From the true, Holy Word and Holy Laws of the true God - the Great Yehovah Elohim, everyone can know, and know of a certainty, and understand the exact time when the true, Biblical, Rosh HaShanah, the New Year starts each year.

In the very beginning of the Creation of this Earth, and of Adam and Eve, God perfectly established the perfect sequence of time, and the establishment of the Spring Equinox to determine the time of the beginning thereof, of months, and years, and time of events.

In Genesis 1:14-18 it is written: " And Elohim said, Let there be lights in the firmament of the Heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: And let them be for lights in the firmament of the Heaven to give light upon the Earth: and it was so. And Elohim made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. And Elohim set them in the firmament of the Heaven to give light upon the Earth, And to rule over the day and over the night, and to divide the light from the darkness: and Elohim saw that it was good."

In the very beginning of this process of the establishment of time, the ancient men of old, including Noah, perfectly knew and understood when the New Year starts each year - the true, Biblical Rosh HaShanah according to God's perfect establishment of the chronological of time, and of the **Creation Time**.

In the Book of Genesis of the Holy Scriptures we can plainly see, and know, and understand how that Noah perfectly had knowledge of months, and years, and when the second, and the seventh, and the tenth months occurred, and all of the months of the year.

In Genesis 7:11-13 it is written: “In the **six hundredth** year of Noah’s life, in the **second month**, the **seventeenth day of the month**, the same day were all the fountains of the great deep broken up, and the windows of Heaven were opened. And the rain was upon the earth forty days and forty nights. In the selfsame day entered Noah, and Shem, and Ham, and Japheth, the sons of Noah, and Noah’s wife, and the three wives of his sons with them, into the Ark.”

In Genesis 8:1-5 it is written: “And Elohim remembered Noah, and every living thing, and all the cattle that was with him in the Ark, and Elohim made a wind to pass over the Earth, and the water asswaged. The fountains also of the deep and the windows of Heaven were stopped, and the rain from Heaven was restrained. And the waters returned from off the Earth continually, and after the end of the **hundred and fifty days** the waters were abated. And the Ark rested in the **seventh month**, on the **seventeenth day** of the month, upon the **Mountains of Ararat**. And the waters decreased continually until the **tenth month**: in the tenth month, on the **first day** of the month were the **tops of the mountains** seen.”

Also, Noah perfectly knew when the “**first month**” of a New Year occurred.

In Genesis 8:13 it is written: “And it came to pass in the **six hundredth and first year**, in the **first month, the first day of the month**, the waters were dried up from off the Earth: and Noah removed the covering of the Ark, and looked, and behold, the face of the ground was dry.”

This perfect knowledge of how to calculate time, starting with the Spring Equinox, and of the calculation of years were given to us by the true God from the very beginning of the Creation of this Earth, and of Adam and Eve.

During the time of Moses, and of the Israelites’ deliverance from Egypt, the knowledge of when the New Year occurred was still known, and this knowledge was

passed down from Noah and the ancient men of old to Abraham, and from Abraham to his descendants. Additionally, it very interesting to know that Noah was still alive during the time of the birth of Abraham, and in that Abraham was 58 years old when Noah died.

In Exodus 12:1-2 it is written: “And the Yehovah spoke unto Moses and Aaron in the land of Egypt, saying, **This month** shall be unto you the **beginning of months**: it shall be the first month of the year to you.”

Throughout the history of mortal beings the true God of the Universe never changed his Holy Word, nor his Holy Laws in any area, nor way - **because his Holy Word and Holy Laws are ABSOLUTE**; nor did he ever change the determining of time, and when the New Year occurs.

The start of the New Year - the true, Biblical, Rosh HaShanah has always been, and is still today, and will be so forevermore throughout the history of this Earth, and of mortal beings living here on this Earth - is the **first of Abib**, starting with the beginning of the **first New Moon** after the Spring Equinox of each year.

There are major reasons of why so many Jews celebrate the Rosh HaShanah in the fall of the year - instead of in the Spring of the year.

It is to the **Perfect Will** of the true God of the Universe for all of the true, holy saints of the true God of the Universe - the Great Yehovah Elohim, to celebrate the New Year - the Rosh HaShanah - in the Spring of the year - the season of New Beginnings on the first day of Abib - the first day of the beginning of first month after the Spring Equinox, which is according to the true, **Creation Time**.

From this time forward, and for this Seventh Millennium of these next 1000 years, and forevermore, let **“all”** of the true, holy, righteous saints of the true God - the Great Yehovah Elohim, celebrate and fully enjoy **“Rosh HaShanah”** on the first day of the first month - the month of Abib - in the Spring of each year - the true time of new beginnings.
