Since the beginning of time having a legal, binding “**Covenant of Marriage**” was, and is ordained of the Great Yehovah Elohim - among all people and nations throughout this Earth. In ancient times there were “**verbal**” Covenants of Marriage, which were legal and binding, and were fully accepted and recognized by the two families involved, and by the societies, towns and cities. The legal Covenant of Marriage was a public affair, and was a binding “**contract - agreement**” of two individuals. There was never mentioned of any type of “**secret**” Covenant of Marriage. Secondly, there are many issues that must be addressed concerning marriage, and also concerning all forms of sexual immoralities in societies, especially because all forms of sexual immoralities bring forth curses, economic collapses, wars, destruction and death.

Adam and Eve - Adam and Eve were married by the Great Yehovah Elohim, and this was the first, legal, binding Covenant of Marriage that took place on this Earth. The Great Yehovah Elohim requires, and demands a Covenant of Marriage between a man and a woman, in order to constitute a legal, binding Covenant of Marriage. It must be known that the Great Yehovah Elohim gave to Adam “**only one wife**” for the entire 930 years of his life here on this Earth. (The question must be asked: Do men need many wives, and is it to the Perfect Will of the Great Yehovah Elohim for men to have more than one wife?)

In Genesis 2:20-24 it is written: “And Adam gave names to all cattle, and to the fowl of the air, and to every beast of the field; but for Adam there was not found an help meet for him. And the Yehovah Elohim caused a deep sleep to fall upon Adam and he slept: and he took one of his ribs, and closed up the flesh instead thereof; And the rib, which the Yehovah Elohim had taken from man, made he a woman, and brought her unto the man. And Adam said, This is now bone of my bones, and flesh of my flesh: she shall be called woman, because she was taken out of man. **Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.**”

In Malachi 2:14-15 it is written: “Yet you say, Wherefore? Because the **Yehovah has been Witness between you and the wife of your youth**, against whom you have dealt treacherously: yet is **she your companion**, and the **Wife of your Covenant**. And did not he make one? Yet had he the residue of the spirit. And wherefore one? **That He [Yehovah] might seek a godly seed**. Therefore take heed to your spirit, and let none deal treacherously against the wife of his youth.”

In Genesis 2:20-24, and also in Malachi 2:14-15, it shows how that the Great Yehovah Elohim is a “**Witness**” to the Marriage Covenant - a “**Witness**” to all legal, binding Covenants of Marriages; and he holds both parties to this, their Covenant of Marriage.

Before the Flood of Noah - It must be noticed that even before the Flood of Noah that “**men took wives**,” which showed that there were the standard “**Rule of Law**” of there being legal Covenants of Marriages among the people. Since the beginning of time, and throughout history, among “**all**” people and nations on this Earth, there was always the “**Rule of Law**” for the Covenant of Marriage, and also of Divorce. (Read: Genesis 6:1-6)

Lamech and His Two Wives - Lamech took to him two wives. (Read: Genesis 4:19)

Isaac and Rebekah - The marriage of Isaac with Rebekah was a legal, binding Covenant of Marriage, and in that the two families were fully involved. It must be noticed that even though both families were involved, yet Rebekah had the “**final**” authority to either accept the Marriage or to reject the Marriage. Rebekah was not forced into the Marriage. Women, teenagers and little children should **not** be forced into any type of marriage. (Read: Genesis 24:1-67)

Jacob and his Four Wives - The marriage of Jacob with Rachel and Leah, and also of his other two wives, was a legal, binding Covenant of Marriage, and in that this was fully recognized by the families involved. It must be noted that the handmaids of Leah and Rachel also became Jacob’s wives; therefore, Jacob had “**four wives**” instead of two. (Read: Genesis, Chapters 28 & 29; 30:1-10)

Mount Sinai, and the Legal, Binding, Everlasting, Holy Covenant of Marriage with the Entire People and Nation of Israel

It must be fully known and recognized that the Covenant that the Israelites made with the Great Yehovah Elohim at Mount Sinai, during the time of Moses, was a legal, binding, Covenant of Marriage that was, and is binding throughout history. All Covenants of Marriages should be, and are to be, patterned after the Everlasting, Holy Covenant of Marriage that the Great Yehovah Elohim made with the Israelites. Secondly, this Holy Covenant of Marriage has a “**Pre-nuptial Agreement**” fully attached thereto.

Prenuptial Agreements? Should there be “**Prenuptial Agreement**” attached to “**all**” Covenants of Marriages? **Yes indeed.** Open up the Holy Scriptures, and examine, see, know and perfectly understand how that the Great Yehovah Elohim’s Covenants of Marriages with the Israelites at Mount Sinai has a “**Prenuptial Agreement**” attached thereto, which listed the mighty blessings, prosperity and goodness of the Covenant of Marriage, and which listed the requirements, for the perfect love, service, obedience, and faith in the Great Yehovah Elohim, and also which “**Prenuptial Agreement**” listed all sorts of “**curses**” for the violation to the Covenant of Marriage. If “**all**” Covenant of Marriage were patterned after the Holy Covenant of Marriage that the Great Yehovah Elohim made with the Israelites at Mount Sinai, and in that they contained a “**Prenuptial Agreement**” attached thereto, including listings all sorts of blessings, as well as listing all sorts of “**curses,**” for violation to the Covenant of Marriage, all marriages would be taken “**very seriously,**” including in that men and women will realize that they will be “**cursed**” for the violation of their Covenant of Marriage with their new spouse, and in that the Covenant of Marriage were made before the Great Yehovah Elohim, and in that there are at least two or three witnesses to their Covenant of Marriage. Take time, and thoroughly read, know, and perfectly understand how that the Covenant of Marriage that the Great Yehovah Elohim made with the Israelites at Mt. Sinai truly was, and is still today, a legal, binding Covenant of Marriage, with a Prenuptial Agreement attached thereto, and also know and perfectly understand that “**all**” of the holy saint of the Great Yehovah Elohim should have a similar legal, binding, “**worded**” Covenant of Marriage, and in that there be a Prenuptial Agreement attached thereto, including the listing of all sorts of blessings for being faithful thereto, as well as listing all sorts curses for violations and unfaithfulness thereto, of their Covenant of Marriage. I fully encourage everyone to read my Article #5, entitled “*Knowing, Accepting, and Even Renewing, the Holy, Everlasting Covenant of Marriage - with and unto the the True God of the Universe - the Great Yehovah Elohim*” concerning the importance of having an Holy, Everlasting Covenant of Marriage with the Great Yehovah Elohim in the Heaven above.

Exploring the Holy Scriptures Concerning Marriages, and also Concerning Harlotry, and Whoredom

In exploring the Holy Scriptures concerning Marriages, and also concerning harlotry, and whoredom, and even rape, listed below are different acts of sexual relationships mentioned in the Holy Scriptures:

1) **Shechem and Dinah** - Jacob’s daughter, Dinah, was taken by Shechem, and he had sexual relationships with Dinah; rather Shechem raped Dinah. In having sexual relationships with Dinah it is clearly shown that the sexual relationships were not in any area, nor way a Covenant of Marriage. Shechem wanted to marriage Dinah, and asked the sons of Jacob concerning his request to marry Dinah. It must be noted that if the act of Shechem having sexual relationships with Dinah constituted a Covenant of Marriage, then why did Shechem asked Jacob for to marry his daughter Dinah? The answer is that even though Shechem had sexual relationships with Dinah, yet Shechem and the people perfectly knew that this was not an act of a Covenant of Marriage; therefore, Shechem wanted to marry Dinah. Secondly, why did the brothers of Dinah, the sons of Jacob, say words to the effect that they did not want Dinah, their sister, to be treated as a “**harlot.**”

The answer is that having sexual relationships outside of marriage constituted “acts of harlotry.” (Read: Genesis, Chapter 34)

2) **Joseph and Potiphar’s Wife** - Joseph was taken as a slave into Egypt, and was sold as a slave to Potiphar. Potiphar’s wife wanted Joseph to have sexual relationships with her. Joseph refused; and it is written:

“And it came to pass after these things, that his master's wife cast her eyes upon Joseph; and she said, Lie with me. But he refused, and said unto his master's wife, Behold, my master know not what is with me in the house, and he hath committed all that he has to my hand. There is none greater in this house than I; neither has he kept back anything from me but you, because you are his wife: **how then can I do this great wickedness, and sin against God?**” (Genesis 39:7-9)

Joseph refused to have sexual relationships with a foreign woman, even with a foreign married woman, and in that Joseph perfectly knew that to do so was “**a great wickedness and sin against God - against the Great Yehovah Elohim.**” There is an important question that must be asked: How is it that there are writings of false religious authorities, and false religious groups that fully encourage men (their religious men) to have sexual relationships with harlots, mistresses, and with foreign women, and even with foreign married women? Joseph perfectly knew that this type of action is of a great wickedness and sin against the Great Yehovah Elohim. How have all sorts of false religious authorities, and false religious prophets, and all sorts of false religious commentaries, and false religious beliefs have fully encouraged all sorts of great sins, wickedness, and outright rebellion against the Great Yehovah Elohim, and against his Holy Laws of Commandments, and against righteousness? Additionally, how can anyone, including religious men and women, even alleged pious and ultra-pious religious men and women, dare question the Great Wrath of Judgment of the Great Yehovah Elohim, and even dare question the atrocities of the past years, and past centuries, and also of past millenniums? (Read: Genesis, Ch. 39)

3) **Samson and Delilah** - Samson was an “**unmarried, single man**” when he met Delilah (because his previous wife was murdered). Samson lived with, and had sexual relationships with this Philistine woman. Is it acceptable for “**single men**” to have sexual relationship with a woman (or with women), and for them to “**not**” be legally married to the woman that they have sexual relationships with? There are questions that must be asked and answered: 1) Why did the Great Yehovah Elohim “**departed from Samson, and left him powerless,**” and in that the Great Yehovah Elohim “**fully allowed**” for Samson to be given into the hands of his enemies, and for there to be great shame and mockery to be brought to Samson, and also in that Samson committed suicide along with his enemies? 2) Why would the Great Yehovah fully allow for these evil things to happen to a man of Israel? Because of Samson’s behavior, Samson received the “**Death Penalty**” for his sexual relationships that were against the Great Yehovah Elohim. Note: If Samson were not having sexual relationships with Delilah, the evil situation would have been totally avoided. It is **NEVER** to the Perfect Will of the Great Yehovah Elohim for any of his holy saints to be brought low, nor to experience the evils that Samson experienced, yet the Great Yehovah Elohim fully allowed for evil things to happen to Samson, his chosen. (Read: Judges,

Chapters 13 to 16) Can single men, whether religious, or non-religious, live in wickedness and sins of sexual immoralities against the true God - the Great Yehovah Elohim, and not be punished? How many **“single men, as well as married men”** have been cursed, and eventually destroyed by the Mighty Hand of the Great Yehovah Elohim because of living in sexual immoralities? Remember how that Joseph was a **“single man;”** and he said, **“how then can I do this great wickedness, and sin against God?”** (Read again: Genesis 39:7-9) How many men (single and married men), and especially religious men, have been deceived into believing that having sexual relationships outside of marriage as been acceptable in the Eyes of the Great Yehovah Elohim because of all sorts of false religious beliefs that were taught to them by all sorts of false religious authorities, and perverted commentaries, and perverted opinions of false religious leaders and false prophets? (Read: Judges, Chapters 16) There are no Holy Scripture verses that give to **“single men”** any type of right to live a life of having sexual relationships with women. Sadly to say, all sorts of false religious writings, and all sorts of false religious beliefs have **“fully encourage single men, and also married men,”** to have sexual relationships outside of marriage.

4) **Eli the Priest, and His Two Grown Sons** - The priest Eli had two grown sons, and his two sons were **“married;”** yet, they had sexual relationships with women that came to the Tabernacle to worship. This type of deed was not acceptable in the Eyes of the Great Yehovah Elohim. Can **“married men”** have sexual relationships **“outside of marriage,”** even with **“single”** women? The Great Yehovah commands the Death Penalty for all forms of sexual immoralities. The priest Eli, and his two grown, married sons received the Death Penalty, and also in that there was placed a **“generational curse”** upon their descendants because of their sexual immoralities, and evil deeds. (Read: I Samuel, Chapters 2 to 4; I Samuel, Chapters 21 to 22) It must be noted that Eli was cursed, along with his adult sons because he fully sanctioned, condoned, and upheld his grown, married sons, in their evil deeds.

5) **King David and Bathsheba** - King David was attracted to and had sexual relationships with a **“foreign”** man’s wife, and David received the Death Penalty, in that his first born son of Bathsheba was struck by the Great Yehovah **“with death,”** and also in that there were a **“generational curse”** placed upon the descendants of King David, and in that his descendants were to have **“continual wars”** waged against them. The words of II Samuel 12:10 **“...the swords shall never depart from your house”** is symbolic of wars (deaths) being continually waged against the descendants of King David. Wars bring economic, collapses, suffering, sorrow, destruction, and death. (Read: II Samuel, Chapters 11 and 12)

6) **King David’s Daughter - Tamar** - King David had a son by the name of Amnon. Amnon lusted for, and had sexual relationships with, rather raped Tamar, his first cousin. In spite of the rape, Tamar wanted Amnon to marry her in order to take away the shame from her. Amnon refused, which showed that there was no Covenant of Marriage even though there was an act of sexual relationship. Having sexual relationships with a person never constituted a Covenant of Marriage. Because of Amnon having raped Tamar, her brother Absalom sought to, and had Amnon killed. (Read: II Samuel, Chapters 13) In ancient times the penalty for rape was the Death Penalty, usually by a male relative.

Common Law Marriages? - Does the Great Yehovah Elohim Fully Allow for Common Law Marriages?

Does the true and Great God of the Universe - the Great Yehovah Elohim accept and recognize “**Common Law Marriage**”? and of men and women living together without a legal, Covenant of Marriage? and of there being sexual relationships of men and women without a Covenant of Marriage, especially among many religious groups? There is absolutely no place in the Holy Scriptures that shows that the Great Yehovah Elohim ever accepted any type of “**Common Law Marriage**,” nor accepted having sexual relationships outside of a legal, Covenant of Marriage. Instead, the “**Death Penalty**” is the penalty for all forms of sexual immoralities in the Eyes of the Great Yehovah Elohim, especially because there is absolutely “**no excuse**” to not get legally married.

Not Betrothed - Babies, Children, Teenagers, and Single Women

In Exodus 22:16-17 it is written: “And if a man **entice** a maid that is not betrothed, and lie with her, **he shall surely endow her to be his wife**. If her father utterly refuse to give her unto him, he shall pay money according to the dowry of virgins.”

In Deuteronomy 22:28-29 it is written: “If a man find a damsel that is a virgin, which is not betrothed, and lay hold on her, and lie with her, and they be found; Then the man that lay with her shall give unto the damsel's father fifty shekels of silver, **and she shall be his wife**; because he has humbled her, **he may NOT put her away all his days**.”

Note on Rape and Rapists: The word “**entice**” - enticement (seduce-seduction) is when two individuals are “**freely**” engaged in a particular act of behavior. Enticement and rape are two different acts of behavior. The act of behavior of Exodus 22:16, and of Deuteronomy 22:28-29, are referring to two individuals who have “**freely**” engaged in a particular act of behavior. On the other hand, throughout the Holy Scriptures “**rape**” is always listed as a violence behavior, and in the Genesis, Chapter 34, and in II Samuel, Chapter 13, the Death Penalty was enacted against the rapists. Throughout the ancient world, the rapists were always executed, either by the father or by the brother(s) of the woman. Even in times of military warfare “**rape**” is, even in this present time, strictly forbidden of the Great Yehovah Elohim, and there is “**NO**” money compensation for any act of rape of anyone.

In reading and examining Leviticus 22:16-17, and Deuteronomy 22:28-29, these Holy Scripture verses speak of **“not betrothed,”** - not being engaged to be married. The question must be asked: What about **“female babies, little children, teenagers, and single women”** who are **“not betrothed”**? If a female, mortal being is **“not betrothed,”** does the Great Yehovah Elohim fully allow for the **“brutal rape”** of female babies, little children, teenagers, and single women who are **“not betrothed”** - who are single?

There have been, and there are all sorts of false religious writings, commentaries, and beliefs that have fully encouraged the **“brutal rape”** of little babies, little children, teenagers and single women - of those who are **“not betrothed, and even of married women.”** Secondly, there are all sorts of religious customs and traditions that **“forced”** their small, little children into marriage - so that they would not be brutally raped. Let us examine Exodus 22:16-17, and Deuteronomy 22:28-29, and let us see, know and understand that these Holy Scripture verses were solely concerning **“enticement-seduction (seduce-seduction)”** of two individuals who were **“willing partners”** in an act of having sexual relationships. Throughout history, the righteous, Holy Laws of the Great Yehovah Elohim were totally perverted to justify and to fully encourage all sorts of rebellion and defiance against **“all”** of the Holy Laws of Commandments of the Great Yehovah Elohim, including the brutal rape of small babies, little children, teenagers, and single women, and also of foreign women.

The acts of **“rape,”** and the acts of sexual **“enticement-seduction”** of two willing individuals, are entirely two different acts of behavior. The Great Yehovah Elohim **“NEVER”** encouraged the **“brutal rape”** of female babies, nor little children, nor teenagers, nor of single women, nor of foreign women. Read and examine the Holy Scriptures, and understand that both **“Dinah and Tamar”** were both **“not betrothed”** young women, and in that they were **“brutally raped,”** and note that the rapists were **“executed”** - which was a standard practice of **“men”** avenging the rape of any of their female relatives.

In the Holy Scriptures the Great Yehovah Elohim **“honored”** the tribes of Levi and Simeon for their acts of righteousness in their execution of the rapist, and also of the execution of the people of the village for the rape of Dinah, their sister. The tribe of Levi was chosen to be the **“ministry tribe”** for the entire people and Nation of Israel, and both Levi and Simeon were scattered among the people and Nation of Israel for their horrific acts of bravery in standing for **“righteousness and justice”** for avenging the rape of their sister Dinah. It must be noted that in the ancient world it was a standard practice for rapists to be executed, and in that rapists were not tolerated in society.

Righteous men of the Great Yehovah Elohim must fully know and understand that they are **“NOT”** to stand around and do nothing, and let their wife, or their daughter, or their small child, be raped and shamed. Righteous men of the Great Yehovah Elohim must take the Great Yehovah’s Holy Laws **“into their own hands,”** and do that which is right in executing rapists, and child molesters, and evil individuals - from their city and from out of this Earth, even by **“privately”** executing the rapists and child molesters, and in that there are no eye witnesses to the avenging for **“righteousness and justice”** in the Eyes of the Great Yehovah Elohim. When rapists and child molesters are put to death, and are eliminated from society, and from this Earth, there will be less crime and violence in society.

Military Warfare - Forbidden to Rape - Open up the Holy Scriptures, and read, know, and understand that even in “**military warfare**” the Great Yehovah Elohim “**strictly forbid**” the “**brutal rape**” of foreign women, even of foreign women taken as captives in warfare. Since the Great Yehovah Elohim “**strictly forbid**” the rape of foreign women, then what about the female babies, little children, teenagers, and single women - of the holy saints of the Great Yehovah Elohim? Sadly to say, there have been, and there are, religious communities and groups that claim all sorts of religious piety, and ultra-piety, yet fully encourage and justify the brutal rape in their midst of female babies, little children, teenagers, and of single and married women. How have “**evil religious men, and evil religious leaders**” perverted the Holy Laws of the Great Yehovah Elohim, and have fully encouraged the “**brutal rape**” of religious, holy females of the Great Yehovah Elohim in their midst because of all sorts of false religious writings, and false religious commentaries, and false religious opinions of deceived, religious men, and of false prophets, as well as fully encouraged the rape of foreign women? No one on this Earth can dare question why the Great Yehovah Elohim have fully allowed wars of massive destruction to destroy and wipe-out “**religious communities**” throughout this Earth in past years, and past centuries, and past millenniums. (Read: Deuteronomy 21:10-14)

Religious, and non-religious men and women, and people, cities and nations have questioned the Great Wrath of Judgment, and have questioned the atrocities of the last century, and of past history. Everyone must know and fully understand that the Great Yehovah Elohim is fully “**Righteous and Just**” in the full execution of his Great Wrath of Judgment, including during the last century, and in the past 6000 years, and also in this present time of the “**wasting and destruction, and desolation**” of areas, cities and nations throughout this Earth now in this present time.

Rape is “**NOT**” to be tolerated on this Earth ever again, and the rapists must be executed - must be put to “**DEATH,**” because the brutal rape of a person is totally against the Great Yehovah Elohim, and in that it is to the Perfect Will of the Great Yehovah Elohim for “**rapists and child molesters**” to be executed. Yes, the execution of rapists and of child molesters, is according to the Perfect Will of the Great Yehovah Elohim, especially in this Seventh Millennium. Additionally, “**all**” false religious beliefs, and all false religious commentaries and opinions must be totally destroyed from among the people, and nations, and from out of this entire Earth - now in this present time.

Men and Women “Forced” to Get Married - By the Holy Laws of Commandment of the Great Yehovah Elohim

Under the Holy Laws of Commandments of the Great Yehovah Elohim, the Great Yehovah Elohim “**COMMANDS**” a man to marry a woman if they had sexual relationship, and in that they are to “**NEVER**” be able to divorce from one another. Read again the above Holy Scripture verses of Exodus 22:16-17, and Deuteronomy 22:28-29. Can this Holy Laws of the Great Yehovah Elohim be ignored? or taken lightly? and in that the individuals not be punished?

There are questions to be asked and things to consider: 1) When men and women are having sexual relationships are they to continue in this type of behavior and not be legally married? 2) Where is the legal, binding Covenant of Marriage that the Great Yehovah Elohim **fully requires** if a man and woman have had, or are having sexual relationships? 3) Can men and women be free to **“NOT”** to obey this Holy Law of the Great Yehovah Elohim in not getting married? 4) Can men and women rationalize and give all sorts of excuses for not marrying as the Great Yehovah Elohim fully requires of them to do so? 5) Can men and women take any of the Holy Laws of the Great Yehovah Elohim **“lightly”** in any area or way, including this Holy Law of the Great Yehovah Elohim? 6) Can men and women say that their education, or that their career/business goals, or for whatever excuse that they may have, and not be legally married in the Eyes of the Great Yehovah Elohim? 7) Can men and women be blessed and prosperous in education, and in their careers/business goals, and in all of the great blessings and great goodness of the Great Yehovah Elohim, yet live in rebellion against the Great Yehovah Elohim’s Holy Laws, and not marry as the Holy Laws of the Great Yehovah command them to do so? 8) Exactly how seriously is the acts of having sexual relationships, and in living in sexual immoralities in the Eyes of the Great Yehovah Elohim?

The defiance and the rebellion against the Holy Laws of the Great Yehovah bring deceptions, curses, sorrow, destruction, and eventually death. When men and women disobey the Holy Laws of the Great Yehovah Elohim there are **“penalties”** for such disobedience, regardless of what area it may be in. All, yes all, of the Holy Laws of the Great Yehovah Elohim must be taken of seriously. Men and women, and people, cities and nations must come to their senses and realize why constant poverty, constant economic collapses, drought, famine, plagues, destruction, sorrows, wars, and deaths, have existed among all people and nations for the past 6000 years. It is now time to repent and to turn back to the Great Yehovah Elohim, and turn to, accept, and fully obey the Great Yehovah Elohim’s Holy Laws of Commandments and Perfect Will in every area of life.

Children Born Out of Wedlock - Whose Responsibility? The Individuals, or Society?

When children are born out of wedlock can men place the responsibility of those children solely upon the women, or upon society to take care of their children? Men and women, and families, and societies at large must know and understand that men and women who have children out of wedlock are fully responsible for the children that they bring forth onto this Earth. **“Taxation is against the Great Yehovah,”** as well as all forms of socialism, including all forms of governmental assistance. All forms of taxation, regardless of what form of taxation it may, are no more than the **“theft”** of working men and women of society. In this Seventh Millennium **“all”** forms of taxation will be totally abolished, including all forms of taxation for all sorts of government social programs.

Men cannot have sexual relationships with women, and have children born out of wedlock, and fail to take care of **“their”** responsibility. In the Heaven above the true and Great God - the Great Yehovah Elohim holds men, as well as women, fully responsible for their acts of sexual immoralities, and for bringing forth children on this Earth. Many men, as well as women, have been cursed because of their sexual immoralities, and also because

of bringing forth children onto this Earth out of wedlock. As previously mentioned, the Holy Laws of the Great Yehovah “**commands**” men and women to get married - if they have had sexual relationships (they are “**forced**” to get married). It is “**NOT**” to the Perfect Will of the Great Yehovah for any child to be born out of wedlock for any reason whatsoever.

The Requirement of a Bill (Writ) of Divorce in Order To Be Properly Divorced From Another, and Common Law Marriages

In Deuteronomy 24:1-4 it is written: “When a man has taken a wife, and married her, and it come to pass that she find no favor in his eyes, because he has found some uncleanness in her: then let him write her a Bill of Divorcement, and give it in her hand, and send her out of his house. And when she is departed out of his house, she may go and be another man's wife. And if the latter husband hate her, and write her a Bill of Divorcement, and give it in her hand, and send her out of his house; or if the latter husband die, which took her to be his wife; her former husband, which sent her away, may not take her again to be his wife, after that she is defiled; for that is abomination before the Yehovah: and you shall not cause the land to sin, which the Yehovah your Elohim gives you for an inheritance.”

Where is the Legal, Bill of Divorce? - Over the past years I have met “**religious men and women,**” of different religious sects and beliefs, who told me personally that living together and having sexual relationships constituted a Covenant of Marriage. As I have stressed in the above examples it is clearly shown that this is not so, and in that these evil deeds are no more than acts of whoredom, and also in that these evil deeds bring curses, and the death penalty to a person. Sexual relationships outside of marriage are acts of great sins and wickedness against the Great Yehovah Elohim. (Read again: Genesis 39:7-9) Regardless of the secrecy of anyone’s acts of sexual immoralities, all sins and rebellion against the Great Yehovah, and against his Holy Laws of Commandments, do not go unpunished. There are questions that must be asked and considered concerning this important issue of having sexual relationships outside of marriage, especially among many religious men and women, and among many religious communities.

1) If a man and woman are living together, and are having sexual relationships, and in that they consider themselves as being in a Common Law Marriage, yet if there is a “**departure**” from their relationships then “**where is the Bill of Divorce**” that the Great Yehovah Elohim “**COMMANDS**” to be given as it is written in Deuteronomy 24:1-4; especially if there is the acceptance of the belief that having sexual relationships constituted a Covenant of Marriage? Yes, where is the “**legal**” document of a “**Bill of Divorce**” that the Great Yehovah Elohim definitely and fully requires in order to be divorced from a person?

2) If a “**woman**” who has separated from an alleged Common Law Marriage, or from her partner that she previously had sexual relationships with, how could she go forth and live with someone else “**without first getting a legal, Bill of Divorce**” from her

previous relationships, especially if there is the acceptance of the belief that having sexual relationships constituted a Covenant of Marriage? Additionally, if she does go forth and live with another man, or have sexual relationships with another man **“without first getting a legal, Bill of Divorce,”** then this would constitute an act of Adultery. **The penalty for Adultery - is the “Death Penalty.”**

3) If a **“man”** who goes forth and lives with any woman who previously had an alleged Common Law Marriage, or had sexual relationships with another man, and in that the woman does not have a Bill of Divorce from the previous relationships, then the **“man”** is living in Adultery. **The penalty for Adultery - is the “Death Penalty.”**

Yes, where is the “Bill of Divorce” that the Great Yehovah Elohim fully requires if there is a departure from an alleged marriage, or an alleged Common Law Marriage, especially among many **“religious”** men and women, and among many religious communities, who fully believe that men and women can just live together without a legal, binding Covenant of Marriage? Sadly to say, there is absolutely **“NO Bill of Divorce”** because there was never a legal, binding Covenant of Marriage, not in the Eyes of the Great Yehovah Elohim, and also not in the eyes of the families, nor in the eyes of the public at large, and also not in the Eyes of the religious communities. Instead of there being a Bill of Divorce, there is great whoredom among many religious men and women, and in many religious communities, and in many houses of worship, and also in many societies throughout this Earth.

The Death Penalty Carried Out - It must be noted that all throughout history the Death Penalty has always been carried out - even when man-made Courts of Laws, and man-made religious courts, refuse to do so. Everyone must perfectly know and understand that for **“all”** of the Death Penalty sins, where the Great Yehovah Elohim commands the Death Penalty to be carried out, the Death Penalty has always been carried out, especially by the Mighty Hand of the Great Yehovah Elohim, including for all acts of sexual immoralities, including for all acts of Adultery. The penalty for Adultery is the Death Penalty. Additionally, the Great Yehovah Elohim commands the Death Penalty to be carried out for the shedding of innocent blood. Throughout history innocent blood was shed, and yet all too often the individuals who shed innocent blood go unpunished in the eyes of mortal men, and in man-made Courts of Law. For example, King David committed Adultery, and also he shed innocent blood. Who was there to try King David in a Court of Law? It was the Great Yehovah Elohim who tried King David in his heavenly Court of Laws, and King David was given the Death Penalty in that his son was struck dead by the Hands of the Great Yehovah, and in that a generational curse of continual warfare was placed against the descendants of King David. Everyone must become fully aware that even when there is **“NO”** punishment under man-made Courts of Laws, and in religious courts, yet there is always punishment for **“all”** types of violations, and for all types of defiance and rebellion against the Holy Laws of the Great Yehovah Elohim, by the Mighty Hands of the Great Yehovah Elohim, regardless of time, and regardless of position or power, and regardless of people, cities and nations - of this entire Earth.

Having Mistresses, and Visiting Prostitutes, and Having Prostitutes, Rape and Sodomy in Societies

Does the Great Yehovah Elohim accept and allow for men to have “mistresses,” and for men to visit “prostitutes,” and for there to be prostitution in society? It must be known that there are absolutely “NO” Holy Scripture Laws, nor references that show that the Great Yehovah Elohim allows for these evil things. Since the beginning of time the Great Yehovah Elohim requires having a legal, binding, Covenant of Marriage, and there is absolutely no excuse to have a “mistress,” or mistresses;” and there is no excuse to be visiting prostitutes. **Mistress and mistresses?** How many mistresses have sexual relationships with many men, and profit from these many men? Is there any type of Covenant of Marriage in having a mistress or mistresses? The answer is **NO!** Secondly, mistresses are no more than prostitutes working for money.

Prostitution? The Holy Laws of the Great Yehovah Elohim “strictly forbid” having prostitutes in society. Secondly, how many prostitutes are legally married women, and even in that the prostitute’s husband may not know that their wife is involved in prostitution? If a man visit a prostitute, and in that she is legally married to a man, then the man that visits her is committing an act of Adultery. Again, remember how that Joseph refused to have sexual relationship with a foreign woman. Prostitution, and slave prostitution, are evil deeds that are totally against the Great Yehovah Elohim. The penalty for act of Adultery - **is the Death Penalty.** Read what the Holy Scriptures have to say about prostitution and whoredom in society, especially among the holy saints of the Great Yehovah Elohim.

In Leviticus 19:29 it is written: “Do **NOT** prostitute your daughter, to cause her to be a whore; lest the **land fall to whoredom**, and **the land becomes full of wickedness.**”

In Deuteronomy 23:17-18 it is written: “There shall be **NO WHORE** of the daughters of Israel, nor a sodomite of the sons of Israel. You shall not bring the hire of a whore, or the price of a dog, into the House of the Yehovah your Elohim for any vow: for even both these are abomination unto the Yehovah your Elohim.”

Throughout this Earth there are all sorts of false religious writings and beliefs, and there are all sorts of evil, cultural beliefs and customs, and also there are all sorts of false religious authorities and religious leaders, that have fully encouraged the practice of prostitution, even in the Name of God, or in the name of their false religious beliefs, or because of their evil cultural beliefs. Even little children (both female and male children) are sold into prostitution in many cultures, and in many nations throughout this Earth, even now in this present time. Secondly, there are all sorts of false religious and false cultural writings and beliefs that fully encourage the rape and sodomy of little boys, and of little girls, and even of little babies, and also that fully encourage the rape of women, and of foreign women. The penalty for these evil deeds - is the “**Death Penalty**” - for all those individuals, people, cities and nations by the Great Wrath of Judgment of the Great Yehovah Elohim, that believe in and practice these evil acts of sins and wickedness against the Great Yehovah Elohim.

Spiritual whoredom is the worship of all sorts of false gods (false religious beliefs), and all sorts of false and evil cultural beliefs and practices, and **“all”** false religious beliefs have always fully encouraged all forms of sexual immoralities among the people, cities and nations of this Earth. When the family structure is destroyed, and when cities and nations give themselves over to all forms of sexual immoralities, sins, wickedness, crime, violence, and evil deeds, the Great Wrath of Judgment of the Great Yehovah Elohim always goes forth in destroying of individuals, families, people, cities and nations throughout this Earth, including during this present time. Read the Holy Scriptures, and understand, and see how that the Great Yehovah Elohim has never, and will never, tolerate any form of sexual immoralities, sins, wickedness, crime, violence and evil deeds on this Earth of any people, nor nation. Absolutely no one, especially absolutely no religious man, nor woman, has any right whatsoever to question the Great Wrath of Judgment of the Great Yehovah Elohim, nor question the atrocities of the last century, nor the past 6000 years.

Teenage Dating?

Is the practice of **“teenage dating”** truly acceptable in the Eyes of the Great Yehovah Elohim? **The answer is NO! There is no need for teenage dating.** The first priority of everyone’s life here on this Earth is **“spiritual development”** in all of the good and blessed things of the Great Yehovah Elohim, including in his Holy Laws, Holy Word and Holy Spirit. The second priority of everyone’s life here on this Earth is the getting of all sorts of **“blessed, good skills and abilities,”** and of **“being highly educated of the Great Yehovah Elohim,”** and also of **“seeking to do the Perfect Will”** of the Great Yehovah Elohim for one’s life here on this Earth. How many teenagers, both male and female, became involved in evil situations that cost them much regrets, sorrows and entrapments for the following years of their life, even to last for their entire life here on this Earth? Marriage, nor life here on this Earth, should be filled with regrets, sorrows, and entrapments of the past, nor at any time. There is no need to rush into marriage, and there is no need for teenage dating and becoming serious involved with another person in any emotional relationship at an early age. It is not to the Perfect Will of the Great Yehovah Elohim for men and women to grow older, and to have many years of their life living in all sorts of regrets and sorrows of the past, especially because of having become involved in situations that brought to them years of regret, sorrows and entrapments. Again, a person’s spiritual developments, and the getting of all sorts of blessed, good skills and abilities, and of seeking being highly educated of the Great Yehovah Elohim, and also of seeking to do the Perfect Will of the Great Yehovah Elohim for one’s life here on this Earth, are more important.

Open up the Holy Scriptures, and see, know, and understand how that Isaac was **“40 years old”** when he was married and became involved in an intimate relationship. Jacob was **“77 years”** when he was married and became involved in an intimate relationship. Noah was **“500 years”** old when his first child was born. Many of the ancient men of old had children at a later age in life, even in the hundreds of year of their life. Living a **“blessed life”** as a single man, or as a single woman, unto the Great Yehovah Elohim, and for men and women to **“NOT”** take upon themselves responsibilities that they may not be ready for, are of utmost importance. Life can be, and should be, filled with great joy, happiness, gladness, rejoicing, and full enjoyment of life, and of being highly blessed and prosperous of the Great Yehovah Elohim - as a single man, or as a single

woman living here on this Earth. The Great Yehovah Elohim does not condemn anyone for being single.

If the practice of “**teenage dating**” is totally abolished, this will help to prevent young teenagers from becoming getting involved in relationships that they may not be prepared for, and this will help prevent unwanted pregnancies, as well as help to prevent poverty, entrapments, and despair throughout this Earth. Poverty, and the continual cycle of poverty, hopelessness and despair can only be abolished - if people, cities and nations repent, convert, and return back to the Great Yehovah Elohim, and do that what is right in accordance to the Great Yehovah’s Holy Laws, and Perfect Will, including in that the evil practice of “**teenage dating**” is abolished. The question may be asked: If there is not the practice of teenage dating what do you do? As previously mentioned, everyone must know and understand that “**spiritual development**,” and the getting of blessed, good skills and abilities, and of being highly educated of the Great Yehovah, and also of seeking to do the Great Yehovah’s Perfect Will for one’s life here on this Earth, are the main priorities of one’s life here on this Earth. When men and women have spiritual development, and in that they are spiritually connected with the Great Yehovah Elohim, it is the Great Yehovah Elohim who will show to the individual when it is time to get married, and also to whom to get married to - according to his Perfect Will.

Secondly, read, know, and understand how that the Great Yehovah Elohim told the Prophet Jeremiah to **NOT** get married, and to not have children. Also the Prophet Daniel, and his three close friends were single until his death. Did the Prophet Elijah and the Prophet Elisha ever get married? Being single can be of a great blessings and joy to a person, especially during a person young adult life, and even for many years thereafter. A person could get married latter on in life. It must be known and understood that “**no person**” on this Earth can make proper and right decisions “**without**” knowing and obeying, and having faith in the Great Yehovah Elohim, and in his Holy Laws, Holy Word and Holy Covenant, and “**without**” the “**perfect leading**” of the Great Yehovah Elohim, regardless of one’s level of education, and even in that parents could be so wrong in the selection of a spouse for a son or daughter. A person can fully enjoy life here on this Earth as a “**righteous, single individual.**” It is much better to be single and righteous unto the Great Yehovah Elohim, then to spend years in regrets, sorrows and entrapments because of having becoming involved in evil situations, and because of taking upon oneself responsibilities that a person is not properly prepared for. Again, there should be no sorrow, nor regret of the past, and life should not be filled with all sorts of evil entrapments.

Adults Dating? Should there be the practice of “**adult dating**”? Is going out to a dinner with someone truly wrong - as adults? There should be no wrong in two adults going out for a righteous dinner, or righteous event - because how can a person actually meet a potential, future spouse? If there is serious involvement with another person, the two individuals should consider getting married as soon as possible. Secondly, men and women can get married within a very short period of time, instead of having prolong dating.

Parents Approving, and Sanctioning Sexual Immoralities and Whoredom in Their Homes

Throughout history, sexual immoralities and whoredom were fully encouraged, and overlooked by many, and fully tolerated for various reasons. Eli, the priest, fully sanctioned, and condoned, and tolerated his grown sons in having sexual relationships with the women that came to the Tabernacle. The Great Yehovah Elohim cursed and destroyed Eli and his sons, and in that a generational curse was placed upon the family.

In societies today, many parents also fully sanction, condone, tolerate, and even fully encourage sexual immoralities among their teenage children, and adult children. When teenagers, and even adult children, are living in their parents' home, the parents are fully responsible unto the Great Yehovah Elohim for what they allow in their home. If teenagers, and even adult children, are living at home with their parents, and are living in sexual immoralities, and if the parents sanction, condone, and tolerate these things, then the parents will be punished, along with their children for whatever evil deeds that are being committed in their home. How many parents have been cursed, and even destroyed, because of sanctioning and allowing sexual immoralities, and all sorts of sins, evil and wickedness to in their home? In this present time, how many people, cities, areas, and nations are now being destroyed by the Great Wrath of Judgment of the Great Yehovah Elohim because of the great sins, iniquities, evil deeds, wickedness, crime and violence that are many committed throughout this Earth?

Bastard Children? and Children Born Out of Wedlock? and False Religious Authorities Fully Encouraging Sexual Relationships Without A Covenant of Marriage?

There are religious communities, and houses of worship that label children born out of wedlock as **“bastard children.”** There is a question to ask and things to consider. In noticing all of the sexual immoralities that have been among so many houses of worship, and in so many religious communities, including among **“pious, and ultra-pious”** religious communities, how can anyone rejects and labels any child a **“bastard child,”** when the house of worship, or when the religious community, fully encourages **“living together, and of having sexual relationships”** - without a legal, Covenant of Marriage, and also when there is the acceptance of the evil belief of an alleged Common Law Marriage? Do the religious authorities, and do the religious communities, and do the houses of worship, fully believed that living together without a legal, Covenant of Marriage as being acceptable **“as long as a woman does not get pregnant?”** If so, what **“great hypocrisy”** is there in the various religious authorities and establishments, and in the various religious communities, and in houses of worship; and also what **“great hypocrisy”** is there among many religious people and religious groups throughout this Earth?

Does the Great Yehovah Elohim condone and sanction these evil things, and does the Great Yehovah Elohim accepts the **“hypocrisy”** of labeling children as a bastard children when the religious authorities and the religious communities, and various houses of worship, fully encourage sexual relationships without having a legal, binding Covenant of Marriage among the people?

Can men and women reject and look down upon any child? Once a child is born on this Earth no one, absolutely no one, has any right whatsoever to look down upon, nor to reject a child that was born out of wedlock; and no one has any right to label any child as a bastard child.

What is the true definition of a “bastard”? Do you truly know? Secondly, do you know the true history and lifestyle of your past, biological ancestries - even to the last ten generations? It is very important to fully realize that once a person, and their children, turned to, and converted and joined unto the Great Yehovah Elohim, they are to be fully accepted, and among the holy saints, in the true, Houses of the Great Yehovah Elohim, regardless of their past background, especially because absolutely no one knows the past history of their ancestries, and no one has any right whatsoever to look down upon another, and also no one can stand in the place of the Great Yehovah Elohim. The Great Yehovah Elohim fully accepts, and loves, and cares for **“all”** those who repent, and turn to, convert and join unto him, regardless of the evil and wicked deeds of their parents, and even of their ancestors - even to the **“past”** ten generations.

Let us consider Jephthah, the son of a harlot - Jephthah was a mighty military man of the Great Yehovah. Jephthah was a child born to parents without a Covenant of Marriage, and his brethren rejected him, and considered him to be a child of a strange woman, and Jephthah's brethren ostracized him from the family. It must be noted that Jephthah had **“love and recognition”** for the Great Yehovah Elohim, regardless of the acts of his parents. The Great Yehovah Elohim recognized this and gave to Jephthah great military skills, and also gave to him victories in military warfare against the enemies of Israel. During a time of military warfare when the enemies of the Nation of Israel came against them, the brethren of Jephthah had to go to Jephthah (**the rejected child**), and asked Jephthah for his help, as well as for his leadership, in order to go against the enemies of Israel in military warfare, and in that their own lives be saved. Jephthah accepted the leadership, and recognized the Great Yehovah Elohim, and the Great Yehovah Elohim gave to Jephthah mighty success and victory in military warfare over the enemies of Israel. Let everyone learn from this in that the Great Yehovah Elohim **“does NOT discriminate, nor reject”** anyone who turn to him, and who seek to love, serve, and obey him - regardless of the acts of their parents, and ancestors. Remember, and never forget, how that the people had to go to someone that they cast out in order to help them to fight in military warfare in order to **“save their own lives.”** (Read: Judges, Chapter 11)

Do not forget these important messages, and do not ever reject any child who is coming to the House of the Great Yehovah Elohim, and who may want to love, serve, and obey the Great Yehovah Elohim, regardless of the deeds of their parents and ancestors. Secondly, no one has any right to try to question the biological background of any person on this Earth when a person has committed their life unto the Great Yehovah Elohim. Thirdly, no one has any right to label a child as a **“bastard”** child because who know the true and rightful definition of the word **“bastard,”** and also who know the **“history”** of their ancestors - of the past ten generations? Again, once a person turns to and fully accepts the Great Yehovah Elohim **“all”** of the person's past sins and wrongdoings are fully forgiven by the Great Yehovah Elohim, and that individual has full **“equality”** and **“blessed rights”** to all of the great blessings, goodness and mercy of the Great Yehovah Elohim for him or her, including in being a **“righteous member”** of the Houses of

Worship of the Great Yehovah Elohim, and especially because the Great Yehovah Elohim does not discriminate, nor segregate, nor remember the past sins, iniquities, and wrong doings of any of his beloved children - once a person turns to and fully commit their life unto him.

Looking for a “Virgin” to Lay With? Or Looking for a Virgin to Marry “After” Living in Sexual Immoralities?

It is truly amazing to see how that there are religious communities, and religious groups, and houses of worship, that stress being a “**virgin**,” while at the same time the religious authorities fully encourage living together without a Covenant of Marriage, and encourages all sorts of sexual immoralities among the people. Also, there are “**religious men**” who have gone to women and asked them - “**if they are virgins.**” **What hypocrisy?** Can religious men go searching for a “**pure virgin**” when so many religious men have lived in sexual immoralities, and have lived like Sodom and Gomorrah? No religious man on this Earth has any right in the Eyes of the Great Yehovah, nor in the eyes of others, to want a “**pure virgin**” when that religious man has had sexual relationships without a Covenant of Marriage. Sexual relationships without a Covenant of Marriage are totally against the Great Yehovah Elohim, and constitute the Death Penalty. As previously mentioned, there is absolutely no place in the Holy Scriptures that show that having sexual relationships without a Covenant of Marriage as being acceptable in the Eyes of the Great Yehovah Elohim, whether man or woman.

Sexual Immoralities, and Curses, Crime, Violence, Destruction, and Even Death

In the Holy Scriptures it is written how that the Patriarch Jacob called his sons to him, and blessed them before his death. Sadly to say, Jacob told Reuben, his oldest son, that he will “**not excel in life**” because of his act of sexual immoralities. (Read: Genesis 49:1-4) Sexual immoralities must be taken very seriousness in the Eyes of the Great Yehovah Elohim, and concerning one’s life here on this Earth.

- 1) How many men and women have attached themselves to all sorts of curses because of becoming involved in acts of sexual immoralities?
- 2) How many young men and women dropped out of schools, colleges and universities because of becoming involved in acts of sexual immoralities?
- 3) How many men and women lost jobs/careers because of becoming involved in acts of sexual immoralities?
- 4) How many lost their businesses, and their incomes and homes, and were reduced to poverty, and never recovered, because of becoming involved in acts of sexual immoralities?

5) How many acts of crime and violence, and even of murder, happened in society each year because of men and women becoming involved in acts of sexual immoralities?

6) How many men and women contracted sicknesses and diseases, and even died therefrom of these sicknesses and diseases, because of becoming involved in acts of sexual immoralities?

7) How many marriages and families have been destroyed of because men and women becoming involved in acts of sexual immoralities?

8) How many towns, areas, cities and nations, and even entire past civilizations, were destroyed because the people became in involved in all sorts of acts of sexual immoralities, including in that there was the over-population of the people, and in that the family, social, and economic structure were totally destroyed?

As the Patriarch Jacob told Reuben, his eldest son, **“you shall not excel,”** how many men and women have been prevented from excelling in life because of **“lingering curses”** - because of the many sins, iniquities and defilement of the past having been attached to them **“spiritually”**? It is now time for **“true repentance, and of the destruction of all false religious beliefs,”** and for there to be the cleansing and healing of men and women, and of people, cities, and nations, by and before the Great Yehovah Elohim, and for there to be conversion and joining unto the Great Yehovah Elohim, and to his Government-Kingdom, Holy Laws, Holy Covenant, Holy Word, Holy Spirit, Mighty Power, and Perfect Will - in every area of life, and in the fullness thereof - **NOW!**

All forms of false religious beliefs, and all forms of sexual immoralities, sins, wickedness, crime, violence, and unrighteousness, must be taken very seriously, because these acts are evil deeds in the Eyes of the Great Yehovah Elohim, and these evil deeds do not go unpunished by the Mighty Hands of the Great Yehovah Elohim.

Defilement, and Being Made Powerless, Weak, and of Being Destroyed

Defilement of a person, family, people, city, and even of a nation, comes mainly in two forms: First, it comes when men and women turn to and accept false gods (false religious beliefs); and secondly, it comes when men and women become involved in any type of sexual immoralities. It must be known that **“all”** false religious beliefs fully involve and encourage sexual immoralities among the people. False religious beliefs and sexual immoralities **are connected together**. Also note that there are other ways and means of becoming defiled.

All false religious beliefs, and all forms of sexual immoralities, bring defilement of the spirit, mind, body and life of a person, and in that there are penalties of curses to be paid for such defilement. Also, how many people, cities and nations, and the **“ground”** of the Earth become **“defiled”** because of false religious beliefs and sexual immoralities among the people? Defilement brings destruction and death to the people, and bring **“drought**

and famine” to the ground of the Earth, and in that there is famine of starvation for so many of the masses of the people. Sodom and Gomorrah, and the other two cities thereabout, were totally destroyed, and in that the **“ground”** of these areas were cursed, even to this present time, because of the people’s false religious beliefs, and because of the people living in sexual immoralities. In our present time, drought and famine-starvation are increasing throughout this Earth, because of the sins, and evil deeds and wickedness of the individuals, people, cities and nations throughout this Earth.

Read Leviticus 18:1-30, and Leviticus 20:10-23, and know, and understand how that all forms of sexual immoralities bring defilement, even to **the ground of the Earth**, and in that there are the destruction, wasting and abandonment of cities, areas, and even of nations because of these evil acts of unrighteousness, sins and wickedness of the people.

Powerlessness? Remember how that the mighty Samson became **“powerless”** before his enemies when he became involved in sexual immoralities. Secondly, read, know, and understand how that the Israelites as a nation became **“cursed,”** and in that many thousands were destroyed by a great plague of the Great Yehovah Elohim, when they joined to false religious beliefs, and in that they committed whoredom. (Read: Numbers, Chapters 22 to 25) Thirdly, read, know and understand how that the Great Wrath of the Judgment of the Great Yehovah Elohim went against King Solomon, and also went against the people of Israel, when they became involved in false religious beliefs, and in that the false religious beliefs involved sexual immoralities, and in that their kingdom was split into two, and also in that they were **“sold”** into the hands of their enemies.

Defilement by accepting and practicing false religious beliefs, and also defilement by being involved in sexual immoralities, have been the **two main tactics** that have brought men and women down to being **“powerless,”** in many areas of life, including to being **“powerless”** before their enemies.

Whoredom - Among People, Cities and Nations of This Earth

Throughout history, many men and women, especially religious men and women, have questioned the Great Wrath of Judgment of the Great Yehovah Elohim, including why the Great Yehovah fully allows economic collapses, drought, famine-starvation, destructive weather conditions, all sorts of wars, and the massive destruction of men, women and children. Open up the Holy Scriptures, and read, know, and understand how that the Great Yehovah Elohim has always had, and has even more, **“zero tolerance”** for rebellion and defiance against him, and against his Holy Laws, and Holy Word. Again, there is absolutely no excuse for sexual immoralities in societies. No one is **“FREE”** to live on this Earth, and do what he or she is pleased to do. Everyone is fully responsible for their deeds and actions unto the Great Yehovah Elohim, and there are penalties for sins and rebellion against the Great Yehovah Elohim, and for against his Holy Laws, regardless of person, people, city, or nation on this Earth. Everyone has to come under and live under the Holy Laws of Commandments of the Great Yehovah Elohim. When there is the defiance and rebellion against the Great Yehovah Elohim, and against his Holy Laws, righteousness, true holiness, and purity and sanctity of the individual, and of marriages and

families, then there is always the Great Wrath of Judgment of the Great Yehovah Elohim that goes forth against the individuals, families, people, cities and nations of this Earth.

No one, absolutely no one, can live in rebellion against the Great Yehovah Elohim and against his Holy Laws, Holy Word, and Perfect Will, and walk with the Great Yehovah Elohim. It is now time for religious men and women, and for all people, cities and nations throughout this Earth to repent.

Repentance, Converting, and Turning Back to the Great Yehovah Elohim in True Righteousness

It is now time for full **REPENTANCE**. It is time now to be fully forgiven, and to be fully cleansed, and fully healed by and of the Great Yehovah Elohim - from all past evil deeds, sins, iniquities, and wickedness of the past. It is time to **CONVERT**, and be **JOINED** unto the Great Yehovah Elohim, and be joined unto his righteous Government-Kingdom, Holy Laws, Holy Covenant, Holy Word, Holy Spirit and Mighty Power. It is now time to be **fully restored** unto the Great Yehovah Elohim in all his great blessings, goodness and mercy for those who do so. It is now time to turn back to the true and Great God - the Great Yehovah Elohim, and to his Holy, Everlasting, Covenant of Marriage, Love and Promises that he has for all those who do so.

It is now time for there to be the cleansing, healing, and restoration of “**all**” of the holy saints of the Great Yehovah Elohim, and also of a mixed multitudes of “**many**” men, women and children, and of many people, cities and nations - being converted and joined to the Great Yehovah Elohim. It is now time for men and women, and for many people, cities and nations, to come to know that we have all been lied to, and have been deceived in so many areas, and even deceived into sins in many areas of our life, even if not in certain sins. It is now time for everyone to come to know the **TRUTH** of the Great Yehovah Elohim, and to know the **TRUTH** of his righteous, Holy Laws of Commandments, and Holy Word, and also of his Perfect Will - **on an independent basis**.

It is now time for everyone to desire to, and to do indeed do so, seek to always live a righteous, holy and pure life unto the Great Yehovah Elohim in every area of one's life here a on this Earth. It is time for the fullness of all of the great love, blessings, prosperity, goodness, mercy, compassion, and restoration that the Great Yehovah Elohim has for each of us in every area of our life, and in the fullness thereof, and for to always be so throughout eternity.

In Jeremiah 31:31-34 it is written: “Behold, the days come, saith the Yehovah, that I will make a **New Covenant** with the House of Israel, and with the house of Judah: Not according to the covenant that I made with their fathers in the day that I took them by the hand to bring them out of the land of Egypt; which my Covenant they brake, although **I was an Husband unto them, saith the Yehovah:** But this shall be the Covenant that I will make with the House of Israel; After those days, saith the

Yehovah, I will put my Law in their inward parts, and write it in their hearts; and will be their Elohim, and they shall be my people. And they shall teach no more every man his neighbor, and every man his brother, saying, Know the Yehovah: for they shall all know me, from the least of them unto the greatest of them, saith the Yehovah; for I WILL FORGIVE their iniquity, and I will remember their sin no more.”

In Jeremiah 33:7-16 it is written: “And I will cause the captivity of Judah and the captivity of Israel to return, and will build them, as at the first. And I will cleanse them from all their iniquity, whereby they have sinned against me; and I will pardon all their iniquities, whereby they have sinned, and whereby they have transgressed against me. And it shall be to me a name of joy, a praise and an honor before all the nations of the Earth, which shall hear all the good that I do unto them: and they shall fear and tremble for all the goodness and for all the prosperity that I procure unto it. Thus says the Yehovah; Again there shall be heard in this place, which you say shall be desolate without man and without beast, even in the cities of Judah, and in the streets of Jerusalem, that are desolate, without man, and without inhabitant, and without beast, The voice of joy, and the voice of gladness, the voice of the bridegroom, and the voice of the bride, the voice of them that shall say, Praise the Yehovah of Hosts: for the Yehovah is Good; for his Mercy endures FOREVER: and of them that shall bring the sacrifice of praise into the House of the Yehovah. For I will cause to return the captivity of the land, as at the first, says the Yehovah. Thus says the Yehovah of Hosts; Again in this place, which is desolate without man and without beast, and in all the cities thereof, shall be an habitation of shepherds causing their flocks to lie down. In the cities of the mountains, in the cities of the vale, and in the cities of the south, and in the land of Benjamin, and in the places about Jerusalem, and in the cities of Judah, shall the flocks pass again under the hands of him that count them, says the Yehovah. Behold, the days come, saith the Yehovah, that I will perform that good thing which I have promised unto the House of Israel and to the House of Judah. In those days, and at that time, will I cause the branch of righteousness to grow up unto David; and he shall execute Judgment and Righteousness in the land. In those days shall Judah be saved, and Jerusalem shall dwell safely: and this is

the name wherewith she shall be called, The Yehovah our righteousness.”

In Zechariah 2:10-11 it is written: “Sing and rejoice, O daughter of Zion: for, lo, I come, and I will dwell in the midst of you, says the Yehovah. And many nations shall be joined to the Yehovah in that day, and shall be my people: and I will dwell in the midst of you, and you shall know that the Yehovah of hosts has sent me unto you.”

In Zechariah 8:7-8 it is written: “Thus says the Yehovah of hosts; Behold, I will save my people from the east country, and from the west country; And I will bring them, and they shall dwell in the midst of Jerusalem: and they shall be my people, and I will be their Elohim, in truth and in righteousness.”

In Zechariah 14:8-9 it is written: “And it shall be in that day, that Living Waters shall go out from Jerusalem; half of them toward the former sea, and half of them toward the hinder sea: in summer and in winter shall it be. And the Yehovah shall be King over all the Earth: in that day shall there be One Yehovah and his Name One.”
