, in this present time, it is truly amazing to see how that all sorts of witchcraft beliefs and practices have infiltrated all levels of society, even the governments of nations, including the military, and the law enforcement, even in that the military and law enforcement men and women are now being **“dressed in all black attire”** - like witches and warlocks going forth to ride their broom in the sky, and also in that there are **“all black helicopters”** flying like witches in the sky.

Let it be perfectly known and understood that the true God of the Universe promises **“confusion of mind, and destruction, and death to all”** those who follow after and accept false religious beliefs, and also to **“all”** those who follow after and accept **“witchcraft”** beliefs and practices. How many men, women and children have been destroyed because of their various false beliefs? Also, let it be perfectly known and understood that the true God of the Universe is now going forth to collapse, and to totally destroy **“all”** man-made systems of governments from out of this entire Earth, along with

their elite society, as well as to destroy men and women who have adopted, and who practices all sorts of false religious beliefs, including having adopted and practices the false, witchcraft belief of “**dressing up in all black attire**” in order to go forth to do all sorts of evil deeds, including to do all sorts of evil deeds against others. Secondly, the military and the law enforcement of nations will be totally destroyed, along with their corrupt, man-made system of government, regardless of the fact that the military men and women may be all “**dressed up in black attire**” like witches. How many military men and women were destroyed in the last centuries, along with their corrupt, man-made system of government?

#13 The Creation of Slavery of Billions of People, and of all Nations Throughout History, and in This Present Time

Slavery, and all types of enslavement, and all forms of cheap labor, started at the ancient Cities and Tower of Babylon, over 4000 years ago. Slavery, and all types of enslavement, and cheap labor, started by deceiving the masses of the people to “**blindly, freely, and willingly**” accept and to believe in the lies and deceptions of warlords and evil men, and to “**blindly, freely, and willingly**” accept and to believe in all sorts of false religious beliefs in false gods, astrology, paganism, and witchcraft. Secondly, slavery and cheap labor were greatly encouraged and promoted by the constant waging of unjust warfare against innocent men, women and children of other areas, especially by the creation of the false beliefs of astrology, paganism, and witchcraft which degraded “**other people**” in order justify the waging of unjust wars against others, and in order to enslaved other people, and even in order to kill other people in the Name of God (rather in the name of their false gods).

Read the Holy Scriptures (the Old Testament), and know, and see how evil kings in ancient times fully believed that “**their false god**” instructed them to go forth in military warfare against other people and cities. (Read: II Kings 18:25 (king of Assyrian); II Chronicles 35:20-24 (Pharaoh-Egypt); Jeremiah 46:1-2) Because of falsely believing that their false gods (false religious beliefs) gave to men and women permission to go forth, and to degraded, and to kill or capture, and enslave others, and to obtain the land, riches and wealth of others, there has been continual, unjust warfare among “**all**” nations and people throughout this Earth for the past 6000 years. Secondly, in waging of continual, unjust warfare against others, there is never any type of guilt, nor shame in the promotion of these unjust wars, and in doing all sorts of evil deeds and great injustice to others; nor guilt in the torture and murder of innocent men, women, and children of other nations and people throughout this Earth; nor of enslaving other people for cheap labor by unjust wars and deceptions - when so many of the masses of the people fully believe that their false gods (their false religious beliefs) instructed them to do all sorts of evils deeds against others, especially in the Name of the God (rather in the names of their false gods). The degrading of other people and other nations, and all forms of cheap labors, and the oppression and the exploitation of the poor and needy of this entire Earth, and also all unjust wars, do not go unpunished by the Great Wrath of Judgment of the true God of the Universe, regardless

of people, city, color, or creed. All nations and people throughout this entire Earth have been cursed because of their constant hatred for others, and also because of their continual, unjust wars against others.

#14 Man-made Governments and Warlords, and Governments Robbing and Killing Their Own People

At the ancient Cities and Tower of Babel (ancient Mesopotamia) the masses of the people were “**degraded**” because of their blind acceptance of false religious beliefs in false gods, astrology, paganism and witchcraft. Because the masses of the people were degraded, and were viewed as being no more than “**slaves, peasants, serfs**” for the benefit of the elite society of the warlords and deceivers, and also as being no more than as animals and beasts of burden, the elite society fully believed that they could slaughter so many of the masses of the people for whatever reason.

Throughout history, there have always been evil men and evil women in the various elite societies of all man-made systems of government that sought “**to murder their very own people,**” and to do so without question and guilt, especially because people and nations were degraded starting at the ancient Cities and Tower of Babel. Even in this present time, there are evil men in man-made governments who oppose anyone who question them in the murder and evil treatment of the citizens of their own nation, especially because the evil men in the man-made governments view the masses of the people in a degraded status, including in believing that they could do whatever they so desired with their slaves, peasants, serfs (subjects) society, and especially by sending the men to die (rather to be murdered) in all sorts of continual, unjust wars. When an individual of the elite society fully believes that he is a god (or she is a goddess), or that he (she) is born of the gods, and/or that he (she) has “**divine authority to rule**” as he (she) desires, then there is always the great chance of great injustice and all sorts of evil deeds that may, or that will be done to the other individuals, even in the murder of others, and even in the murder of the citizens of their own country. Secondly, throughout history, evil leaders sought the destruction of their own people by various ways and means, and for various reasons, including by created famines, and by the wilful slaughter of their own people, and by the promotion of continual, unjust wars, especially in order to gain land, natural resources, gold, riches and wealth, or even to “**decrease**” the population - for the benefit of the elite society. Even in this present time, how many continual, unjust wars have been waged, and in that multi-millions of the masses of the people have died in these continual, unjust wars for the sole benefits of the elite society of nations? Additionally, in this present time, it is alleged and believed that all sorts of medical-pharmaceutical drugs, and all sorts of evil, biological agents, and deadly vaccines, and also all sorts of deadly chemicals have been, and are even now being “**deliberately used against**” the masses of the people in various ways in areas, towns, cities and nations in order to “**kill off, and even slowly kill off**” so many of the masses of the people for the sole benefit and pleasure of the elite society. “**Are these things true, or just conspiracy theories?**” Everyone must look at past history, and see,

know, and understand how that in past years, and in past centuries, and in past millenniums, the elite society of nations have always sought **“to kill, and to destroy the degraded masses of people”** for their sole benefits and pleasure, especially in order to gain great riches and wealth for themselves, as well as in order to maintain power and control over the masses of the people, including by decreasing their own population by murdering so many of them.

Most important - All throughout the true, Holy Scriptures of the Old Testament, the true God of the Universe warns against following after false gods, astrology, paganism, and witchcraft, and of turning away from him. Adam and Eve were both warned of **“death”** - if they disobeyed the true God of the Universe; and they were cursed and made **“homeless”** because of their disobedience, and because of their blind acceptance of lies and deceptions of the Voice of a Serpent. The Israelites were warned of death if they disobeyed the true God of the Universe, and his Holy Laws. (Read: Deuteronomy 28:1-68; Leviticus 26:1-46) Throughout the Holy Scriptures, the true God gave many warnings to the people of Israel, and even to the surrounding nations, in warning them that they would be enslaved under **“brutal dictatorship”** because of their following after, and worshiping of false gods, astrology, paganism and witchcraft beliefs, especially because all false religious beliefs encourage the degraded and slavery of all of the masses of the people, regardless of people, color or creed. Also, the true God of the Universe warns that he will put darkness (spiritual darkness), enslavement, economic collapse, famine, diseases, destruction, scattering, and death upon the people when they are living in rebellion against him, and against his Government-Kingdom and Holy Laws. It must be fully realized that it was the true God of the Universe who allowed the Israelites **“to be sold”** into the hands of their enemies, and into continual wandering, persecutions, suffering and enslavement, as well as who fully allowed **“all”** people and nations of this entire Earth **“to be sold”** into the hands of cruel, brutal dictators, and into continual wandering, persecution, suffering and enslavement - all because of people and nations constantly rebellion and defiance against true God of the Universe, and against his Government-Kingdom and Holy Laws, and also against his Perfect Will.

#15 Degrading the Masses of their Own People, Yet Teaching Hatred, and Evil Deeds Against Other People, Cities, and Nations of this Earth

The elite society of **“all”** nations and people throughout this entire Earth have throughout history taught vicious hatred and great injustice against other people and nations of this Earth, especially in order to justify their continual, unjust warfare against other people and other nations of this Earth. Even though the masses of the people of nations were viewed as being no more than a slave society by their elite society, yet the elite society was cunning and deceptive in teaching their own people to have continual hatred against other people and against other nations, and in that they (the masses) were alleged to be **“superior and above”** other nations and people, even though they (the masses) were

classed as “**slaves, serfs, peasants**” by their elite society, and even to hate one another in their own community, city and nation.

How many men and women truly believe that they are much better than others, and other people, and other nations of this Earth, yet they also have been degraded, deceived, enslaved, and robbed by their own elite society of government men, and evil bankers, and evil merchantmen, and false religious establishments? How many men and women truly believe that they are much better than others, and other people and nations of this Earth, and in that they blindly believe that they can go forth and blindly follow after the false writings and false teachings of evil men in man-made governments, and in false religious and false business establishments, and even in educational institutions, that teach them to do all sorts of “**unjust and evil things**” against other people, and against other ethnic groups, and against other nations of this Earth, including such things as to: to blindly and unjustly go forth and hate others; to despise others; to lie to others; to cheat, steal from, hurt, harm, degrade and scandalize others; to label other people or other religious sects as being animals in mortal men and women forms; to label other people or other religious sects as dogs, she-asses, and as being dumb, and other insulting words; to insult and to do all sorts of evil gestures of insults against others; to be mean-spirited to others; to be rude to others; to give wrong advice to others; to secretly get another person unjustly fired from their job; to try to unjustly undermine others; to be sneaky against others; to employ and work other people as beasts of burden; to cheat others in wages, salaries and investments; to withhold wages from employees; to try to steal the incomes, homes, land and properties of other people, ethnic groups and other nations; to degrade others in order to discriminate and segregate against other people; to fully encourage and promote vicious hatred, and unjust and horrible acts of racism, injustice, unrighteousness, crime and violence against others; and even to fully encourage unjust killings, exterminations and unjust wars against others, and against other people, and against other nations of this Earth; and to not make friendship with other people or other groups; and even to lie in legal matters and in a Court of Laws against others?

Let it be perfectly known and understood that “**every evil and unjust deed**” that has been done to any other person on this Earth, regardless of the person’s color of skin, color of eyes, color and texture of hair, educational level, social level, poverty, riches and wealth, religious beliefs, and whatever it may be, the true God of the Universe has “**always**” fully allowed and caused the “**exact same evil deeds**” that a person has done to others to be done in return to them. Why? Because the true God of the Universe fully commands and demands in his Holy Laws that “**righteousness - right dealings,**” and “**justice - just dealings**” are to be toward “**all**” nations and people throughout this Earth, including to the “**strangers**” of other nations and people throughout this entire Earth. Throughout this entire Earth, the Great Wrath of Judgment of the true God of the Universe has always been fully executed against “**all**” nations and people throughout the Earth, especially because “**all**” nations and people are guilty of doing all sorts of evil deeds against others, and against other nations and people on this Earth. Truly, it is now time for all nations and people to

repent, and to return to the true God of the Universe, including repent of all of the evil and unjust deeds that they have done against others, and against other people and nations.

#16 World Order by Conquest - New World Order - By Continual, Unjust Warfare by the Military Industrial Complex of the Elite Society

The false and deceptive belief of wanting a **“World Order - of a New World Order,”** that is controlled by the warlords and chieftains, and by the false religious establishment of the elite society, started at the ancient Cities and Tower of Babel (ancient Mesopotamia) - over 4000 years ago. It was believed by the false religious beliefs in the false gods, astrology, paganism, and witchcraft, that the **“sons”** of the alleged, astrological gods, were to **“rule the whole world”** (not just the area of ancient Babylon), and were to do so by continual warfare. It is truly amazing to see that **“all”** of the major religious beliefs throughout this Earth in this present time fully believe that they should **“rule the whole world”** - which all major religious beliefs come from the ancient Cities and Tower of Babylon. Because of this deceptive belief, there has only been the continual waging of all sorts of **“unjust wars”** by people and nations throughout this entire Earth against **“one another”** - vying for total power and control over this entire Earth - all in the name of their false religious beliefs, and in the Name of God (rather, in the name of their false gods).

#17 The Fallacy of Hell of Fire and Brimstone, and of Eternal Damnation, and of Burning - Forever and Forevermore

As mentioned previously, in the ancient world the elite society of man-made governments, along with the false religious leaders, and evil men in various businesses, created various, false astrological, religious beliefs for the masses of the people, especially in order to instill into the hearts of the masses of the people all sorts of false beliefs of Heaven, and of all sorts of false hopes, and in order to get the masses of the people to accept them, and to be in perfect obedience to them, and to be **“enslaved”** by them. Sadly to say, the elite society also created the astrological, false religious belief concerning **“hell of fire, brimstone, eternal damnation, devils with pitchforks, and of burning - forever and forevermore.”**

The created **“astrological, false god Pluto (Hades)”** was created to be the false god of the underworld, and of hell and death, and of fire and brimstone; and this alleged, astrological, false god Pluto was the alleged one to execute severe punishment upon evil men and women who were allegedly sent there because of their evil deeds here on this Earth. If the people rejected the false religious beliefs and their man-made system of government, they were threatened by the false religious authority with the promises of being sent down to hell of fire and brimstone, and of eternal damnation to burn - forever and forevermore.

The main purpose of threatening the masses of the people with words of promises of going down to hell of fire and brimstone, and of eternal damnation - if the people refused to accept the particular false religious beliefs and practices, was done in order to instill trembling fears into the people's very soul, mind, heart and life, and also in order to get the masses of the people to continually accept and believe the false and perverted religious beliefs, as well as to continually accept their evil, man-made system of government, and the deceptive economic system. Again, all ancient, false religious beliefs were created "**slave religions.**" These false, slave religions were created to enslave the very soul, spirit, mind, body and life of the masses of the people - from day-to-day, and to entrap and rob the masses of the people of their labor, income, land, wealth, various properties, and of life of enjoyment here on this Earth - from day-to-day, as well as for the masses of the people to be kept in a state of perfect obedience to the false religious authority, and to the abominable, man-made system of government, and to evil businessmen of the elite society.

The true God of the Universe "**never threatened**" Adam and Eve, nor Noah, nor Abraham, nor Moses and the Israelites at Mt. Sinai, nor anyone at any time in the entire Hebrew, Holy Scriptures, with any type of fear that they would be cast into hell of fire and brimstone, nor of eternal damnation, to be tormented by devils holding pitchforks, nor threatened anyone that they would burn forever, and forevermore - if they rebelled and disobeyed him and his Holy Laws. Throughout history, billions of people were entrapped and enslaved to evil, man-made systems of governments, and to all sorts of false religious beliefs, and also to evil businessmen - especially because of their various false beliefs, and because of the great fears of going down to some sort of hell of fire and brimstone, and of eternal damnation - if they rejected, and if they left the false religious belief, or if they left the false religious sect, group, and community. Even today, how many billions of men and women are entrapped thereto, and are enslaved thereby, to false religious beliefs, and to false religious sects, groups, or communities, or to evil houses of worship because of the trembling fears of going down to the alleged hell of fire and brimstone, and of eternal damnation - if they leave such religious belief, and/or even if they leave a particular sect, group, or community? Many people have been robbed of life itself in so many ways because of these evil, created, deceptive fears, and because of being entrapped to false religious beliefs, and to being entrapped to false religious groups, and to being entrapped to evil, man-made systems of governments, as well as being entrapped to the evil economic system of this Earth.

It is now time for all people and nations to "**thoroughly and diligently**" examine and see how that the "**true, Holy Word, and the Holy Word of Bible Prophecies of the true God of the Universe**" (Old Testament) have been deliberately perverted, and combined with all sorts of false and perverted religious beliefs and writings. Additionally, it is now time for all people and nations to see how that false religious beliefs throughout this Earth were created, revised from time to time, and forced upon the masses of the people, especially by brut, military force and fears, and also by brutal, religious dictatorship. All sorts of false beliefs have been passed down from one generation of people to the next generation of people - for the past 6000 years to this present time. It is now time to fully

recognize, and confront, and also to destroy, all of the great lies, deceptions, and evil fears of all false religious beliefs, and of all man-made systems of governments, and of the false economic system of this Earth. Also, it is now time for all people and nations to **“thoroughly and diligently”** examine and see how that all people and nations have severely suffered because of these evil, false beliefs, lies and deceptions since the Garden of Eden to this present time.

#18 Teaching the Masses of the People “to Accept, and to LOVE” their Enslavement, and Even to Pray for, and Obey, and Support their Warlords and Murderers

In March 1962, Aldous Huxley, who was of the elite society, gave a speech at the University of California - Berkeley, on how that men and women can be taught to **“accept, and to love their slavery”** (to accept and to love being enslaved). Do research on this individual named Aldous Huxley. Also, on the Internet go to the website **“YouTube,”** and type in this man’s name, and listen to the videos of this man, and hear and see what he had to say, and how he looked down upon the masses of the people, and hear and see how this man laughed at the masses of the people as being no more than slaves, and as being worthless. Sadly to say, it must be noted that throughout history, and throughout the Cities and Towers of Babel of this Earth, even in this present time, so many of the masses of the people truly did indeed **“fully accepted, and fully LOVED”** their oppressive and continual slavery - enslavement. **How? and Why?** Let us briefly examine the how, and the why.

In the area of **“false religions, and false cultural, and false philosophical beliefs”** - so many of the masses of the people **“blindly, and willingly, and freely”** believed in, and accepted all sorts of **“lies and deceptions”** of evil individuals in the areas of false religions, and in the areas of false cultural, and false philosophical beliefs and ideas, even by the educational institutions - **by blind faith**. By blindly, and willingly, and freely accepting many things by blind faith so many became enslaved to the various **“slave religions”** that the warlords and demagogues created. When men and women reject and desire to live in defiance and in rebellion against the true God of the Universe, and against his Government-Kingdom and Holy Laws - even unknowingly, then they are easily led to accept and to believe in the lies and deceptions of deceptive individuals (Voices of Serpents); and by blindly, and willingly, and freely accepting and believing in lies and deceptions, the individual, and also so many of the masses of the people become **“enslaved to slave religions.”** How many religious men and women truly believe that they are **“suffering for the Name of God”**? How many religious men and women truly believe that they must suffer and endure afflictions, and endure sorrow, and in that they must turn the other cheek to the wicked, and in that they must deny themselves of riches and wealth here on this Earth, and in that they must hate the land (hating of farming/agriculture) and this Earth, and in that they must live in constant poverty here on this Earth, and in that must give up their land property, as well as in that they must give up their riches and wealth, and in that they must accept, pray for, support, and obey evil governments, and in that they must pay and be robbed by all sorts of taxation, and in that they must accept humiliation

and shame, and in that they must accept all sort of degrading things, and also in that they must do or accept many other evil things - all for the Name of their God (rather for their false god - their false religious beliefs), - and to just constantly wait for their deliverer, prince, savior, meshiach to come forth to make every thing perfect for them, and in that they will live in their Utopia Society? What lies and deceptions have **“all”** people and nations **“blindly, and willingly, and freely”** accepted and believed in, and in that so many of the masses of the people have been taught to **“love their enslavement, and to love their constant state of poverty”** - all because of the false religious beliefs that the elite society created for them to believe in, and in that they fully believe that they are suffering for the Name of their God (rather for their false god). Throughout history, how many billions of people accepted their poverty position in life because they fully believed that this was to the Perfect Will of God, and in that the elite society lived in great riches and wealth here on this Earth?

Secondly, how many men and women joined religious and cultural organizations, groups, and sects by blind faith (or desired to remain in a false religion), and thereby they became enslaved and robbed by these groups and sects? How many accepted all sorts of false philosophical beliefs and false ideas, especially of the universities of the Cities and Towers of Babel of this Earth, and thereby became deceived in their very soul, and were indoctrinated, and became enslaved, and even destroyed because of these evil beliefs of the elite society? How many evil **“religious”** laws, rules, regulations, and requiring of certificate to get married, and requiring of papers to get a divorce, and all sorts of deceptive and oppressive religious laws, customs and insanities, were enacted in the various religious establishments, groups and sects - in order to enslaved, control, and rob the masses of the people - the very people who **“loved”** their **“slaved,”** false religious, and false cultural, and false philosophical beliefs - that promised to them opportunity to go up to the Heaven above, and that promised to them Paradise, and/or that promised to them of a Utopia society, as long as they just endure, and wait, and wait, and wait - until they die and are buried?

In the area of **“man-made governments, and man-made laws”** - so many of the masses of the people **“blindly, and willingly, and freely”** believed in, and accepted all sorts of **“lies and deceptions”** of their corrupt, man-made systems of governments, and man-made legislation of law-makers - by blind faith, and especially because of their **“false securities and false dependencies”** upon their corrupt, man-made systems of governments. When men and women reject and desire to live in defiance and in rebellion against the true God of the Universe, and against his righteous Government-Kingdom and Holy Laws, and against his Perfect Will, then they are easily led to accept and to believe in the lies and deceptions of deceptive individuals of their man-made governments (Voices of Serpents), and of their legislation of law-makers - who have their own interests and gains at stake. How many evil laws, and bylaws, bills, ordinances, licensing, statutes, and judgment, as well as all sorts of taxation, were enacted to confiscate the land, homes, businesses, and various properties of the people, and especially in order to enslaved, oppress, exploit, and to rob the masses of the people - the very masses of the people who **“loved their slavery,”** corrupt,

man-made system of government, and their man-made laws of corruption and slavery - that deceptively promised to them **“all sorts of liberties, and deceptive freedoms, and great injustice for all,”** especially their liberties and freedoms to live in outright rebellion against the true God’s righteousness and morality, and against his righteous Government-Kingdom and Holy Laws? Additionally, how many men and women were willing to go forth, and to fight in all sorts of **“unjust wars”** (wars based on lies and deceptions) for their illusionary liberties, and deceptive freedoms, and in that so many of their young men and women needlessly die on the battlefields - for their man-made government that they loved, and were willing to die for, and were deceptively enslaved thereby? **What insanities of lies and deceptions, and what self-deceptions have people and nations been living under for the past 6000 years?**

In the area of **“business and economics”** - so many of the masses of the people **“blindly, and willingly, and freely”** believed in, and accepted all sorts of **“lies and deceptions”** of evil bankers, and evil business-persons - **by blind faith**, especially because of their seeking all sorts of **“financial securities”** in and of the evil bankers, and of their investments in corporations, and of evil business-persons. Additionally, so many of the people despised the Perfect Will of the true God of the Universe concerning being tillers (farmers/gardeners), and did not want **“land property,”** and did not want to have their **“own local, small businesses and industries”** - which things help to lead each person to being fully independent, as well as to having continual blessings, prosperity, riches and wealth - even forevermore. When men and women reject the true God of the Universe, and when they reject his Perfect Will for men and women to have **“land ownership,”** and to be **“tillers-farmers,”** then they are easily led to accept and to believe in the lies and deceptions of deceptive individuals (Voices of Serpents) in the areas of businesses and finances, and in the areas of all sorts of deceptive, financial investments. How and why were the evil corporate systems created? How many were mis-led to accept, and to believe in the lies and deceptions of the financial investment system that promise to the people **“great, continual growth of financial wealth, continual-compound interests, and great financial securities”** - only if they invested their hard-earned money into all sorts of financial investments? How many were mis-led to believe and to accept the lies and deceptions of all sorts of usury and unjust gain systems (charging of interest rates), and thereby became continually entrapped to creditors? How many were mis-led to believe and to accept the lies and deceptions of all sorts of **“evil, business laws”** that were enacted to deceive, enslave, rob, and even murder so many of the masses of the people - the very people who **“loved”** their corrupt, oppressive, robbery, and murderous economic system of business, and banking and finance, and of capitalism, or communism, or even of false religious economic beliefs - all that deceptively promised to them businesses, job opportunities, great riches and wealth, and also great financial securities, and great enjoyment of life in living in luxury - forever, and forevermore?

Money, Riches and Wealth? Is money, riches and wealth the root of all evil? It must be perfectly known and understood that **“money is NOT the root of all evil!”** In the Cities and Towers of Babel of this Earth men and women have been taught to accept total

defeat in every area, and to love to live in constant poverty and oppression, and to do so for the name of their false god (for their false religious beliefs), and also to hate money, riches and wealth while living here on this Earth, and to just wait to go up to the Heaven above. Again, **“money is NOT the root of all evil,”** as alleged by the false religious writings of the Roman Empire, which were created starting in year of 325 C.E. It is the true God of the Universe who placed gold and silver, and the various precious and base metals, and all of the natural resources on this Earth, and in that the people have an excellent and righteous currency system, and continual blessings, prosperity, and righteous, economic growth - even for thousands of years. It is the true God of the Universe who placed all sorts of natural resources and various mineral wealth on this Earth, and in that men and women can and do make all sorts of good products for the people to have and to fully enjoy continually, even for thousands of years.

Where did the **“root of all evils”** start from? It started in the Garden of Eden when Adam and Eve wanted to **“be as gods”** unto themselves, and in that they rebelled against the true God, and in that they rebelled against his righteous Government-Kingdom and Holy Laws, and Perfect Will. The **“root of all evils”** is when men and women want to **“be as gods”** unto themselves, and in that they seek to live in rebellion and in defiance against the true God of the Universe, and against his righteous Government-Kingdom and Holy Laws, and also against his Perfect Will in every area and way. Even today, how many men and women want to even hear the Name of the true God of the Universe? In this present time, how many want to know and obey the righteous Government-Kingdom and Holy Laws of the true God of the Universe? How many want to thoroughly and diligently examine and to turn away from all false beliefs, and from all false, philosophical ideas?

Because so many of the masses of the people wanted to be **“free - to be free as a bird,”** and to be fully free - to **“be as a god”** unto oneself, and to be **“free”** to live in rebellion against the true God of the Universe, and against his righteous Government-Kingdom and Holy Laws, so many of the masses of the people **“blindly, and willingly, and freely”** believed in, and accepted the **“lies and deceptions”** of evil individuals; and by **“blindly, and willingly, and freely”** believing in lies and deceptions, they became enslaved, oppressed, exploited, robbed, and even murdered by the very evil individuals of warlords, bankers, and evil merchantmen, whom they **“loved”** in their illusionary, golden, deceptive Cities and Towers of Babel of this Earth. Yes, so many of the people have been taught **“to love”** their evil enslavement in every area of life. Since the Garden of Eden to this present time, the **“truth”** of so many things has been known to people and nations, especially concerning the true God of the Universe, and concerning his righteous, Holy Laws, and concerning righteous dealings with others, yet since the Garden of Eden to this present time, how many have sought to live in rebellion against the true God of the Universe because of blindly believing some many things by blind faith of liars and deceivers? Because of rebellion against the true God of the Universe, so many of the masses of the people **“love”** their slavery, corrupt, man-made system of government and leaders, and they **“love”** their deceptive, slavery, robbery, economic system, and also they **“love”** their deceptive, slavery, false religious and false philosophical establishment. Yes indeed, Aldous Huxley was

truly right in that he said that so many of the masses of the people can be taught to “**love their enslavement;**” and it is because of the people’s rebellion against the true God of the Universe that they have blindly allowed themselves to be degraded, and to love their enslavement in every area of life. **Wake up all people and nations!!!**

#19 The Israelites Accepting of False Gods, Astrology, Paganism, and Witchcraft Beliefs and Practices, and the Perversion of the Holy Laws of the True God

Since the time of the deaths of Moses and Joshua to this present time, so many of the Israelites were always attracted to the false gods, astrology, paganism, and witchcraft beliefs of the ancient Cities and Tower of Babel, and of other nations, including to this present time. The Israelites were cursed and dispersed as a Nation, starting in around 760 B.C.E. by the Assyrian Empire, and in 586 B.C.E. by the Babylonian Empire, and in 66-73 C.E., and also again in 132-135 C.E. by the Roman Empire, and by being scattered throughout this Earth until the year 1948 C.E. The main reason why they were cursed and scattered was because of the acceptance of false gods, astrology, paganism, and witchcraft beliefs and practices. Since the time of the deaths of Moses and Joshua to this present time, the true, Holy Laws, and Holy Word, and even the true, Bible Prophecies, were perverted by both Jews and non-Jews. During the time of the Grecian Empire’s and Roman Empire’s occupation of the land of Israel, there were various sects engaging in various Civil Wars among the Jewish people - fighting for power and control over the Jewish people, especially for full control over the Temple. It was the Pharisee sect who gained the most power and control over the Jewish people after the First Roman-Jewish War of 66-73 C.E., and which sect took control over the Levitical priesthood by brute, military force - which things were, and are totally against the true God of the Universe. The Pharisees sect became known as Rabbinic Judaism after this First Roman-Jewish War. Sadly to say, the Pharisees - Rabbinic Judaism perverted “**all**” of the Holy Laws of the true God of the Universe, and they adopted “**all**” of the various false beliefs and false practices of the ancient Cities and Tower of Babel, and of other nations, and they combined these various false beliefs and practices with the true, Holy Laws, and Holy Word of the true God; and thereby, they created “**new laws, and new writings, and new beliefs**” that were called the “**Talmud (Oral Laws - Jewish Laws).**”

Let us examine some of the major, evil laws, writings and beliefs of Phariseeism, the Talmud, Rabbinic Judaism, and of the Rabbis:

1) Rabbis Having Absolute Authority on this Earth? - It is taught in the Rabbinic writings and teachings that “**only Rabbis**” have absolute authority on this Earth, and in that the true and Great God Almighty does “**NOT**” have any authority on this Earth. **Question:** Do Rabbinic Jews truly believe this evil belief and teaching? If Rabbinic Jews truly do indeed believe this abominable, evil and false teaching, the question must be asked: Do Rabbinic Jews pray to Rabbis, instead of praying to the true God of the Universe,

especially in a time of need - if they believe that God does not have any authority on this Earth?

2) **Rabbis Believing in Two Torahs?** - It is taught in the Rabbinic writings and teachings that there were “**Two Torahs**” given at Mt. Sinai, consisting of the Written Torah, and the Oral Torah. The question must be asked: How is it that the Oral Torah of the Rabbis goes against and contradicts “**all**” of the Holy Laws and teachings of the Written Torah of the true God Almighty? Secondly, do Rabbinic Jews fully believe that the true God of the Universe is a God of all sorts of massive contradictions, especially in that “**all**” of the evil and abominable beliefs and teachings of ancient Babylon are incorporated into the Talmud - Oral Laws, and religious commentaries, and religious opinions of the Rabbis?

3) **Rabbis Having Absolute Authority to Interpret Scriptures?** - It is taught in the Rabbinic writings and teachings that “**only Rabbis**” have the absolute authority to “**interpret**” Holy Scriptures, and in that “**God has NO say so**” concerning their (Rabbis) interpretations. Question: Do Rabbinic Jews truly believe this evil belief and teaching?

4) **Questioning the Interpretation of the Rabbis?** - It is taught in the Rabbinic writings and teachings that God himself “**CANNOT**” questioned the interpretation of the Rabbis. The question must be asked: Do Rabbinic Jews truly believe in this evil belief and teaching?

5) **Adding Thereto, and Modifying the Holy Laws of the true God?** - It is taught in the Rabbinic writings and teachings that the Rabbis can “**add thereto, and diminishing therefrom, and modifying thereof, and even laying aside thereof,**” especially for new conditions, the righteous, Holy Laws of the true God. **Important Note:** The true God of the Universe promises to execute the “**Death Penalty**” against all those who add thereto, and who diminish therefrom of “**HIS**” righteous, Holy Laws.

6) **Astrology and Witchcraft?** - It is taught in the Rabbinic writings and teachings the practices of astrology and witchcraft. Even in this present there are Rabbis who teach astrology and all sorts of abominable mysticism on the radio, and through all sorts of books, and various areas of the media. **Important Note:** The true God of the Universe promises to execute the “**Death Penalty**” against all those who turn to, and become involved in astrology and witchcraft.

7) **Sanctified Traditions?** - It is taught in the Rabbinic writings and teachings that “**man-made customs**” of the Rabbis of Israel is “**Law - Torah.**” Question must be asked: Do Rabbinic Jews truly believe that any type, or every type, of “**man-made customs of Rabbis of Israel is Law, as a Torah Law**”? The Holy Scriptures command “**NOT**” to add thereto, nor to diminish therefrom, of any of the Holy Laws of the true God of the Universe. For mortal men and Rabbis to set themselves up, and to establish “**LAWS - Custom Laws**” for the people to obey is no more than the setting up oneself to “**be as a god**” over the people.

8) **Commandments of Men?** - It is taught in the Rabbinic writings and teachings that Jews are to obey the “**commandments of men**” - the commandments of the Rabbis. Question: How is it that the Rabbinic writings and teachings fully teach outright rebellion and defiance against “**ALL**” of the Holy Laws of the true God of the Universe, the Holy Laws of Commandments that were written down and established at Mt. Sinai, yet demand that the Rabbinic Jews obey their “**commandments of men**”? The question must be asked: Do Rabbinic Jews truly believe that they must obey the “**commandments of men**” of the Rabbis, yet live in wilful defiance and rebellion against “**all**” of the Holy Laws of Commandments of the true God of the Universe?

9) **Community Laws of the Rabbis?** - It is taught in the Rabbinic writings and teachings for Jewish men, women and children to live under, and to abide by all sorts of “**Community Laws of the Rabbis.**” Question: Do Rabbinic Jews believe that they must subject themselves to all sorts of religious community laws of tyranny - laws that were perfectly designed to control the lives of Jewish men, women and children from the time of their birth to the time of their death? Secondly, do Rabbinic Jews believe that every aspect of their life must be meddled into, including the very intimate areas of their life by the Rabbis? Thirdly, do Rabbinic Jews believe that Rabbis can restrict them from going here and there, and from even having a television in their home, and from being on the Internet? Oh, how have so many men and women, not only Jewish men and women, have fully and “**freely**” allowed themselves to live under “**religious tyranny and enslavement**” because of not knowing, nor examining the Truth of the true, Holy Laws and Holy Word of the Holy Scriptures of the true God of the Universe - **on an independent basis?**

10) **The Zohar and Kabbalism - Witchcraft Beliefs?** - Do Rabbinic Jews believe in and accept the evil writings and beliefs of the Zohar and Kabbalism, which evil writings and beliefs are no more than witchcraft, astrology and areas of the occult? The true God of the Universe promises “**DEATH**” to all those who become involved in false gods, astrology, paganism and witchcraft beliefs.

11) **False Prophecies of the Rabbis?** - Throughout the past 2000 years the Pharisees and the Rabbis created all sorts of deceptive and perverted false prophecies among the Jewish people, which false prophecies led many millions of Jewish men, women and children to their death, and which caused many millions of Jewish to have “**waited in exile**” for their abominable, astrological meshiach. Secondly, in this present time, how many Jewish men and women are deceived by all sorts of “**false prophecies**” of the Rabbis, and of deceptive Biblical Codes, and of false prophecies concerning Gog and Magog, and also of false prophecies concerning a Persian king and Edom? The acceptance of the false gods of Rabbis, and the acceptance of astrology, and of waiting in exile for an astrological meshiach, and also the acceptance of all of the false teachings and beliefs of the Pharisees, the Talmud, Rabbinic Judaism, and of Rabbis, have proven to be a deadly curse among so many of the Jewish people. It is now time for the Jewish people to “**REPENT,**” and to totally destroy all of the “**false gods**” that have been among them, and to totally denounce and destroy Rabbinic Judaism - the Talmud from among them, and also it is now time for the Jewish

people to turn back to the **true GOD of Abraham** - the true God of the Universe, as well as **“RENEW their Holy Covenant”** with the true God of the Universe.

Again, the Talmud goes against **“all”** of the Holy Laws, and the Holy Word of the true God that were established at Mt. Sinai, and that are laid down in the Old Testament (the Tanakh). The Talmud fully encourages **“all”** of the evil beliefs and evil practices, sins, wickedness, crime and violence, and corruption of ancient Babylon, including in that it fully encourages the Jewish people to actually practice astrology, paganism, and witchcraft beliefs and practices among them, and of false gods. Because of the mixture of the true, Holy Laws, and Holy Word of the true God of the Universe - with the various ancient beliefs and false practices of ancient Babylon, the Talmud has always had the deceptive appearance of truth, piety, and holiness. The well-planned and wilful perversion of the true, Holy Laws, and the true, Holy Word of the true God of the Universe by the Rabbinic Judaism is the **“root cause”** of the continual deception, confusion, exploitation, oppression, robbery, constant wandering (scattering and waiting in exile), and even death of so many of the Israelite people, since the time of the Grecian Empire, to this present time.

How many **“innocent”** Jewish men, women and children have lived **“in rebellion and in defiance”** against the true God of the Universe, and against his Government-Kingdom and Holy Laws, and also against his Perfect Will, even **unknowingly** - all because of the deceptive Talmud - Oral Laws? How many **“innocent”** Jewish men, women and children fully believed that they were living in obedience, truth, piety, and holiness - when they were actually living in rebellion against, and in doing all sorts of evil deeds against the true God of the Universe, and against his righteous, Holy Laws of Commandments? How many **“innocent”** Jewish men, women and children have **“needlessly”** suffered, wandered and waited in continual exile, and so many were needlessly slaughtered - all because of the deceptive and cunning perversion of the Old Testament (the Tanakh) by the Pharisees - Rabbinic sages, and of their creation of the Talmud? How many **“innocent”** Jewish men, women and children have not known the truth concerning the **“true history”** of the Pharisees, and in that the Pharisees were actually warlords and murderers of their own people, and in that they brought needless wars and suffering to the Jewish people, and in that the Pharisees were the main ones who caused the Second Temple to be destroyed in 70 C.E., and especially in that the Pharisees were the ones who wilfully and deceptively perverted the true, Holy Laws, and Holy Word of the true God of the Universe by their creation of the Talmud - Oral Laws?

12) **Waiting in Exile?** - The belief of constant **“waiting in exile”** for a meshiach-messiah to come forth to save the Jewish people comes directly from the ancient Babylonian’s belief of false gods, astrology, paganism and witchcraft, and of its false teaching to constantly wait for a prince-deliverer to come forth to save the helpless people, which ancient Babylonian’s belief was incorporated into the writings and beliefs of the Talmud. How many Jewish men, women and children **“waited in exile,”** and were needlessly destroyed at various times for nearly 2000 years? It is time to thoroughly examine history, and see how many multimillions of Jewish men, women and children **“died**

needlessly, and many multimillions suffered needlessly” in the last century because of **“waiting in exile”** for an illusionary meshiach-messiah to come forth to save them - at any moment. Starting in the mid-1800s, it was the true God of the Universe who raised up Theodor Herzl, the secular Jew, as well as many others, and gave to them insights into many things concerning the Jewish people, and inspired them to go forth, and to **“warn”** the Jewish people **“to FLEE”** back to the land of Israel. Also it was the true God who inspired Theodor Herzl and many others to go forth and to do many things to help the Jewish people to re-settle in the land of Israel. (It must be noted that there were and are righteous Zionists, and that there were and are un-righteous Zionists among the Israelites throughout this Earth.) The true God of the Universe gave to Theodor Herzl and to many others in the late 1800s, and also in the early 1900s, **“spiritual revelations”** concerning the great evils that would be in the near future of the European and Middle-East nations and areas, and also concerning the great evils that would befall the Jewish people - if they did not flee. It was to the Perfect Will of the true God of the Universe for the Israelites to have fled from the European and Middle-Eastern nations and areas starting in the 1800s, and to have returned to the land of Israel - even before the early 1900s, and even before the rise to power of the communists and the Nazis. Why did multimillions of Jews not obey the warning? Answer: It was because of Rabbinic Judaism - the Talmud, and also it was because of Rabbis. There were Rabbis who rose up and fought against the Theodor Herzl, and who fought against the warnings of the true God to the Israelites, especially because of the deceptive beliefs and writings of the Rabbinic sages of the Talmud. Because of the failure to take heed to the warnings of Theodor Herzl - how many tens of millions of **“innocent”** Jewish men, women, and children needlessly suffered, and were needlessly slaughtered during the 1900s, including during the World War I and II, and during the communist reign in Russia and in other areas - all because of following the evil teachings and beliefs of the Talmud, and of listening to and obeying Rabbis?

Read the Holy Scriptures, and see how that the Prophet Jeremiah commanded the Israelites **“to FLEE Babylon,”** and for the people to **“NOT”** be destroyed in the overthrow of Babylon. (Read: Jeremiah 51:6-8; 51:45; 50:8-9; and also read Ezekiel, Chapter 33) Secondly, it is **“NOT,”** and it is never, to the Perfect Will of the true God, for men and women to **“pray for, nor to support, nor to blindly obey”** false religious authorities and false religious establishments, nor man-made governments and warlords, nor evil bankers, nor evil merchantmen of this Earth who controlled man-made governments, nor to **“wait in exile”** for some sort of astrological, meshiach-messiah to come forth to save them. How many Jewish men and women blamed the true God of the Universe for the atrocities of the past centuries? How many blamed the true God for their blindly believing in and following Rabbinic Judaism - the Talmud, and in Rabbis, and in the writings of the Zohar and Kabbalism? How many blamed the true God of the Universe for the multimillions of innocent Jewish men, women and children who were wasted away, and **“laid asided,”** and needlessly suffered, by the Great Wrath of Judgment of the true God for over the past 3500 years, especially during the collapsing and destruction of cities and nations of this Earth? The true God of the Universe has always had, and has even now in this present time, **“zero tolerance”** for defiance and rebellion against him, and against

his true and righteous, Holy Laws of Commandments, and against his Perfect Will for all people and nations of this Earth.

Even today, yes even today in this present time, how many **“innocent”** Jewish men, women, and children are **“waiting in exile”** in doomed areas and cities of this Earth that are now collapsing into total destruction with **“absolutely no recovery”** - all because of the Rabbinic Judaism - the Talmud, and because of sitting around and listening to Rabbis, and in that so many are constantly waiting in exile for their alleged meshiach-messiah to come forth to save them, and also in that they have been deceived into believing that they are to not to fight back - but rather just wait for their meshiach-messiah to come forth to save them, and just suffer, and just die for the sanctification of God’s Name? It is now time for **“every”** Jewish man, woman and child to open up the **“Tanakh”** (the Old Testament), and to start to thoroughly and diligently examine, study, learn, know, and perfectly understand the entire Holy Scriptures - **on an independent basis**. It is now time for **“every”** Jewish man, woman, and child to thoroughly and diligently examine, and to know the **“truth, and true history”** concerning the early Pharisees, and Rabbinic Judaism - the Talmud. It is now time for **“every”** Jewish man, woman and child to thoroughly and diligently examine many things, and learn, know, and understand how that the true, Holy Laws, and Holy Word of the true God of the Universe, and even the true, Bible Prophecies, have been, and were cunningly and deceptively **“perverted”** since the Garden of Eden to this present time by many different individuals, people, nations, and backgrounds. It is now time for **“every”** Jewish man, woman and child, and also for **“all”** nations and people, to perfectly know and understand that the true God of the Universe has always had, and has even in this present time, **“zero tolerance”** for the rebellion and for defiance against him, and against his righteous Government-Kingdom and Holy Laws, and also for rebellion against his Perfect Will. It is now time, and it is very important for **“every”** Jewish man, woman and child, and for **“all”** individual, people, cities and nations, to **“wake-up,”** and to realize, and see, know, and understand how that people and nations have been continually deceived and misled, and have continually and needlessly wandered and needlessly suffered, and also how that so many were needlessly slaughtered - all because of the **“deceptive and wilful perversion”** of the true, righteous Government-Kingdom and Holy Laws, and the Holy Word of the true God of the Universe by various, corrupt religious individuals, evil leaders and demagogues, and by evil, elite societies, and by corrupt business practices - since the time of Adam and Eve, and for the past 6000 years.

It is now the time, and it is to the Perfect Will of the true God of the Universe for the Israelites, and for all people, cities and nations, to wake up, and to learn, and know, and understand the truth, and the true history of many things, and to **“repent,”** and to return back to the true God of the Universe, and to return back to, and fully accept, obey, and live **“only”** under his righteous Government -Kingdom and Holy Laws, and to do his Perfect Will - **starting NOW!** Additionally, it is to the Perfect Will of the true God of the Universe for the Israelites, and for all people, cities and nations, to come together and unite, and to **“renew (or make) their Holy Covenant with the true God of the Universe,”** and know, accept, and live **“only”** under his righteous Government-Kingdom and Holy Laws, and do

his Perfect Will - **starting NOW!** They must do **“all”** of these things in order to be fully **“renewed-restored”** unto the true God of the Universe, and in order that they have and walk in the Mighty Power, and mighty leading, and perfect victory of the true God for them at all times, especially now in this present time, and forevermore. It is **“NOT”** to the Perfect Will of the true God of the Universe for the Israelites, nor for anyone who seek to love, serve, and obey the true God, to be defeated in this present, nor ever again; nor to be destroyed in any type of war in the Middle-East, nor be destroyed in the collapsing and destruction of cities and nations throughout this Earth. It is to the Perfect Will of the true God of the Universe for **“all”** of the true, holy saints of the true God of the Universe to **“fight back”** in his Mighty Power, and with his perfect leading, and to be mightily successful and victorious over **“all”** of their enemies, and over the evil individuals of this Earth now in this present time, and forevermore, and to **“never suffer”** for the Sanctification of his Holy Name in any area at any time, nor by anyone. Instead of suffering for the Sanctification of the Holy Name of the true God of the Universe, it is now time to rise up, and to be highly successful and victorious in the Holy Name of the true God of the Universe - the Great Yehovah Elohim.

Additionally, Did the Israelites Bring the True, Holy Word, and the Holy Laws of the True God to the Nations and People throughout this Earth? - There is a question that must be asked and answered. Did the Israelites give to the nations of this Earth the true, Holy Word, and Holy Laws of the true God? Answer: It must be known that it was the true God of the Universe who fully allowed the Roman Empire to confiscate a copy of the Hebrew, Holy Scriptures (the Old Testament) from the Israelites during their time of rule over the Nation and land of Israel starting in 63 B.C.E. The Roman Empire made copies of these Holy Scriptures by their scholars; and they kept these Hebrew, Holy Scriptures in their monasteries for many centuries. During the time of the Renaissance, and especially during the time of the invention of the printing press, it was the Europeans who fought, and many even died, to get copies of the Old Testament, along with their new, created religious writings of the New Testament, into the hands of the masses of the people. And since the time of the Reformation, it was indeed the Europeans, and men and women of European descents, who worked diligently to see that copies of the Old Testament, along with their new, created religious writings of the New Testament, were distributed among the masses of the people throughout this entire Earth, and in that **“billions of copies”** of the Hebrew, Holy Scriptures were distributed throughout this entire Earth, along with the European’s new, created religious writings of the New Testament. Full credit and honor must be given to the Europeans who sought to get billions of copies of the Old Testament into the hands of the masses of the people. Secondly, it must be known that since the time of Adam and Eve to this present time, there have always been **“righteous Goyim-Gentiles”** (non-Jews) throughout this Earth who loved, served, and obeyed the true God of the Universe, and who knew Truth, and the true, Holy Laws of the true God of the Universe, and who stood up for truth and righteousness - even before Abraham, and even before the time of Mt. Sinai. The **“first prophet”** on this Earth was a **“Gentile-Goyim.”** The mention of the **“first righteous priest”** on this Earth was a **“Gentile-Goyim.”** Enoch, Methuselah, Shem, and Noah, were all **“Gentiles-Goyim;”** and these men knew of, loved, and served the

true God of the Universe. Thirdly, it was the Gentile-Goyim Noah who was still alive during the time of the birth of Abraham, and who must have indeed taught Abraham. Fourthly, Abraham brought forth Tithes to the **“righteous, Gentile-Goyim Priest”** of the Most High God, the Gentile-Goyim Priest - Melchizedek, king of Salem. **Most important:** There is absolutely no pride, nor self-exaltation in serving the true God of the Universe - whether Jewish or non-Jewish, nor in the ministering of his Holy Word, nor in knowing the Holy Laws of the true God of the Universe, especially because the Holy Laws of the true God of the Universe were before the creation of Adam and Eve in the Garden of Eden, and also there is no type of pride in trying to establish any type of race superiority, nor religious superiority for any reason. Instead, there is always **“humbleness and meekness”** in serving the true God of the Universe, and in ministering to **“all”** people, cities, and nations of this Earth, the true, Holy Word, and the true, Holy Laws of the true God of the Universe - the Great Yehovah Elohim.

Destruction of All False Gods - All throughout the Holy Scriptures the true God of the Universe always demanded, and the true God demands especially now, the **“total destruction of all false gods”** (of all false religious beliefs, and all false religious writings and objects) **“before”** any person, and before any people, city or nation of this entire Earth, can return unto him, and in order to be accepted by him. All false religious, and all false cultural beliefs and practices, and all false philosophical beliefs and false ideas, must be totally abolished **“before”** returning to, and before being accept by, the true God of the Universe - the Great Yehovah Elohim.

A Righteous Remnant Among the Israelites-Jewish People - It must be known that since the time of the death of Moses to this present time there has always been **“the righteous remnant”** of Israelite men, women and children among the Jewish people. During the time of the Roman Empire there were various religious sects, yet there was a righteous remnant of the Israelites. Also, it must be noted that not all of the Jewish people accepted the false religious beliefs and false practices of the nations. Additionally, since the Garden of Eden, and throughout history, the true God of the Universe has always had a **“righteous remnant”** who remained truly faithful to him, and to his Holy Laws, even of Gentiles (other nations). In this present time, there are tens of thousands of Israelites-Jews (the righteous remnant) who wholeheartedly reject Rabbinic Judaism - the Talmud, and also who reject the false beliefs and practices of astrology, paganism, and witchcraft, as well as in that they reject the false ideas of **“laying aside, and modifying”** the Holy Laws of the true God of the Universe.

No Healing, and No True Victory, and No Full Restoration - There will absolutely be **“NO”** healing, and no true victory, and no full restoration of the Nation and people of Israel, nor for any person, people, city, or nation on this Earth, unto the true God of the Universe - the Great Yehovah Elohim, unless there is the **“full confronting thereof,”** and the **“total destruction”** of all of the false gods, false religious beliefs, astrology, paganism and witchcraft beliefs and practices of individuals, people, cities and nations of this Earth. The true God of the Universe **“fully and wholeheartedly”** demands the **“total destruction**

of **all**” false gods (of all false religious beliefs), astrology, paganism, and witchcraft writings, beliefs, and practices of **“all”** nations and people throughout this entire Earth, including the total destruction of **“all”** false religious writings, books, and related items and objects now in this present time. Throughout history, the true God never accepted anyone, as long as the person, or the nation, continued to hold onto false gods, astrology, paganism and witchcraft writings, beliefs and practices.

Revivals and Returning to the true God of the Universe - All throughout the Holy Scriptures, it is prophesied that so many of the people of Israel will now in this present time **“repent, and return wholeheartedly back”** to the true God of the Universe **“in truth, and in true righteousness,”** as well as in great love and obedience for the true God of the Universe - the Great Yehovah Elohim, and in that they will indeed be a righteous **“Light to the Nations”** to many nations of this Earth. It is now time for the Nation and people of Israel, to totally abolish **“all”** of the false religious beliefs, and false religious customs and practices, that they have adopted and believed in throughout their history, and to do indeed be a **“Light to the Nations”** - to the many individuals, people, cities and nations of this Earth. Secondly, it is now time for the Nation and people of Israel to totally abolish their present man-made system of governments, and **“all”** of their man-made laws and bylaws, along with the abolishing of their Knesset and Supreme Court, as well as to totally abolish **“all”** of their political parties, along with the complete abolishing of taxation, property taxation, all types of debts to creditors, customs and custom laws and custom taxation and custom restrictions, and all mortgages, because **“all”** of these things are in rebellion and in defiance against the true God of the Universe - the Great Yehovah Elohim. The Nation and people of Israel must **“repent, and wholeheartedly return to,”** and accept, and believe in, obey, and live **“only”** under the true God of the Universe - the Great Yehovah Elohim, and accept, and believe in, obey, and live **“only”** under his righteous Government-Kingdom and Holy Laws - starting now, and continue to do so for these next 1000 years, and do so forevermore throughout eternity.

Blessings to “All” Nations of this Earth - The true God of the Universe - the Great Yehovah Elohim, foretold in the Book of Genesis that **“all”** nations of this Earth will be blessed in the seed of Abraham (the Israelites - the Jewish people). Also, the Prophet Zechariah foretold by the Spirit of the true God that the Israelites will be a **“blessing”** to the nations of this Earth - **now in this present time**. In order for the Israelites (the Jewish people) to be of **“blessings”** to the people and nations of this Earth - they must repent, and they must denounce and destroy **“all”** of false gods, astrology, paganism, and witchcraft writings, beliefs and practices from among them now, including the Talmud, and in that they must return back to the true God of the Universe in righteousness according to his righteous Government-Kingdom and Holy Laws. Are the people and Nation of Israel, and all of the Jewish people, ready for the challenge, and for the perfect fulfillment of the Holy Words of Bible Prophecies of them being a **“blessed Light, and of great blessings”** to the nations and people throughout this Earth starting now in this present time, and be so forevermore throughout eternity? (Read: Genesis 12:1-3; 18:17-19; 22:15:18; 26:1-5; Zechariah 8:13. Also read: Zechariah 2:10-13)

#20 The Roman Empire, the Europeans, and the Well-Planned Perversion of the True, Holy Laws, and Holy Word of the True God of the Universe

It is truly true that the Roman Empire confiscated a copy of the Hebrew, Holy Scriptures from the Israelites during the time of their rule over the Nation and land of Israel starting in 63 B.C.E. Also, it is true that the Roman Empire's scholars made copies of these Hebrew, Holy Scriptures, and in that they kept these Holy Scriptures in their monasteries for many centuries. Sadly to say, it is also true that the Roman Empire's "elite society" saw how that the true, Holy Word, and Holy Laws of the true God of the Universe go against their entire "elite society" of corrupt establishments of their system of man-made government, and of their false gods, astrology, paganism, and witchcraft beliefs and practices, and also of their oppressive and slavery economic system. Therefore, the Roman Empire sought to pervert "every Holy Law" of the true God by well-planned deception and perversion; and they created a "new religion, and new belief" - by perverting the true, Holy Laws, and Holy Word, and true, Bible Prophecies of the true God, and thereby they combined their perversions with all sorts of false beliefs and false practices of false gods, astrology, paganism, and witchcraft beliefs and practices of ancient Babylon. By doing these things, the Roman Empire's elite society called their new, perverted writings the "New Testament;" and they called their newly, created religious belief "Christianity." The New Testament, and Christianity are the creation of the Roman Empire. The Roman Empire created these things, and they forced these newly created religious writings, beliefs and practices of "Christianity" upon the masses of the European people by brut, military force, and by continual, religious dictatorship, starting in the fourth century.

It must be fully known that the "alleged Jesus Christ" was, and is, a fictional creation of the writings of the Roman Empire, and that the alleged Jesus Christ "never existed" at any time in the history. How many men and women pray to, and fully believe by faith in the alleged Jesus Christ - a fictional character who "never existed" at any time in history? The entire New Testament is a collection of perverted writings of all sorts of astrological, pagan and witchcraft beliefs and practices of ancient Babylon, including of astrologers - wise men searching for the alleged Star of Bethlehem. The New Testament is filled with all sorts of astrological, pagan, and witchcraft beliefs and practices of ancient Babylon, and also the New Testament is filled with all sorts of contradictions, and of events that never happened. Most important, the New Testament teaches outright "rebellion against, and great hatred for all" of the Holy Laws of Commandments of the true God of the Universe, and the New Testament teaches the masses of the people to be defeated in every area of life, and to accept defeat, poverty, enslavement, exploitation, oppression, robbery, and even death, especially by accepting, praying for, and supporting corrupt, man-made systems of governments, and by accepting the false, corrupt economic system of this Earth.

How many "multi-hundreds of millions" of innocent, European men, women and children have "needlessly" suffered, and so many died, especially by the Great Wrath of the Judgment of the true God of the Universe for nearly the past 1700 years (since 325 C.E.),

and to this present time, because the true God of the Universe has always had, and has even today, **“zero tolerance”** for rebellion and defiance against him, and against his righteous Government-Kingdom and Holy Laws, and also against his Perfect Will, even unknowingly. How many Europeans, and how many men and women of European descent, and also how many **“billions of people”** throughout this Earth, know the **“truth, and the true history”** of the Roman Empire, and how that the Roman Empire totally perverted the true, Holy Laws, and Holy Word, and also the **“true”** Bible Prophecies of the true God with their creation of the New Testament, and the alleged Book of Revelation, and Christianity? **WAKE up all people and nations!** There will **“never”** be a return of a Jesus Christ because this fictional character never existed at any time in the history, and also because there will never be a rapture into Heaven, nor catching away, nor left behind, nor a return of any Jesus Christ. Today, in this present time, **“all”** of the European nations, as well as **“all”** man-made systems of governments throughout this entire Earth, are being constantly plagued by the Great Wrath of Judgment of the true God of the Universe, including by his **“Winds, and Whirlwinds,”** as well as by his **“Stone,”** and in that **“all”** man-made nations of this Earth are now collapsing into total destruction - with absolutely no recovery, especially because all man-made systems of governments, and all false religious beliefs, and the corrupt, oppressive, economic systems are all in outright rebellion against the true God of the Universe, and are against his Government-Kingdom and Holy Laws, and also are against his Perfect Will.

As previously mentioned, since the time of Adam and Eve in the Garden of Eden to this present time, all nations and people throughout this entire Earth have continually suffered the Great Wrath of Judgment of the true God of the Universe because the true God of the Universe has always had, and has even now in this present time, **“zero tolerance”** for rebellion and defiance against him, and against his righteous Government-Kingdom and Holy Laws, and against his Perfect Will, regardless of race, color, or creed, or people, or nation - including by Christian men, women and children.

#21 Many Other Different Religion Beliefs on this Earth?

In this present time, it is alleged that there are over 2000 different religious beliefs throughout this Earth. Where did all of these over 2000 different religious beliefs come from? There is **“only one”** true God of the Universe, and there is **“only”** his righteous Government-Kingdom and Holy Laws, and his Perfect Will. Throughout history, and throughout this entire Earth, all sorts of different religious beliefs were created and practiced among the masses of the people, and of cities and nations, yet throughout this entire Earth, and throughout history, the true God of the Universe has always had, and has even in this present time, **“zero tolerance”** for rebellion against him, and for rebellion against his righteous Government-Kingdom and Holy Laws, regardless of individual, people, city, or nation, and regardless of the people’s religious beliefs and practices. Since the time

of the Garden of Eden to this present time, the Great Wrath of Judgment of the true God of the Universe has continually gone forth throughout this entire Earth to bring down and to destroy “all” man-made civilizations of man-made systems of governments, and of all false religious and false cultural beliefs, and of astrology, paganism, and witchcraft, and also of the oppressive, economic system, especially because “all false beliefs and systems” are in rebellion and in defiance against him, and are against his righteous Government-Kingdom and Holy Laws, and are also against his Perfect Will. Today, throughout this entire Earth, “all” man-made governments, and all false beliefs, and the corrupt, economic system of this Earth, are collapsing into total destruction with no recovery by the Great Wrath of Judgment of the true God of the Universe.

#22 The Lack of Knowledge, and also the Rejection of Knowledge by So Many of the Masses of the People, and of Many Nations

It is “not” to the Perfect Will of the true God of the Universe for anyone to believe in anything from anyone by blind faith. Rather, it is to the Perfect Will of the true God of the Universe for each individual person to be able to “use their mind,” and to be able to “think” for oneself, and to “diligently and thoroughly examine” the various writings, beliefs, teachings, history books, and the various things of life, and especially to seek the true God of the Universe concerning all things, and to do so “on an independent basis.” Adam and Eve were cursed and driven from their Garden of Eden, and were made “homeless” because they “blindly, freely and willingly” accepted and blindly believed things by “blind faith” of the Voice of a Serpent, which was the voice of lies, and deceptions, and of evil temptations. How many men and women today have been made “homeless” because of believing many things by blind faith of others, including of false religious beliefs and religious groups or sect, and of false philosophical beliefs and ideas, and of man-made systems of governments, and also of the deceptive, robbery, economic system and financial investments of this Earth?

Important Questions:

- 1) How many men and women truly want to know the “truth” of the true God of the Universe, and of his Government-Kingdom, Holy Laws and Holy Word, and also of his Perfect Will for mortal men, women and children here on this Earth? Everyone knows from deep within their very soul that there is a true God of the Universe, and that there are spiritual forces on this Earth, and also that there is spiritual enlightenment of righteousness and justice, regardless of the circumstances?
- 2) How many men and women truly want to learn, know, understand, and obey the righteous Government-Kingdom, Holy Laws, and Holy Word of the true God of the Universe - on an independent basis?

3) How many men and women truly want to know how that the righteous, Holy Laws and Holy Word, and even the true, Bible Prophecies, of the true God of the Universe were cunningly and deceptively **“perverted”** - by various demagogues, warlords, false religious leaders, and evil men and women - since the Garden of Eden, and throughout history, and even to and in this present time?

4) How many men and women truly want to know the **“truth,”** and the **“true history”** of their religious beliefs, and of their religious establishment or sect/group, and of their man-made system of government, and also of the deceptive, economic system, and deceptive, financial investments of this Earth?

5) How many men and women truly want to know the **“truth,”** and the **“true history”** of the various false beliefs, lies, and deceptions that have been promoted and fully encouraged among the masses of the people by the elite societies of this Earth, including in the areas of the different, false religious beliefs throughout this Earth, and of the various man-made systems of governments, and also of the corrupt, robbery economic system of this Earth?

6) How many men and women have become spiritually and deceptively **“indoctrinated,”** entrapped, and enslaved, and even robbed, **“by their own free-will”** because they believed things by blind faith concerning their religious sect/group because of not knowing, and for not diligently researching to know the truth of many things, and because of blindly joining a particular religious sect/group, and especially because they were told to just accept, and to just believe things by blind faith?

7) How many men and women have become spiritually and deceptively **“indoctrinated,”** entrapped, and enslaved, and even robbed, **“by their own free-will”** because they believed things by blind faith concerning their man-made systems of government (including democracy, or communism/socialism), and also concerning things of the false, economic system of this Earth with its deceptive financial investment schemes and trickeries, and also concerning deceptive teachings of universities?

8) How many men and women have **“refused, and have not wanted”** to learn, know, and understand the **“truth, and the true history”** of many things, including concerning their religious beliefs, and their religious sect/group, and concerning their own, corrupt government, and also concerning the corrupt, economic system of this Earth?

9) How many men and women have **“refused, and have not wanted”** to examine and know many things because their false, religious beliefs told them to believe that they will go up to the Heaven above - at any moment, or that some meshiach-messiah, or prince, will come forth to save them - at any moment?

10) Even in the areas of current events of this Earth in this present time, how many men and women totally dismiss things as being no more than **“conspiracy theories,”** and have failed to question, and to examine to see whether or not something is a conspiracy theory, or a **“conspiracy fact of truth,”** including concerning their religious belief, and concerning their government, and also concerning the false, corrupt, economic system of this Earth? Yes, how many men and women today have truly failed to thoroughly and diligently examine many things on an independent basis?

The Holy Scriptures in the Book of Hosea say that the people are **“destroyed”** because of a **“lack of knowledge,”** and also the Holy Scriptures say that the people are **“destroyed”** because of the people’s **“rejection of knowledge”**? To refuse to learn, and to know the truth, and the true history of things, is to reject knowledge. The **“lack of knowledge,”** and also the **“rejection of knowledge”** of many things, are evil elements that have kept so many of the masses of the people throughout this Earth in the midst of continual, **“darkness, and spiritual darkness”** of believing in lies and deceptions of many different things in life, and in a continual state of being **“degraded,”** and in a continual state of slavery, exploitation, oppression, robbery, and even of being murdered by their own government, and of the elite society, as well as of being in a continual state of a **“feeling of being powerless”** to change anything.

“True Knowledge is very powerful.” It is to the Perfect Will of the true God of the Universe for everyone, and for the masses of the people, to always **“diligently and thoroughly”** read, study, examine, know, and understand the truth of him, and of his righteous Government-Kingdom, Holy Laws, and Holy Word, as well as know of and do his Perfect Will for mortal men, women and children here on this Earth. Additionally, it is to the Perfect Will of the true God of the Universe for everyone - for the masses of the people, to always **“diligently and thoroughly”** read, study, examine, know, and understand the truth of many things of life, including concerning the ancient, religious beliefs of ancient Babylon, and of the true, past history of people and nations, and of religious sects, and also of many other things of life, as well as to **“diligently and thoroughly”** examine to see whether or not something is just a **“conspiracy theory, or a conspiracy fact of truth,”** regardless how painful it may be, including concerning whether or not their own government is seeking to kill them, and to enslave the masses of the people.

The words that are written in the Book of Hosea concerning being destroyed because of the lack of knowledge, and also because of the rejection of knowledge, are words of truth, and of warning to **“all”** people and nations throughout this Earth, especially in this present time. To thoroughly and diligently examine one’s religious belief, and one’s man-made system of government, and the deceptive economic system of this Earth, **“is not”** an act of doubt of one’s true love and faith for and in the true God of the Universe. A person could seek to love the true God of the Universe with all of their heart, and with all of their soul, and with all of their strength, to all of their ability, yet a person could be wrong in many areas of life, including in the area of their religious belief, and in their view of God, especially if a person accepted many things by blind faith in the past, and/or if a

person just believe what their parents told them concerning many things. If a person seeks to love, serve, obey, and have faith in the true God of the Universe, a person must know and understand that it is **“very important”** to love, serve, obey, and have perfect faith in the true God in the **“truth of things,”** and not be in deceptions of things by blind faith, especially in knowing and seeing how that many **“religious”** men, women, and children suffered, wandered, and were slaughtered **“needlessly”** in the past because of the **“lack of knowledge”** of many things of life. Again, the Prophet Hosea wrote: **“My people are destroyed because of a lack of knowledge:....”** No one can have perfect faith, and be truly righteous, successful, and victorious in the true God - when they have **“blindly accepted, and blindly believed”** many things of false religious beliefs, and of many things of man-made systems of government, and of the false, economic system of this Earth. Also, no one should ever fear reaching out to **“thoroughly and independently”** examine one’s religious, and one’s governmental, and one’s economic beliefs, especially because multi-billions of people throughout history have suffered, and have needlessly died because of being mis-lead by false religious beliefs, and by false religious leaders, and by man-made systems of governments, and also by the false economic system of this Earth, especially because of accepting and believing many things by blind faith.

Men and women must become fully knowledgeable of the fact that **“all”** of the major religious beliefs throughout history and throughout this Earth were created by the **“elite societies;”** and these false religious beliefs were **“forced”** upon the masses of the people by brut, military force, and also by brut, religious dictatorship by the **“elite societies;”** and these false beliefs have just continued to exist among the masses of people throughout the many generations of people and nations for the past thousands of years, yet in many areas in modified forms. **This is a historic fact.** Where did a person’s religious belief and religious writings come from? Was one’s ancestors ever **“forced”** to convert, or to accept a particular religious belief that the person believes in? Again, how many men and women today know the **“truth, and the true history”** of their present religious, and governmental, and economic beliefs? Also, does a person truly want to know the truth, and the true history, of these things? Yes, do you truly want to know the truth of things? It must be noted that in past years, and in past centuries, and in past millenniums, there have been **“multi-millions of people”** who started to examine many things **“on an independent basis;”** and they came to the knowledge of the truth of many things; and they turn to, and converted, and joined unto the true God of the Universe; and they accepted his righteous Government-Kingdom, Holy Laws, and Holy Word; and by doing so, they became highly blessed and prosperous in every area of their life.

Today, the **“Ten Commandments of the Great Yehovah Elohim”** are despised, and are viewed by many people as being **“unconstitutional, and as being outdated”** in man-made governments of 21st Century Cities of Babel (Babylon) of this Earth. Many hundreds of millions of people today have **“highly exalted”** their blasphemous, man-made governments, deceptive laws, man-made constitutions, man-made Bills of Rights, deceptive freedoms, and deceptive civil liberties, cheap labor, and oppressive economic system - against and above the righteous, Ten Commandments, and Holy Laws, and righteous

Government-Kingdom of the true God of the Universe - the Great Yehovah Elohim, and also against his Perfect Will for mortal men and women in every area. Over 4000 years ago, at the ancient Cities and Tower of Babel, the people also **“highly exalted”** their man-made government, deceptive freedoms, religion of idolatries, false gods, astrology, paganism and witchcraft beliefs and practices, as well as their oppressive business system, against and above the true God - the Great Yehovah Elohim in the Heaven above, and against and above his righteous Government-Kingdom and Holy Laws, and also against and above his Perfect Will. The Great Yehovah Elohim came down from the Heaven above and cursed the masses of the people with massive confusion, and with scattering throughout this Earth. The Great Yehovah Elohim drove the masses of the people to insanity, and to scattering (being made homeless), and so many to death, and also to live in backward, primitive societies. (Read: Genesis 11:1-9; 10:8-19)

Freedom? and Freedom of Religion? or Tyranny of Oppression With an Illusion of Freedom? Many men and women today claim freedom, and freedom of religion, and economic prosperity, yet are they truly free? or are they truly deceived, enslaved, exploited and constantly robbed by man-made governments, and by the deceptive economic system of this Earth? Many men and women today may be **“free to live in rebellion, sins and great wickedness”** against the true God of the Universe - the Great Yehovah Elohim, in every area and way, and have freedom of speech to say all sorts of evil things, yet how many are entrapped by the brut, iron force of power of their man-made systems of governments throughout this Earth, and by the deceptive economic system of this Earth, who prey upon the people to entrap them into all sorts of enslavements? How many men and women today are having **“every area of their lives and personal privacy”** being threatened and invaded by all sorts of deceptive laws, ways, and means by freedom-loving governments of today? How many today have all sorts of increasing fears of their very own freedom-loving, man-made system of government? How can anyone say that their government is so great when they **“fear”** their very own man-made system of government? How many laws have been enacted to take away all of the freedoms, and freedom of religion, as well as to take away the people’s businesses, jobs, homes, land, farms, various properties, riches and wealth that so many people worked so hard for and obtained? All of these things exist today in man-made systems of governments that promise **“freedom, freedom of religion, bill of rights, and civil liberties.”** Are the people truly free? or are the people truly deceived, and also enslaved, exploited and robbed in so many areas of their life?

The Great Yehovah Elohim in the Heaven above created both Adam and Eve in **“freedom;”** and true freedom and liberty are to the Perfect Will of the Great Yehovah Elohim for **“all”** people and nations, yet all people and nations must fully see, know and understand that it is by living **“only”** under the true God - the Great Yehovah Elohim, and by living **“only”** under his righteous Government-Kingdom and Holy Laws, and by doing his Perfect Will, including in that everyone has land ownership, are there **true Freedom, Liberty, true Righteousness (right dealings), and true Justice (just dealings) for all, as well as there being great blessings, prosperity, great financial freedom, and great financial independence, and freedom for all.**

“History truly does indeed repeat itself” time and time again in that many mortal men and women have continually desired to reject, and to rebel against the true God - the Great Yehovah Elohim, and against his Government-Kingdom and Holy Laws, and against his Perfect Will in every area; and in that so many have continually desired their blasphemous, man-made systems of governments (Cities of Babel), and their man-made constitutions, deceptive laws, idolatrous religious beliefs, and oppressive, robbery economic system, especially because of all sorts of **“deceptive freedoms, and deceptive freedom of religion, and illusionary lifestyles, as well as because of their false securities, and false dependencies upon their warlords - government men.”** Secondly, are religious men and women who claim to know, love and serve the true God deceived by the various man-made systems of governments of today? and are they deceived by deceptive freedoms, and deceptive freedom of religion? and also are they deceived into believing that they must pray for, obey, and support rebellious Cities of Babel (Babylon) of this Earth in this present time? Throughout history, how have many religious, and how many non-religious, men and women, as well as cities and nations, been cursed and destroyed by the Great Wrath of Judgment of the Great Yehovah Elohim because of praying for, obeying, and fully supporting evil kings and queens, and evil governments, and evil men in governments, and evil religious leaders, and evil religious establishments, and false religious authorities, as well as evil businessmen? How many men and women, even religious men and women, fully obeyed and supported their evil government in 1900s, and in that over 250 million people were massacred by evil men in man-made governments, and in business and banking, and in the evil religious establishments?

All man-made systems of governments, and the deceptive economic system, and all false religious beliefs, are built upon the sinking, quagmire of **“Miry Clay and Iron”** of well-planned **“deceptions, illusions, robbery, entrapments, and cunning, deceptive tyranny - of the masses of the people throughout this Earth.”** The Prophet Daniel clearly shows how that all man-made kingdoms of the Metallic Image were built upon the sinking Miry Clay and Iron of so many of the masses of the people. (Read: Daniel, Chapter 2) Since the Garden of Eden the Great Yehovah Elohim has never tolerated, nor will ever accept, any type of man-made system of government on this Earth - not even democratic form of government. Secondly, the Great Yehovah Elohim never told any group of men and women on this Earth to go forth and to establish any type of man-made system of government on this Earth, not even during the 1700s and 1800s, nor thereafter of this Common Era. The Great Yehovah Elohim in the Heaven above promises **“curses, famine, destruction, scattering (dislocation), and death”** to **“all”** those who reject and rebel against him, and against his Government-Kingdom and Holy Laws, and against Perfect Will for all people and nations. Since the Garden of Eden to this present time many curses have been fully executed against people and nations throughout this Earth. A question must be asked: What type of government did Sodom and Gomorrah have, and also what type of Civil Liberties and freedom of expression did they have - before the Great Yehovah Elohim executed his Great Wrath of Judgment against the masses of the people? **Sodom and Gomorrah were “freedom-loving people.”**

It is now time for “all” people, cities and nations throughout this entire Earth to thoroughly and diligently examine, and to know the “**truth, and the true history**” of their religious beliefs, and of their man-made system of government, and also of the false, deceptive, economic system of this Earth. Most important, it is now time for “all” people, cities and nations to repent, and to turn to the true God of the Universe, and to turn to, accept, obey, and live “only” the true God’s righteous Government-Kingdom and Holy Laws, and know, accept, and obey his Perfect Will. It is now time for “all” individuals, families, people, cities and nations throughout this entire Earth to “**thoroughly and diligently**” seek the true God of the Universe in Prayers, and to ask the true God to help them to know and understand the “**truth**” of his righteous Government-Kingdom and Holy Laws, and Holy Word, as well as to help them to know and understand the “**truth, and the true history**” of how that all sorts of false beliefs and practices of ancient Babylon were infiltrated, and were incorporated into the various false religious, and man-made systems of governments, and of the false economic system, of “all” people and nations throughout this entire Earth for over the past 4200 years. It is now time for “all” individuals, families, people, cities and nations throughout this entire Earth to repent, and to return to, and to convert unto, and to be joined to the true God of the Universe - the Great Yehovah Elohim, and to turn, accept, obey, and live “only” under his righteous Government-Kingdom and Holy Laws, and to do his Perfect Will.

#23 Promises of Death for Rebellion Against the True God of the Universe, and the Failure of the People to Execute the Death Penalty Against Evil Individuals

In the very beginning of the creation of this Earth, the true God of the Universe promises the “**Death Penalty**” for rejection and rebellion against him. Adam and Eve were told that in the day that they rebel against the Holy Law of the true God that they would die. In Deuteronomy, Chapter 28, and in Leviticus, Chapter 26, it is written and shown that the true God fully executes the “**Death Penalty**” against individuals, and against the people when they reject and rebel against his Holy Laws. It must be perfectly known and understood that the Government-Kingdom and Holy Laws of the true God of the Universe existed, and were in rule and dominion “**before**” Adam and Eve were created on this Earth, even though these Holy Laws were unwritten on this Earth at that time. These Holy Laws are written in the Heaven above. The true God judged Adam and Eve by his Holy Laws. The true God judged and executed his Great Wrath of Judgment against the people during the Flood of Noah by his Holy Laws. Throughout this entire Earth, and throughout the history of mortal men and women, the true God of the Universe has always judged “all” individuals, people and nations by his righteous Government-Kingdom and Holy Laws - even if the individuals, people, or the nation did not know the Government-Kingdom and Holy Laws of the true God of Universe.

Secondly, it is, and it has always been, to the Perfect Will of the true God for the people to always “**take a stand against**” evil and wicked individuals, and “**to put away**” evil and wickedness from among them, and to always have “**zero tolerance**” for evil and

wickedness, and for evil and wicked individuals. When men and women, cities and nations, reject and rebel against the true God of the Universe, and reject and rebel against his Government-Kingdom and Holy Laws, and in that they fully embrace, love, and accept evil and wickedness, and evil and wicked individuals, and evil and wicked governments and warlords, and also in that they fail to execute the **“Death Penalty”** for all of the Death Penalty sins, then the **“Death Penalty”** is executed against so many of the masses of the people, and against their cities and nations by his Great Wrath of Judgment, and in that their cities and civilizations do not recovery. Throughout history, all previous man-made civilizations were brought down by the Great Wrath of Judgment of the true God of the Universe, and in that they did not recovery. It is now time for **“repentance,”** and for the returning of men and women, and of people and nations to the true God of the Universe, and to his righteous Government-Kingdom and Holy Laws, as well as to turning to doing his Perfect Will - starting now.

Change of Governments for “All” People, and for “All” Nations throughout this Earth - Now in this Present Time

Mortal men and women, and people and nations must have **“LAWS and Government”** to live by, and to be judged by, and in that there be righteous Courts of Laws for everyone - with full equality in every area of life. There is **no need** to be fearful and afraid to live under the Holy Laws of the Great Yehovah Elohim - if men and women come to know and understand the **“TRUTH”** of the Government-Kingdom and Holy Laws of the Great Yehovah Elohim. It must be known and understood that the Holy Laws of the Great Yehovah were perverted in every area and way, and in past times, men, women and children lived under the tyranny of false religious establishments, and under perverted laws, and also under **“religious slavery”** in every area of their life. All false religious beliefs, and all false houses of worship, were no more than brut enslavement of the spirit, soul, mind, physical body, and of life itself - in every area of life. It is now time for men and women to know and understand the great blessings, prosperity, and goodness, and **“true freedom”** by living **“only”** under the true God - the Great Yehovah Elohim, and by living **“only”** under his Government-Kingdom and Holy Laws, and by doing his Perfect Will in being tillers of this Earth - on one’s own land property.

Throughout history, and throughout this Earth, many men and women called for, and elected to have, a **“change of government, and even sought to have a revolution and war to overthrow their evil government.”** In this present time, how many individuals, families, people, cities and nations throughout this entire Earth would like to **“totally abolish”** their present, man-made system of government, along with **“all”** of their man-made laws, bylaws, ordinances, statutes, bills, licensing, permits, rules and regulations? How many individuals, families, people, cities and nations throughout this entire Earth would like to **“totally abolish”** their false religious beliefs, and their false cultural, and false philosophical beliefs and ideas? How many individuals, families, people, cities and nations throughout this entire Earth would like to **“totally abolish”** the false, oppressive, economic

system, including “**totally abolish all**” types of taxation and custom taxation, and all types of debts, credit card debts, mortgage debts, college student loan debts, liens, encumbrances, indenture servitude, and continual enslavement, as well as to “**totally abolish**” the evil system of “**corporations**” throughout this entire Earth, and in that “**full restoration**” is to be given to the masses of the people? Yes, how many would like to “**totally abolish**” all of these evil things, especially because “**all**” of these evil things are against the true God of the Universe? Even so, in this present time, the true God of the Universe - the Great Yehovah Elohim, is now going forth throughout this entire Earth in order to bring down, and to throw down, and to totally destroy all false religious, and false cultural, and false philosophical beliefs and practices, and all man-made systems of governments, and the deceptive, slavery, corrupt economic system of this Earth - by his Great Wrath of Judgment, especially by plaguing the cities and nations of this Earth by his “**Winds and Whirlwinds**” of continual, destructive weather conditions, and by all sorts of destructive, geographical disasters, and in that they do “**not**” ever recover.

Most important: How many individuals, families, people, cities and nations throughout this entire Earth would like to “**repent,**” and “**return**” to, and fully accept the true God of the Universe - the Great Yehovah Elohim now in this present time? How many would like to turn to, and fully accept, and “**change over**” thereto, and obey, and live “**only**” under the righteous Government-Kingdom and Holy Laws of the true God of the Universe - the Great Yehovah Elohim - starting now this very day and present time? How many would like to turn to, and know, and perfectly do, and perfectly fulfill the Perfect Will of the true God for all people and nations, including concerning land ownership, and of being diligent, good tillers (farmers, gardeners, foresters, and animal husbandry-persons on this Earth for these next 1000 years of this Seventh Millennium, and forevermore?

In order for individuals, families, people, cities and nations throughout this entire Earth to have a “**new beginning,**” and for there to be repentance and returning back to the true God of the Universe, and in order for there to be full forgiveness, cleansing, healing, salvation, restoration, blessings, and prosperity by and unto the true God of the Universe now in this present time, and for this Seventh Millennium, the various things that have caused for there to be the great “**spiritual darkness, lies and deceptions**” to be placed upon all people and nations must be thoroughly and diligently examined and confronted, including the “**spiritual darkness and deceptions**” of the created, false religious beliefs of false gods, astrology, paganism and witchcraft beliefs and practices, and of man-made systems of governments, and also of the false, corrupt, economic system of this Earth.

The Great Wrath of Judgment of Destruction Will be Ended - There will be a time in which there will be an “**ending to the total destruction**” of areas, towns, cities and nations throughout this Earth **now in this present time**. In this present time, there will be now a “**new beginning**” for people and nations, and the establishing of a new system of government, in which the Great Yehovah Elohim, and his Government-Kingdom and Holy Laws will be in full rule, power, authority, and dominion throughout this entire Earth. Therefore, in spite of the turbulent time that we are all going through at this present

moment, if you truly seek and love the Great Yehovah Elohim, do indeed hold onto your love, obedience, and faith in him, and know that the collapsing and total destruction of all man-made systems of governments are now in its **“final stage”** of destruction. The question must be asked: Will it take **“many more years, or many more months”** for **“all”** man-made systems of governments to be totally destroyed? The answer: The **“time element”** of **“all”** man-made systems of governments is **“OVER, finalized.”** Secondly, it will **“not”** take years for this final destruction of nations. There will be **“global earthquakes”** now in this present time that will bring total destruction to many cities and nations of this Earth - if people, cities and nations fail to repent, and to turn to the true God of the Universe - the Great Yehovah Elohim. There will indeed be a new start living under the true God - the Great Yehovah Elohim - starting now.

It is prophesied in the Book of Daniel, Chapter 7, that **“after”** the destruction of all of the man-made nations of this Earth that the **“...saints will take the kingdom.”** Also, it is prophesied in the Daniel, Chapter 2, of **“... the God of Heaven set up a Kingdom, which shall never be destroyed:...”**

The words **“saints will take the kingdom,”** and the words **“the God of Heaven set up a Kingdom”** are of symbolic meanings, and are referring to this present time in the history of mortal men and women living on this physical Earth. The **“taking and the setting up of the true God’s Kingdom,”** is the setting up of the Great Yehovah Elohim’s Government-Kingdom and Holy Laws throughout this entire Earth - **now in this present time.** Also, be perfectly assured that the world is **“not”** coming to an end! This present time is the time of the great redemption, salvation, cleansing, forgiveness, healing, restoration, blessing and prosperity of many individuals, families, people, cities and nations throughout this entire Earth **“unto the Great Yehovah Elohim”** - of all those who do indeed humble themselves, repent, turn to, convert, and be joined to the Great Yehovah Elohim, and are willing to accept, obey, and live only under his Government-Kingdom and Holy Laws, and also are willing to do his Perfect Will. Also, it is prophesied that many nations will convert, and be joined unto the Great Yehovah Elohim - now in this present time.

This present time is the time in which the prophecies of **“the lamb will lay down with the wolf”** (which is of symbolic meaning), and in that there will be Universal Peace throughout this entire Earth, will be perfectly manifested and fulfilled now in this present time. It must be known and fully understood that there have been times in the past when there had to be the total destruction of certain things in order to rebuild for deliverance, well-being, and great blessings, and of a new beginning. It is like tearing down an old, decayed, and crumbling house in order to rebuild a brand new, luxury, beautiful, well-built home with all sorts of modern, hi-tech, and great things in it.

Starting now in this present time (after the total destruction of all man-made systems of governments throughout this entire Earth), this is the time in which the Great Yehovah Elohim will truly rule and reign as the only God, and the only Great and Supreme King,

and also the only Ruler and Owner of and over all people and nations, and of and over all the Earth, and in that **“only”** his righteous Government-Kingdom and Holy Laws, and also his Perfect Will, will be in full rule, power, authority and dominion throughout this entire Earth, and will be so throughout eternity. Additionally, during this new beginning of the **“only”** rule of the true God - the Great Yehovah Elohim, throughout this entire Earth, all of the land areas of this Earth must be, and will be under the rule of the Great Yehovah Elohim of the Universe, and will be re-divided into new provinces, which new provinces are to be independently governed, and be governed only under the Government-Kingdom and Holy Laws of the Great Yehovah Elohim, and in that the land areas within each of these new province must be, and will be **“justly divided”** into allotments of land, and in that these allotments of land properties will be **“freely given”** to the masses of the people as a generational property with Title Deed thereto. When the Great Yehovah Elohim, and his Government-Kingdom and Holy Laws are in full rule, power, authority, and dominion, and when land property is freely given to the people throughout this entire Earth, the people will be able to have a **“completely new start in life”** living under the true God, and living **“only”** under his Government-Kingdom and Holy Laws, and in that they have a **“completely new start in life,”** including in being able to grow in the great blessings, prosperity, goodness, riches and wealth of the Great Yehovah Elohim, as well as in the perfect establishment, perfect peace, and perfect well-being of the Great Yehovah Elohim - here on this physical, blessed, beautiful, Good Earth that he has graciously given to mortal men, women and children living here on this Earth. Secondly, there must be, and there will be completely new **“righteous and just”** small and mid-sized, local businesses and industries within each new province. Thirdly, there must be, and there will be, no more taxation, nor property taxation; and no more the usury and unjust gain systems of the charging of interest rates and late fees upon the people.

As the allotments of land ownership are freely given to the people, as a generational property with Title Deed thereto, men and women are to go forth and inherit their new land property. Men and women are to know, obey, and perfectly fulfill the Great Yehovah Elohim’s Perfect Will for them in that they are to be fully self-employed unto the Great Yehovah Elohim, as being diligent, good **“tillers”** (farmers, gardeners, foresters, and good husbandry-persons) of their own land property, as well as be good stewards over the Earth, and over all of the animals and sea creatures of this Earth. This is now the time in which the remaining nations of this Earth (after the destruction of many cities and nations) will indeed **“beat their swords”** of the military industrial complex into plowshares of high-tech agricultural-farming, gardening, forestry, and husbandry machinery, equipment, tools and supplies here on this present Earth. This is now the time in which there will be no more need for men, women and children to live in fear of a lack of food, clothes and shelter; nor to live in fear of warfare throughout this Earth; nor to live in fear of being uprooted from their land, homes, businesses, industries, cities, and new province.

Salvation, Healing, and Restoration - If men and women, and if people, cities and nations throughout this entire Earth, would **“repent,”** and turn to, convert unto, and be joined unto the true God of the Universe, the true God of the Universe will **“immediately**

STOP” the execution of his Great Wrath of Judgment against the people, cities and nations of this Earth - **now this very day**, and in this present time, and in that there will be great and full salvation, cleansing, healing, restoration, blessings, well-being, and perfect peace for **“all”** those who do indeed turn to, convert, and be joined the true God of the Universe, and to his Government-Kingdom and Holy Laws, and who will do his Perfect Will.

Universal Blessings, Prosperity, and Peace Throughout this Entire Earth - Starting Now in this Present Time

Mortal men, women and children will indeed be fully restored and renewed unto the true God of the Universe - the Great Yehovah Elohim in every area of life, and in the fullness thereof, and in **“all”** of his great blessings, prosperity, riches, wealth, perfect peace, perfect rest, and well-being of the true God that he originally gave to Adam and Eve, and that will be, and is now being restored to mortal men, women and children in every area of life, and in the fullness thereof - now in this present time. There will be **“Universal Peace”** throughout this physical, blessed, beautiful, **Good Earth** that the Great Yehovah Elohim has graciously given to mortal men, women and children, and of which Good Earth will indeed last for these next 1000 years of this blessed, Seventh Millennium. Remember that when the Great Yehovah Elohim created this physical Earth, and mortal man and woman on this Earth, he deemed both Adam and Eve, and the physical Earth as being **“GOOD;”** and also remember that the Great Yehovah Elohim created mortal men and women for his purpose, and for mortal men and women to perfectly and mightily know, understand, and fulfill his Perfect Will for them here on this physical Earth. The Perfect Will for mortal men, women and children will indeed be perfectly fulfilled now in this present time, and in this Seventh Millennium of these next 1000 years here on this physical, blessed, beautiful, **Good Earth** of the true God of the Universe. Do indeed read, and be fully encouraged by the various, Holy Scripture verses concerning the **“great salvation, renewal, and restoration”** of mortal men, women and children unto the Great Yehovah Elohim - **starting now in this present time.** (Read: Daniel, Chapters 2 and 7; Isaiah 60:11-12, 19; Isaiah 66:12-19; Isaiah, Chapter 11; Ezekiel, Chapters 37 to 39; Zechariah 14:3; Zechariah, Chapter 14; Joel 3:12-16; Isaiah 2:1-4; Micah 4:1-4) (Read also: Isaiah 11:10; 19:24-25; 25:6-7; 35:1-10; 42:1, 6; 60:3-5; 61:9; 62:2; 65:17-25; Jeremiah 16:19-21; Malachi 1:11; Zechariah 8:22-23; 14:16; Psalm 57:9; 67:2-4; 72:11; 117:1)

In **Psalms 46:9** it is written how that the true God of the Universe - the Great Yehovah Elohim - will cause **“wars to cease”** unto the end of the Earth. In Daniel, Chapters 2 and 7, it is prophesied of the total destruction of **“all”** man-made systems of governments now in this present time, and in that the righteous Government-Kingdom and Holy Laws of the true God of the Universe will be in mighty rule, power, authority, and dominion throughout this entire Earth, starting now in this present time. Also, in Zechariah, Chapter 4, the true God of the Universe showed to the Prophet Zechariah that it is **“not”** by the might, nor by the power of mortal men in man-made systems of governments on this Earth, that wars will cease to be on this Earth; rather, it is by **“his Spirit”** (it is by the Spirit and

Mighty Power of the true God of the Universe) that “all” wars and terrorist activities will cease, and in that there will be Universal Peace throughout this entire Earth for these next 1000 years, and forevermore - starting now.

In order for there to be “**true forgiveness, cleansing, healing, light, salvation, full restoration, mighty blessings and prosperity, and also true, righteous, economic growth of great blessings and prosperity for everyone**” - there must be full repentance **NOW!** It is time now for “all” people, cities and nations to “**repent**” and to return to the true God of the Universe - the Great Yehovah Elohim, and in that they must turn to, accept, obey, and live “**only**” under his true, righteous Government-Kingdom and Holy Laws, and also they must be willing to know, understand, and do his Perfect Will, including in having land ownership, and in being diligent, good tillers of this Earth, and also in being good stewards over the animals and over the Earth. All of these different things must take place now. There is to be “**true LOVE for the true God of the Universe - the Great Yehovah Elohim,**” and for his Government-Kingdom and Holy Laws, and there is to be “**true LOVE**” among all those who are willing to become the true, holy saints of the true God - the Great Yehovah Elohim.

Important Note: It must be noted and fully understood that “**absolutely no one**” is to be forced, nor will be forced, to convert, and to be joined unto the true God - the Great Yehovah Elohim, nor will be forced to love, serve, obey, and have faith in the Great Yehovah Elohim, nor will be forced to obey his Government-Kingdom and Holy Laws, nor will be forced to do his Perfect Will - because the Great Yehovah Elohim fully gives, and he has always given, “**Freedom of Choice**” to everyone since the Garden of Eden.

“If my people, which are called by my Name, shall **HUMBLE themselves**, and pray, and seek my face, and **turn** from their wicked ways, **then** will I hear from Heaven, and will forgive their sin, and will heal their land.” (II Chronicles 7:14)

True forgiveness, cleansing, healing, salvation and restoration can only come about when the “**sicknesses and diseases**” of rebellion, sins and wickedness against the true God - the Great Yehovah Elohim, and against his righteous Government-Kingdom and Holy Laws, and against his Perfect Will, are completely repented thereof, and eliminated from this entire Earth. Additionally, true forgiveness, cleansing, healing, salvation, restoration, blessings, and perfect peace and well-being, can only come about when the “**sicknesses and diseases of senseless hatred, crime and violence**” against others, and against other people and nations, are completely repented thereof, and eliminated from this Earth. Nations and people are to “**freely return**” to the true God of the Universe - the Great Yehovah Elohim in every area of life, and return to loving and fully respecting oneself, and also to fully loving and respecting others, and other people of this Earth.

It is to the Perfect Will of the true God of the Universe - the Great Yehovah Elohim that **“all”** man-made systems of governments be totally abolished, and in that **“all”** false religious beliefs be destroyed, as well as in that the false, deceptive, robbery economic system of this Earth be totally destroyed from this entire Earth. Also, it is to the Perfect Will of the Great Yehovah Elohim for many individuals, families, people, cities and nations to be converted and joined to him, and to his righteous Government-Kingdom, Holy Covenant, and Holy Laws, and to **“become his one united, true holy saints and holy servants,”** and for there to be the righteous, intermingling of people throughout this Earth now in this present time, and for these next 1000 years here on this Earth - all unto him. At Mount Sinai the mixed multitudes, and the Israelites, **“all became the true, holy saints, and the one united people unto the Great Yehovah Elohim;”** and they were fully united under his righteous Government-Kingdom, Holy Covenant, and Holy Laws. How many men and women throughout this entire Earth are willing to repent, and to turn to, and to love, serve, obey, and live **“only”** under the true God of the Universe, and turn to, obey, and live **“only”** under his righteous Government-Kingdom and Holy Laws? How many men and women are willing to turn to, and seek to do the Perfect Will of the true God for them for these next 1000 years here on this Earth, and forevermore, including in having and owning land property, and in being diligent, good stewards of their own land property as farmers-tillers, gardeners, forester and husbandry-person unto the true God of the Universe, and in being diligent, good stewards over this Earth, as well as having, and in being fully employed thereby, in a **“local,”** independently-owned, small or mid-sized businesses and industries? Yes, exactly how many?

True salvation, love, obedience and faith in the true God of the Universe - the Great Yehovah Elohim, do indeed work; and these things work mightily, yet a person must learn, know, understand, and obey the true God of the Universe, and accept, live under, and obey his righteous Government-Kingdom, Holy Laws and Holy Word, and also seek to do his Perfect Will, including in having land ownership (land freely given to the people), and in being fully self-employed by and unto the true God of the Universe as being tillers (farmers/gardeners) of this Earth on their own land property, as well as in that the masses of the people must have and maintain small and mid-sized, local, independently-owned, businesses and industries. All of these things are required in order for an individual, and for families, people, cities and nations throughout this entire Earth, to be delivered from all forms of **“spiritual darkness, lies and deceptions,”** including to be delivered from all false religious beliefs, and from the various man-made systems of governments, and from the corrupt economic system. Also, all of these things are required in order for men and women to be truly and fully **“free and independent”** (including financially independent), and in order for men, women and children to be **“highly blessed, prosperous, and successful,”** and to be able to live in the **“perfect blessings, prosperity, goodness, peace and well-being”** of the true God of the Universe - all of these things for these next 1000 years, and forevermore, here on this present physical, beautiful, blessed, Good Earth.

Throughout the Holy Scriptures (the Old Testament) it is prophesied that “**many nations and many people**” in this present time, will turn to, and repent, know of, and convert unto, and will be joined unto the true God of the Universe - the Great Yehovah Elohim, and will become “**his holy people,**” along with the restoration of the righteous remnant of the Nation and people of Israel, and in that many nations and people will see the “**true Salvation, cleansing, healing, and restoration**” of the true God for them, including in that they fully know, understand, accept, and live “**only**” under his righteous Government-Kingdom and Holy Laws, and also in that they perfectly know, understand, and fulfill his Perfect Will here on this beautiful Earth for these next 1000 years, and forevermore. This is now that perfect time in which all of these things will be perfectly fulfilled “**now this very day and present time**” throughout this entire Earth.

“Seeing that Abraham shall surely become a great and mighty nation, and all nations of the Earth shall be blessed in him?” (Genesis 18:18) “And it shall come to pass in the last days, that the mountains of the Yehovah’s house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it.” (Isaiah 2:2) “For the Yehovah will have mercy on Jacob, and will yet choose Israel, and set them in their own land: and the strangers shall be joined with them, and they shall cleave to the house of Jacob.” (Isaiah 14:1) “And many nations shall be joined to the Yehovah in that day, and shall be my people: and I will dwell in the midst of you, ...” (Zechariah 2:11)

Repentance, salvation, cleansing, healing, restoration, true righteousness, true justice, full equality, love, great blessings, true prosperity, and true, economic prosperity, as well as perfect peace, perfect well-being, and universal peace, will indeed rule throughout this vast, beautiful, blessed, GOOD Earth that the true God - the Great Yehovah Elohim created, and has graciously given to men, women and children, and for all of his creation to live on. This Earth will indeed be ruled “**only**” by the true God - the Great Yehovah Elohim, and will be under, and will be ruled “**only**” by his righteous Government-Kingdom and Holy Laws, and will be “**only**” ruled by his righteous and just economic system, including by his righteous and just business, banking and currency system. All of these things will be starting now in this present time of this Seventh Millennium of these next 1000 years, and will be so throughout eternity here on our present, beautiful, physical, GOOD Earth that the Yehovah Elohim has graciously given to men, women and children, and to all of his creation.

“Thus says the Yehovah; I am returned unto Zion, and will dwell in the midst of Jerusalem: and Jerusalem shall be called a City of Truth, and the mountain of the

Yehovah of Hosts the Holy Mountain.” (Zechariah 8:3)
“And it shall be in that day, that Living Waters shall go out from Jerusalem, half of them toward the former sea, and half of them toward the hinder sea: in summer and in winter shall it be.” (Zechariah 14:8) “And it shall come to pass that everyone that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the Yehovah of Hosts, and to keep the Feast of Tabernacles. And it shall be, that whoso will not come up of all the families of the Earth unto Jerusalem to worship the King, the Yehovah of Hosts, even upon them shall be no rain.” (Zechariah 14:16-17)

The Great Yehovah Elohim is the “**only**” Creator, the “**only**” Ruler, and the “**only**” Great and Supreme King over this Earth, and over the Universe, and also of and over “**all**” men, women and children, and over all people and nations throughout this entire Earth. To the Great Yehovah Elohim fully belongs the greatness, honor, praises, thanksgivings, glory, beauty, goodness, power, authority, might, dominion, success, victory, and the majesty throughout the whole Earth and Universe for now, and for to be so throughout eternity. The Great Yehovah Elohim is all powerful, mighty and everlasting; and he does now cause his beautiful, just, righteous Government-Kingdom and Holy Laws, and also his Perfect Will for mortal men, women and children, and for this entire Earth, to always be in full manifestation, rule, power, authority, and dominion throughout the entire Earth and Universe - **starting now, and for to be so forevermore throughout eternity!**
