It is very important for everyone, and especially for the true, holy saints of the true God - the Great Yehovah Elohim, to know and understand that many of the holy saints and holy prophets in ancient times, and throughout history, went through times of the collapse and total destruction of cities and nations.

In order for men and women to **"spiritually, and mentally, and emotionally, and even financially"** survive in this present time, and in order to be able to triumph over, and become victorious over evil situations of the collapsing and total destruction of cities and nations in this present time by the Great Wrath of Judgment of the Great Yehovah Elohim, everyone must know and understand exactly what is happening throughout this entire Earth in this present time, especially because the situation is of global proportion. Secondly, I fully encourage everyone to diligently seek the Great Yehovah Elohim for his help, directions, and protection in every area of life because **"all"** man-made systems of governments throughout this entire Earth are now collapsing, and are now being destroyed, and will **"not"** recover. Thirdly, the true, holy saints of the Great Yehovah Elohim must know and understand that there will be a **"new beginning"** in this present time - after the total destruction of **"all"** man-made systems of governments, and in that there will indeed be blessed Universal Peace, blessings, prosperity, healing, restoration and goodness in this Seventh Millennium, and for these next 1000 years here on this physical, blessed, beautiful, **Good Earth** by and unto the Great Yehovah Elohim, and in that the entire physical Earth will be under his righteous Government-Kingdom and Holy Laws. Fourthly, it is very important for **"all"** individuals, families, people, cities and nations to know and understand that it is clearly prophesied in the true, Holy Scriptures (the Old Testament) that **"all the man-made systems of governments will be destroyed"** in this present time by the Great Wrath of Judgment of the Great Yehovah Elohim, especially because **"all"** man-made systems of governments are in wilful defiance and in rebellion against him, and are against his righteous Government-Kingdom and Holy Laws in every area.

Let us examine the true, Holy Scriptures (the Old Testament) concerning the global events of this present time. In the Book of Daniel, Chapters 2 and 7, there is mentioned Four Kingdoms and divided kingdoms coming to power and ruling “**only**” for a certain period of time. This time period of the rule of these Four Kingdoms and divided kingdoms did indeed come to power starting in the year 609 B.C.E., and this time period of the rule of these Four Kingdoms and divided kingdoms ended in the spring of the year of 1948 C.E. It is very important for everyone to know and understand that the two Bible Prophecies in the Book of Daniel, Chapters 2 and 7, were concerning the Nation, people and land of Israel, and how the Four Kingdoms and divided kingdoms of all nations ruled over the Nation, people and land of Israel from the time of 609 B.C.E. to the time of 1948 C.E. From the time of 1948 to the year 1988 there were given to all nations and people throughout this Earth a time of 40 years to repent, and also in that all of the nations and people of this Earth were judged during these 40 years. It is also prophesied in Daniel, Chapters 2 and 7, that the Four Kingdoms and divided kingdoms will be totally destroyed and wasted away, which is symbolic of the total destruction of “**all**” nations (of all man-made kingdoms) throughout this entire Earth.

Since the year and time of 1988 to this present time (for the past 21 years) many areas, homes, businesses, and cities have indeed been totally destroyed; and today, all nations are now collapsing, and are now being continually plagued by the Great Wrath of Judgment of the Great Yehovah Elohim, and also are now being totally destroyed in this present time, and in that there will “**not**” be anymore man-made system of government, nor man-made system of economic, nor false religious beliefs on this Earth.

Throughout history, and throughout this entire Earth there were the collapse and total destruction of “**all**” previous man-made cities and nations (man-made civilizations). Examine the true, Holy Scriptures, and also examine the history books, and see how that all previous man-made cities and nations (man-made civilizations) were totally destroyed. Examine the true, Holy Scriptures, and see how that the Great Yehovah Elohim is the only one who destroyed all previous man-made civilizations, and caused the people to be scattered from their Cities and Towers of Babel. Secondly, men and women must know and understand that many of the true, holy saints and holy prophets of the Great Yehovah Elohim went through times of the collapse and total destruction of cities and nations throughout history. For example:

- 1) **Noah** - Noah and his immediate family went through a time of the destruction of many people. Noah, and his immediate family had to pack up, and move into the Ark, and they had to make a new start after the Flood of Noah. Secondly, Noah went through the time when the Earth was divided into the Seven Continents and many islands, which division of the Earth was caused by “**global, catastrophic earthquakes.**” It

must be noted that Noah was still alive at the time of the birth of Peleg, and also during the time when Peleg died, when the Earth was divided into the Seven Continents and many islands during the days of Peleg. How many cities were destroyed in the area where Noah lived when there were these global, catastrophic earthquakes, which earthquakes physically took the Earth apart, and divided the Earth into the Seven Continents and many islands - which global earthquakes were by the Mighty Power of the Great Yehovah Elohim?

2) **Abraham** - Abraham lived in Ur of the Chaldees, which was the area of the ancient Cities and Tower of Babel, which cities are spoken of in Genesis 11:1-9, and also which cities were ancient Mesopotamia. It is believed by historians that ancient Mesopotamia collapsed and was totally destroyed in the approximate year of 2003 B.C.E. Abraham and his household, as well as his parents and relatives, had to have been in the midst thereof, and actual saw, and endured, the collapse and total destruction of Ur of the Chaldees (ancient Mesopotamia). The Great Yehovah Elohim told Abraham to move from this area of Ur of the Chaldees, and to go to the land of Canaan. Abraham and his family had to pack up and move far away from the area of Ur of the Chaldees, and they had to move to a new location, and also they had to make a new start and a new beginning in their new location. What was it like for Abraham and his family having to endure the collapse and total destruction of a civilization? and what was it like for Abraham and his family having to move over one thousand miles to another location, and to have had to start life all over again in a new place, and to do so with the leading of the Holy Spirit of the Great Yehovah Elohim? Also, the question must be asked: Did Abraham also go through the time when the Earth was divided into the Seven Continents and many islands by the destructive, global, catastrophic earthquakes, especially because Peleg was still alive during the time of the birth of Abraham. Abraham was 48 years old in the year of 2003 B.C.E., and also it must be noted that Peleg died in this year of 2003 B.C.E., which global earthquakes took place before or in the year of 2003 B.C.E.

3) **The Deliverance of the Israelites During the Time of Moses** - During the time of Moses, the Israelites and all of Egypt experienced and went through a time of the collapse and total destruction of the false religious, and economical, and governmental structures of Egypt, and in that Pharaoh, and his mighty men, and many of the Egyptian people were destroyed in the Red Sea. Moses and the Israelites had to pack up and to move far away from the destroyed cities and areas of Egypt, and they had to start all over again living in a new location, especially living under the Government-Kingdom and Holy Laws of the Great Yehovah Elohim, and they were to go where the Great Yehovah Elohim desired for them to go, and eventually they did settled in their land of Milk and Honey.

4) The Holy Prophets and Holy Saints of the Great Yehovah Elohim - From the time of Joshua, unto the time when the Israelites were scattered as a nation and people starting in the year 609 B.C.E., and until the time of 1948, so many of the holy saints of the Great Yehovah Elohim had to pack up, and move to another location, especially because of the collapse and destruction of cities and nations, including during times of total economic collapse, wars, famine, destructive weather conditions, etc., etc. In this present time, how many men and women are packing up, and are moving, and are leaving for a new location for various reasons, and even because of the present destructive weather conditions, and also because of the collapsing of the economies and governments of “all” nations throughout this Earth? Secondly, the Prophets Jeremiah, Ezekiel, and Daniel, and also many of the true, holy saints of the Great Yehovah Elohim, endured the collapse and destruction of the City of Jerusalem in the year 586 B.C.E. Throughout history, the true, holy saints always sought the Great Yehovah Elohim, and the people had to go where he desired for them to go, and the true, holy saints maintained their love, obedience and faith in the Great Yehovah Elohim in spite of the collapsing and total destruction of cities and nations of this Earth.

What Shall I Do? and Where Shall I Go?  
and Survival Foods? and Storing Up, Etc.?

The questions may be asked: What shall I do? Where shall I go? and also, Should I prepare survival foods, and store up many things in this present time?

There are very important questions that must be asked, and men and women must “**diligently seek**” the Great Yehovah Elohim for his directions, help, and protection in every area of life at all times. It must be considered, and the question must be asked: What good will survival food, and stored up of different items do for a person or for a family - if an entire area, or even an entire city is totally destroyed by the Great Wrath of Judgment of the Great Yehovah Elohim now in this present time? Do you know whether or not the area, town, or city that you presently live in is destined for total destruction? Look at Hurricane Katrina, and Hurricane Ike, and other hurricanes, and look at the Category 5 tornadoes, and also look at the many destructive floods, and catastrophic earthquakes - all of which totally destroyed entire areas, and so many homes and businesses, and even entire cities, and in that masses of the people were left with very little, or absolutely nothing to return to. Secondly, open up your eyes and see the collapsing and total destruction of “all” man-made systems of governments that are now taking place, including the United States of America, and Great Britain, and “all” of the European governments, and “all” man-made systems of government throughout this entire Earth. Thirdly, how many areas, cities, and nations will be destroyed by the global, catastrophic earthquakes in this present time? It is

prophesied in the Holy Scriptures that there will be shaking of nations in this present time, which is symbolic of there being manifested global, catastrophic earthquakes taking place in this present time that will destroy many cities and nations - all by the Great Wrath of Judgment of the Great Yehovah Elohim.

It is so **“very important”** for each individual, and for each family to **“diligently seek”** the Great Yehovah Elohim in Prayers unto him for his perfect wisdom, knowledge, insights, help, and **“proper directions”** for every area of life, including in seeking him concerning what to do, and where to go. Should you remain in a certain area, or town, or city, or nation? or should you pack up and move away - even move far away and make a new start in a new area? Another question must be asked: Should you **“blindly listen to”** religious leaders (including religious leaders on the television and in the various media), and not seek the Great Yehovah Elohim **“on an independent basis”**? Before the start of World War I and II, and before the rise to power of communism in Russia, the true God sent many warnings to his people **“to FLEE”** from certain areas; yet, so many of the people blindly listened to false religious leaders, and to false religious commentaries, and to false religious opinions. Sadly to say, many millions of people were destroyed, and many millions suffered and died needlessly. It is estimated that over 250 million people died during times of wars, famine, and various destruction in the last century, especially during World War I and II, and also during the time of the communists-socialists reign of terror. It is very important, and it is everyone’s full responsibility to always **“diligently seek”** the Great Yehovah Elohim in Prayers for his directions, knowledge, wisdom, help, and protection - **on an independent basis**; and learn to read, research, and examine the true, Holy Scriptures, and the true, Bible Prophecies - **on an independent basis**, especially because there are many **“false prophecies”** in this present time, including in that there are many **“false prophecies”** that are being constantly promoted by all of the areas of the media in this present time.

How many individuals and families, and how many areas, towns, and cities are willing to come together as a group, and **“humble themselves, and repent, and convert, and be joined to the Great Yehovah Elohim”** now in this present time, and also seek him for his mercy and goodness, and in that their local area, and homes, businesses, town, and even city be spared his Great Wrath of Judgment, which Great Wrath of Judgment is now going forth throughout this Earth? Remember how that the Prophet Jonah warned the people of the City of Nineveh, and in that the people sought the Great Yehovah Elohim, and the Great Yehovah Elohim spared his Great Wrath of Judgment of total destruction concerning the City of Nineveh! Ask yourself some important questions: Do you truly believe that the people in your area will be willing to humble themselves, and to repent (and do indeed do so), and be willing to seek the Great Yehovah Elohim (and do indeed do so), and in that the area, town, or city, that you live in will be spared his Great Wrath of

Judgment now in this present time? Or, are most of the people in your area, and/or in your town or city truly hard-hearted, proud, evil and wicked in the Eyes of the Great Yehovah Elohim, and in that most of the people will not, and do not desire to repent, and turn, and convert, and be joined to the Great Yehovah Elohim now this day, and in this present time?

It is **“very important”** to fully realize that if the people in any particular area, town or city would humble themselves, and do indeed repent, and do indeed turn to, and do indeed convert, and also do indeed be joined to the Great Yehovah Elohim, and to be willing to accept, obey, and live **“only”** under his Government-Kingdom and Holy Laws, and also be willing to do his Perfect Will - then the Great Yehovah Elohim will, even now this very day, show forth his great mercy, compassion, salvation, direction, and help for that particular area, town or city, as well as show forth his great mercy for each individual person, including in giving them spiritual, emotionally, and mental help in this turbulent time of the history of mortal men, women and children here on this Earth.

Your Decision - Again, should a person or a family store up, and have survival food and various items on hand? Or, should a person or family move far away? Again, the person or family must **“diligently seek”** the Great Yehovah Elohim in diligent Prayers - **“on an independent basis.”** Remember how that Noah, Abraham, and the holy prophets, and the holy saints of the Great Yehovah Elohim, had to be willing and ready to go, and to do exactly what the Great Yehovah Elohim had for them to go and to do; instead of believing things by blind faith, and instead of relying on their own personal knowledge of things.

Secondly, it must be known and understood that the Great Yehovah Elohim does indeed give **“warnings, as well as protection”** to his holy saints; and his holy saints must be willing to pack, and to go, or to do whatever the Great Yehovah Elohim has for them to go and to do, etc., and not have their own personal judgment, nor their own personal reasoning, nor their limited knowledge of things. When a person or family sees cities and governments collapsing, and being destroyed, the person or the family must **“not be glued”** to any area, nor to any city, nor to any nation on this Earth for any reason whatsoever. How prosperous were the City of Galveston, Texas, and the surrounding areas, before Hurricane Ike struck the city in September 2008? It must be noted that many people that lived in the areas of Galveston and Houston, Texas, left their homes and their city, and they did not imagine that their city would suffer so much destruction. The question must be asked: How many of the people of the areas of Galveston and Houston, and the surrounding areas, left with very little of their precious belongs? and how many lost everything (even important documents) in the midst of the destruction of their cities and the surrounding areas? All throughout history the Great Yehovah Elohim **“always”** sent warnings to his people - before traumatic events happened. Read the Holy Scriptures, and

note how that Lot and his family were “**reluctant to leave**” Sodom, and also note how that it appears that Lot and his family must have left with very little (or no material wealth) because the Holy Angels had to take hold of their hands in order to bring them out of the City of Sodom. If Lot and his family were not reluctant to leave they could have packed a lot of their material wealth, and even load their donkeys (if they had donkeys) with certain material items that they would need, and in that they could have taken a lot of things with them, and fled before the morning appeared. Throughout history how many people were reluctant to take heed to warnings, and because of failing to take heed to warning, the people suffered great loss of many things, and some even were destroyed?

Again, it is “**very important**” to always diligently seek the Great Yehovah Elohim in diligent Prayers, and be willing, and do indeed do so, in that a person or family do go exactly where the Great Yehovah Elohim has for the person to go, and to do. Do not be reluctant to start all over again in a new area, or in a new city, or even in a new country because it is very important to know and to obey the Perfect Will of the Great Yehovah Elohim for one’s life here on this Earth - **at all times**. Remember that the Great Yehovah Elohim knows more than any mortal being on this Earth in every area of life, and at all times.

### Maintaining Faith, Courage, and Strength of Will in the Great Yehovah Elohim in this Present Time

It is “**very important**” for the true, holy saints of the Great Yehovah Elohim to know and understand that a person may go through times and situations of trials of their faith in the Great Yehovah Elohim, including during this time of the collapsing and total destruction of all man-made governments throughout this entire Earth, yet a person must “**maintain and exercise**” their true love, obedience, and faith in the Great Yehovah Elohim, and in his Holy Covenant and Holy Word at all times; and they must continue to “**diligently seek**” him for his help, and for his directions and guidance, and for his protection, especially during this time of the collapsing and total destruction of “**all**” man-made systems of governments throughout this entire Earth. They must also “**diligently seek**” the Great Yehovah Elohim for the proper understanding of his true, Holy Word, including his true, Bible Prophecies, including of Daniel, Chapters 2 and 7. Additionally, the true holy saints of the Great Yehovah Elohim must “**diligently seek**” him for the strength, courage, encouragement, success, and victory in triumphing over the situation concerning the collapsing and total destruction of all man-made systems of governments that are now taking place in this present time.

Suffering Lost? Lost of Everything? Or, Lost of Almost Everything? Or, Even Being Made Homeless?

It is very important to perfectly know, understand, and remember how that Moses was made “**homeless**” after he stood up and fought against oppression in the land of Egypt. Moses was made homeless; and he had to flee with whatever he could carry; and he found refuge in the land of Midian in the tents of Jethro. The Israelites were expelled from Egypt, and they were made “**homeless;**” and they went to Mt. Sinai to meet the Great Yehovah Elohim - with whatever they could carry with them by various means. Young David was crowned king at a young age, and he went in military warfare against Goliath, yet because of his action and victory, and because King Saul was jealous of him, and also feared him in taking the throne, young David had to flee for his life - for many years; he was made “**homeless**” by these things. Not only did David flee, his family also fled from their homes and were made “**homeless**” because of the fear of King Saul. The Prophet Ezekiel and his wife were taken captives in 598 B.C.E., along with many Israelites, to Babylon; and the Prophet Ezekiel and his wife were made “**homeless**” by these things. It must be noted and understood that “**all**” of these above listed individuals loved and served the Great Yehovah Elohim, and continued to do so in spite of the trials of their faith, and in living in “**temporary situations.**”

Moses became one of the greatest of prophets that has ever lived on this Earth; and he has been of great blessings to people and nations throughout this entire Earth by the blessings of the Great Yehovah Elohim for thousands of years. The Israelites eventually inherited their Land of Milk and Honey - by the blessings of the Great Yehovah Elohim. Young David eventually became one of the greatest kings; and he was given great blessings, prosperity, riches and wealth - by the blessings of the Great Yehovah Elohim. The Prophet Ezekiel also became one of the greatest of prophets; and he was of great spiritual help and encouragement to the exiled Israelites living in Babylon - by the blessings of the Great Yehovah Elohim.

Does a person, or family, go to bits and pieces because of the final collapse and total destruction of “**all**” man-made systems of governments throughout this entire Earth now in this present time? Are men and women to allow “**evil spirits**” to entertain them to destroy themselves, even by becoming an alcoholic, or by deceptive, anti-depressant drugs, or by various other means? Especially, are the “**true saints**” of the Great Yehovah Elohim to lose their “**love, obedience and faith**” in him because of the collapsing and total destruction of nations in this present time? Or, are the “**true saints**” of the Great Yehovah Elohim to remain true to their love, obedience and faith in him, and in his Holy Laws, and in his Holy, Everlasting Covenant of Marriage with them, and in that they commit themselves to daily Prayers, and in asking him for his help, guidance, strength, encouragement, and

directions - each day, and just **“hold onto”** one’s faith and love in him, and in his Holy Word and Holy Covenant? If a person gives up, then he/she has nothing else, and has lost the most important thing in life. What is **“the most important thing in life”**? It is the Great Yehovah Elohim’s love for you, and of your true love, obedience and faith in the true God of the Universe - the Great Yehovah Elohim, and in his Holy Word of Covenant with you - in spite of **“temporary situations,”** and in knowing that regardless of the **“temporary situations,”** you must know from deep within your very soul that the Great Yehovah Elohim will indeed cause you to mightily triumph over your **“temporary situations,”** and in that you will indeed be **“delivered,”** as well as be greatly blessed of him in every of your life, including in this blessed, Seventh Millennium, especially because of you holding onto your love, obedience and faith in him. Mortal men, women and children will be given a **“new beginning”** starting now in this present time, including in living under the Great Yehovah Elohim, and in living only under his Government-Kingdom and Holy Laws, as well as be freely given **“land ownership property,”** and in that men and women always will have farms and gardens, and also will always local, independently-owned businesses and industries starting now in this present time of this Seventh Millennium unto the Great Yehovah Elohim.

Read Deuteronomy 8:1-3, and see **“WHY”** the true God **“fully allowed”** the Israelites to be made, and to remain, **“homeless”** for a certain period of time. It is very important to see, know, understand, and to always perfectly remember how that the Great Yehovah Elohim sustained the Israelites by his miraculous power during their period of being made **“homeless,”** and in learning that we do **“NOT”** live by bread alone. (Deut. 8:1-3) Truly, we do not live by physical bread alone of substance for the physical body, and of material things; and we do **“NOT”** live by any type of securities of man-made systems of governments; nor upon corporations and corporate jobs and of their false securities; nor upon securities of financial markets; nor upon securities of mortal beings; nor upon our own securities and un-guided or mis-directed goals. Instead, we are to always have, and maintain, and exercise perfect, mighty and steadfast **“love, obedience and faith”** in the Great Yehovah Elohim, and we are to always seek him for **“his directions”** for every area of our life at all times, and we are to always rely upon and live only upon the **“perfect securities of steadfast love, obedience, and faith”** in and of his Holy Word and Holy Covenant with each of us in every area of our life **“wherever”** we may be at all times, including now this very day, and to do so forevermore throughout eternity. Not only is the Great Yehovah Elohim going forth now in destroying all man-made systems of governments, and all false religious beliefs, and the false economic system of this Earth, the Great Yehovah Elohim is also going forth now in this present time in totally destroying **“all of the false securities”** that men and women have built their trust in, **“even upon themselves,”** especially because so many men and women built their trust in all sorts of **“man-made securities of man-made governments, and of corporations, and of**

investments, and of false religious beliefs, and in all sorts of false ideas, and even upon themselves and upon their own abilities” ~ instead of building their full trust, love, obedience, and faith in the true God of the Universe - the Great Yehovah Elohim, and upon his righteous Government-Kingdom, Holy Laws, Holy Word, and Holy Covenant, and in always seeking him for the proper directions to go at all times.

**Starting All Over Again Under the Great Yehovah Elohim’s Rule, and Under his Righteous Government and Holy Laws**

**The Great Wrath of Judgment of Destruction Will be Ended** - There will be a time in which there will be an **“ending to the total destruction”** of areas, towns, cities and nations throughout this Earth **now in this present time**. In this present time, there will be now a **“new beginning”** for men and women, and the establishing of a new system of government, in which the Great Yehovah Elohim, and his Government-Kingdom and Holy Laws will be in full rule, power, authority, and dominion throughout this entire Earth. Therefore, in spite of the turbulent time that we are all going through at this present moment, if you truly seek and love the Great Yehovah Elohim, do indeed hold onto your love, obedience, and faith in him, and know that the collapsing and total destruction of all man-made systems of governments and the corrupt economy are now in its **“final stage”** of destruction. The question must be asked: Will it take **“many more years, or many more months”** for **“all”** man-made systems of governments to be totally destroyed? The answer: The **“time element”** of **“all”** man-made systems of governments is **“OVER, finalized.”** Secondly, it will **“not”** take years for this final destruction of nations. There will be **“global earthquakes”** now in this present time that will bring total destruction to many cities and nations of this Earth - if people, cities and nations fail to repent, and to turn to the true God of the Universe - the Great Yehovah Elohim, and also there will be a **“new start”** living under the Great Yehovah Elohim - starting now.

It is prophesied in the Book of Daniel, Chapter 7, that **“after”** the destruction of all of the man-made nations of this Earth that the **“...saints will take the kingdom.”** Also, it is prophesied in the Daniel, Chapter 2, of **“... the God of Heaven set up a Kingdom, which shall never be destroyed:...”**

The words **“saints will take the kingdom,”** and the words **“the God of Heaven set up a Kingdom”** are of symbolic meanings, and are referring to this present time in the history of people and nations of this Earth. The **“taking and the setting up of the true God’s Kingdom,”** is the setting up of the Great Yehovah Elohim’s Government-Kingdom and Holy Laws throughout this entire Earth - **now in this present time**. Also, be perfectly assured that the world is **“not”** coming to an end! This present time is the time of the great

redemption, salvation, cleansing, forgiveness, healing, restoration, blessing and prosperity of many individuals, families, people, cities and nations throughout this entire Earth **“unto the Great Yehovah Elohim”** - of all those who do indeed humble themselves, repent, turn to, convert, and be joined to the Great Yehovah Elohim, and are willing to accept, obey, and live only under his Government-Kingdom and Holy Laws, and also are willing to do his Perfect Will. Also, it is prophesied that many nations will convert, and be joined unto the Great Yehovah Elohim - now in this present time.

This present time is the time in which the prophecies of **“the lamb will lay down with the wolf”** (which is of symbolic meaning), and in that there will be Universal Peace throughout this entire Earth, will be perfectly manifested and fulfilled now in this present time. It must be known and fully understood that there have been times in the past when there had to be the total destruction of certain things in order to rebuild for deliverance, well-being, and great blessings, and of a new beginning. It is like tearing down an old, decayed, and crumbling house in order to rebuild a brand new, luxury, beautiful, well-built home with all sorts of modern, hi-tech, and great things in it.

Starting now in this present time (after the total destruction of all man-made systems of governments throughout this entire Earth) this is the time in which the Great Yehovah Elohim will truly rule and reign as the only God, and the only Great and Supreme King, and also the only Ruler and Owner of and over all people and nations, and of and over all the Earth, and in that **“only”** his righteous Government-Kingdom and Holy Laws, and also his Perfect Will for mortal men and women, will be in full rule, power, authority and dominion throughout this entire Earth, and will be so throughout eternity. Additionally, during this new beginning of the **“only”** rule of the true God - the Great Yehovah Elohim, throughout this entire Earth, all of the land areas of this Earth must be, and will be under the rule of the Great Yehovah Elohim of the Universe, and will be re-divided into new provinces, which new provinces are to be independently governed, and be governed only under the Government-Kingdom and Holy Laws of the Great Yehovah Elohim, and in that the land areas within each of these new province must be, and will be **“justly divided”** into allotments of land, and in that these allotments of land properties will be **“freely given”** to the masses of the people as a generational property with Title Deed thereto. When the Great Yehovah Elohim, and his Government-Kingdom and Holy Laws are in full rule, power, authority, and dominion, and when land property is freely given to the people throughout this entire Earth, the people will be able to have a **“completely new start in life”** living under the true God, and living **“only”** under his Government-Kingdom and Holy Laws, and in that they have a **“completely new start in life,”** including in being able to grow in the great blessings, prosperity, goodness, riches and wealth of the Great Yehovah Elohim, as well as in the perfect establishment, perfect peace, and perfect well-being of the Great Yehovah Elohim - here on this physical, blessed, beautiful, Good Earth that he has

graciously given to mortal men and women here on this Earth. Secondly, there must be, and there will be completely new **“righteous and just”** small and mid-sized, local businesses and industries within each new province. Thirdly, there must be, and there will be, no more taxation, nor property taxation; and no more the usury and unjust gain systems of the charging of interest rates and late fees upon the people.

As the allotments of land ownership are freely given to the people, as a generational property with Title Deed thereto, men and women are to go forth and inherit their new land property. Men and women are to know, obey, and perfectly fulfill the Great Yehovah Elohim’s Perfect Will for mortal men and women, in that they are to be fully self-employed unto the Great Yehovah Elohim, as being diligent, good **“tillers”** (farmers, gardeners, foresters, and good husbandry-persons) of their own land property, as well as be good stewards over the Earth, and over all of the animals and sea creatures of this Earth. This is now the time in which the remaining people, cities, and nations of this Earth (after the destruction of many cities and nations) will indeed **“beat their swords”** of the military industrial complex into plowshares of high-tech agricultural-farming, gardening, forestry, and husbandry machinery, equipment, tools and supplies here on this present Earth. This new beginning is the time in which there will be no more need for men, women and children to live in fear of a lack of food, clothes and shelter; nor to live in fear of warfare throughout this Earth; nor to live in fear of being uprooted from their land, homes, businesses, industries, cities, and new province.

Mortal men, women and children, and many people and nations will indeed be fully restored and renewed unto the true God of the Universe - the Great Yehovah Elohim in every area of life, and in the fullness thereof, and in **“all”** of his great blessings, prosperity, riches, wealth, perfect peace, perfect rest, and well-being of the true God that he originally gave to Adam and Eve, and that will be, and is now being restored to mortal beings in every area of life, and in the fullness thereof - now in this present time. There will be **“Universal Peace”** throughout this physical, blessed, beautiful, Good Earth that the Great Yehovah Elohim has graciously given to mortal men, women and children, and of which Good Earth will indeed last for these next 1000 years of this blessed, Seventh Millennium. Remember that when the Great Yehovah Elohim created this physical Earth, and man and woman on this Earth, he deemed both the Earth and mortal man and woman as being **“GOOD;”** and also remember that the Great Yehovah Elohim created mortal men and women for his purpose, and for men and women to perfectly and mightily know, understand, and fulfill his Perfect Will here on this physical Earth. The Perfect Will for mortal men and women will indeed be perfectly fulfilled now in this present time, and in this Seventh Millennium of these next 1000 years here on this physical, blessed, beautiful, Good Earth of the true God of the Universe.

Do indeed read, and be fully encouraged by the various, Holy Scripture verses concerning the **“great salvation, renewal, and restoration”** of mortal men, women and children unto the Great Yehovah Elohim - **starting now in this present time**. (Read: Daniel, Ch. 2 and 7; Isaiah 60:12; Isaiah 66:15-16; Isaiah, Chapter 11; Ezekiel, Chapters 37 to 39; Zechariah 14:3; Zechariah, Chapter 14; Joel 3:12-16; Isaiah 2:1-4; Micah 4:1-4. There are many other Holy Scripture verses concerning the great salvation, renewal, and restoration of mortal men, women and children, and of many people and nations unto the true God - the Great Yehovah Elohim, now in this present time.
